THE SYRIAN REFUGEE RELIEF FUND

Report of the Trustees for the Year Ended 31st March 2022

The trustees present their report with the financial statements of the charity for the year ended 31st March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the Charity are for the relief and assistance for the victims of war, conflict or natural disaster, through the provision of food, clothing, bedding, medical aid, accommodation, access to water and sanitation; and other such purposes which are charitable under the laws of England and Wales as the Trustees from time to time determine. In particular for, but not limited to the benefit of people in Syria and surrounding countries.

Public benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

Grantmaking

In accordance with current Charity Commission guidelines, the charity has devised a grant-making policy in order to:

- a) assist applicants to determine whether or not an application to the charity would be appropriate
- b) ensure that a consistent approach is adopted to the consideration of applications for financial support.
- c) ensure that partner organisations have risk management and monitoring procedures in place.

The Charity's policy is to support voluntary and charitable organisations helping the most needy in Syria and neighbouring countries as a result of the war.

Policy:

- a) Beneficiary status
 - The charity will consider applications for grants from: Charitable organisations.
- b) Geographical area
 - The trustees consider that the core area to be served by the charity to be Syria and neighbouring countries.
 - Applications will only be considered from Charitable organisations that are registered in the UK and Ireland or US conducting their practice in English.
- c) Purpose of grant
 - Grants will normally be made for the purchase of food, medicines and clothing.
 - Copies of business plans may be requested as appropriate. Where an award is made by the Charity to cover only a relatively small proportion of the costs to be incurred by a grant recipient, the Trustees may make any payment conditional upon the applicant obtaining the remaining funding from other sources.

THE SYRIAN REFUGEE RELIEF FUND

Report of the Trustees for the Year Ended 31st March 2022

OBJECTIVES AND ACTIVITIES

d) Size of grant

- The amount of any grant awarded will not normally be greater than £20,000, but larger grants may be awarded at the discretion of the trustees.

e) Assessment process

The Trustees will normally expect, as a minimum, to be provided with

- A copy of the applicant organisation's most recent set of financial statements.
- Details of the purchase / expenditure to be funded, including a full cost breakdown.
- Confirmation of the amount of financial support already received or pledged towards the overall cost.

f) Post-Award review

The Charity reserves the right to request from the grantee confirmation that funds have been spent appropriately. It may ask for a photographs of what has been funded by an award, or for a report after a suitable period from the body receiving the grant to update the Trustees on the progress of its project.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

In October 2021, we returned once again to the Institute of Directors. This proved to be our most successful fundraising event to date. Due to the enthusiasm and generosity of our donors, we startled ourselves by raising the sum of £90,000. In conjunction with Action For Humanity we were still able to maintain our financial support to our two main programmes, in Syria and Turkey, the 35 orphans and 15 families of children requiring prosthetics. Inspired by our guest speaker Anna Farina, we agreed to contribute to the costs of a school in the Mahmoudly Refugee Camp, near Raqqa city. We have been provided with very compelling evidence and evaluation of the impact of our programmes on the ground, both in terms of video footage and narrative reporting back to us and our funders. In addition we were able to fund 10 Early Warning Systems, for schools in Syria, giving children and staff 7-10 minutes to vacate their premises, before being bombed.

Future Plans

Tragically the funds we raise continue to be essential, as most of the world looks away from the targeted death and destruction in Syria. So, we are planning once again to host another fundraising dinner and auction, this time at Trinity House in October 2022. We will continue to build on the positive partnership with Action For Humanity and also explore other networks which support the plight of those displaced and injured by the continuing war in Syria.

Finally, it is again worth noting, that none of this would be possible without the energy and commitment of my fellow trustees throughout the year and our excellent team of volunteers on the night.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the charity trustees on my examination of the accounts of The Syrian Refugee Relief Fund (the Trust) for the year ended 31st March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THE SYRIAN REFUGEE RELIEF FUND

Notes to the Financial Statements for the Year Ended 31st March 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
