EDAID FOUNDATION TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustee, who is also a director of the Charitable Company for the purposes of the Companies Act 2006, presents his report with the financial statements of the Charitable Company for the year ended 31 December 2024. The Trustee has adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102) (effective 1 January 2019).

The Charitable Company has taken advantage of the exemption under SORP which permits small companies not to file a strategic report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Charitable Company is limited by guarantee and was set up by a Trust deed and incorporated on 12 February 2015. As a Charitable Company limited by guarantee, the Charitable Company does not have any paid-up share capital. Each member of the Charitable Company has, however, guaranteed an amount not exceeding £1. The Charitable Company is a national charity, operating throughout England and Wales.

The business of the Charitable Company is conducted through a series of meetings, where the trustee oversees the grant-making activities, ensuring that these continue to support a wide range of students throughout England & Wales. The Trustee is responsible for controlling expenditure.

The Trustee has been appointed since the incorporation of the Charitable Company. The trustee is considered to be the only key management personnel of the Charity. The Trustee gives his time freely and no trustee remuneration or expense reimbursement was paid in the year or the previous year. The Trustee continues to maintain operational oversight for the day-to-day running of the charity working closely with appointed staff and consultants.

The Trustee is provided with regular updates and reporting on the activities of the charity and oversees all investment and financial-related matters. Day-to-day interactions with students and potential supporters are delegated to associated staff, following agreed-upon procedures and policies.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. Thomas Woolf & EdAid Limited Management have continued to provide pro-bono support.

Recruitment and appointment of new trustees

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Memorandum and Articles of Association. New trustees will be required to adhere to all relevant policies of the Charitable Company. Induction and training will be provided to new trustees by the existing trustee and their advisers.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The legal and functional purpose of the EdAid Foundation is to, as set out in its charitable objectives, ensure that students from all backgrounds are able to gain affordable access to education.

The Charitable Company's objectives are specifically restricted to the following areas of public benefit:

- the relief of financial hardship of students/graduates attending, or wanting to attend or having attended higher education by the provision of funding
- debt counselling
- support in obtaining funding to access the education

The EdAid Foundation in 2024 continued to focus on establishing and maintaining the Citizen Payment Plan, which helps families secure British citizenship for children who are currently entitled to British citizenship, but do not have the means to pay for the £1,214 UK Home Office Citizenship Fees or the associated legal costs. The EdAid Foundation has partnered with Comic Relief, King's College London and Citizens UK along with a number of other charities to launch the Citizenship Payment Plan [www.edaid.com/cpp] to ensure that as many children as possible, who have the legal right, can become British Citizens and proceed to University.

The Trustee has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's objectives and also in planning its future objectives. In particular, the Trustee considers how planned activities will contribute to the aims and objectives the Trustee has set.

EDAID FOUNDATION TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

ACHIEVEMENTS AND PERFORMANCE

The overriding achievements and performance of the EdAid Foundation are the academic achievements that the students we support go on to achieve. Doubling down on this is the shift in household income we see pre/post-study. The majority of our students, supported by EdAid, will significantly increase their household income within 12 months of completing their program of study.

The EdAid Foundation in conjunction with its education providers it works with, provided greater than £2,281,242 of interest-free funding in 2024 to students from under-represented backgrounds.

The EdAid Foundation accelerated Citizenship Payment Plan product pilot ensuring access to tertiary education funding for eligible UK residents entitled to British citizenship. Over 50 families were on boarded into the program securing citizenship for their children and access to tertiary education.

The Citizenship Payment Plan governance enhancements were implemented adding key new trustees to the board bringing enhanced oversight, experience and critical support to the project.

Areas for improvement

The pilot phase of the CPP activities requires further attention to ensure a robust and sustainable expansion of the project. Constant re-evaluation of the opportunities to grow the project and ensure robust and future-proof implementation remains key.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the founder, Thomas Woolf. In future, it will be necessary for the EdAid Foundation to stand on its own two feet financially however, Thomas Woolf & EdAid Limited will continue to provide pro-bono support.

FINANCIAL REVIEW AND INVESTMENT POLICY

The results for the year ended 31 December 2024 are set out in the Statement of Financial Activities on page 7. This shows a net deficit for the year of £19,949 (2023: surplus of £58,549).

The Charitable Company is now in a net surplus position of £284,769 (2023: £304,718).

The Charitable Company currently receives a number of grants to support operational activities across the activities associated with its activities to promote education.

There are no restrictions on the Charitable Company's power to invest but the Charitable Company does not currently have any investments.

PROCEDURES AND POLICY FOR GRANT MAKING

EdAid Foundation seeks to make grant funds available to students that would otherwise not be able to attend University, or remain at university owing to financial hardship. It may also from time to time convert loans to grants where a student is no longer able to afford to pay off their loan owing to financial hardship.

RESERVES POLICY

The Trustee has established a policy whereby the unrestricted funds, not committed or invested in tangible fixed assets ('the free reserves'), held by the Charitable Company should cover resources expended over the next financial year. In the event of a significant drop in funding, the trustee will support the Charitable Company.

The current free reserves, along with any potential fall in grant funding due in 2024 and the technical support for EdAid Limited is sufficient to cover the operating costs of EdAid Foundation.

PLANS FOR THE FUTURE

The EdAid Foundation in 2024 will focus on growing its deferred payment plan products ensuring financial barriers to education are lowered. It will continue to expand the provision of its services to additional universities over the next 12 months. The Charitable Company will continue to source funds to underpin the continued enhancement of social mobility through fair access to education.

Continuation of the successful Citizenship Payment Plan pilot will be executed, new trustees identified and appointed as the expansion of the project is pursued.

EDAID FOUNDATION INDEPENDENT EXAMINERS' REPORT

I report to the Trustee on my examination of the financial statements of EdAid Foundation for the year ended 31 December 2024.

Respective responsibilities of Trustee and examiner

The Charity's Trustee are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 ("the Act").

The Charity's Trustee consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Charities Act;
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the Trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Charitable Company is limited by guarantee and was set up by a Trust deed and incorporated on 12 February 2015. As a Charitable Company limited by guarantee, the Charitable Company does not have any paid-up share capital. Each member of the Charitable Company has, however, guaranteed an amount not exceeding £1. The Charitable Company is a national charity, operating throughout England and Wales.

The business of the Charitable Company is conducted through a series of meetings, where the trustee oversees the grant-making activities, ensuring that these continue to support a wide range of students throughout England & Wales. The Trustee is responsible for controlling expenditure.

The Trustee has been appointed since the incorporation of the Charitable Company. The trustee is considered to be the only key management personnel of the Charity. The Trustee gives his time freely and no trustee remuneration or expense reimbursement was paid in the year or the previous year. The Trustee continues to maintain operational oversight for the day-to-day running of the charity working closely with appointed staff and consultants.

The Trustee is provided with regular updates and reporting on the activities of the charity and oversees all investment and financial-related matters. Day-to-day interactions with students and potential supporters are delegated to associated staff, following agreed-upon procedures and policies.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. Thomas Woolf & EdAid Limited Management have continued to provide pro-bono support.

Recruitment and appointment of new trustees

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Memorandum and Articles of Association. New trustees will be required to adhere to all relevant policies of the Charitable Company. Induction and training will be provided to new trustees by the existing trustee and their advisers.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The legal and functional purpose of the EdAid Foundation is to, as set out in its charitable objectives, ensure that students from all backgrounds are able to gain affordable access to education.

The Charitable Company's objectives are specifically restricted to the following areas of public benefit:

- the relief of financial hardship of students/graduates attending, or wanting to attend or having attended higher education by the provision of funding
- debt counselling
- support in obtaining funding to access the education

The EdAid Foundation in 2023 continued to focus on establishing and maintaining the Citizen Payment Plan, which helps families secure British citizenship for children who are currently entitled to British citizenship, but do not have the means to pay for the £1,214 UK Home Office Citizenship Fees or the associated legal costs. The EdAid Foundation has partnered with Comic Relief, King's College London and Citizens UK along with a number of other charities to launch the Citizenship Payment Plan [www.edaid.com/cpp] to ensure that as many children as possible, who have the legal right, can become British Citizens and proceed to University.

The Trustee has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's objectives and also in planning its future objectives. In particular, the Trustee considers how planned activities will contribute to the aims and objectives the Trustee has set.

EDAID FOUNDATION TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023

ACHIEVEMENTS AND PERFORMANCE

The overriding achievements and performance of the EdAid Foundation are the academic achievements that the students we support go on to achieve. Doubling down on this is the shift in household income we see pre/post-study. The majority of our students, supported by EdAid, will significantly increase their household income within 12 months of completing their program of study.

The EdAid Foundation in conjunction with its education providers it works with, provided greater than £4,624,757 of interest-free funding in 2023 to students from under-represented backgrounds.

The EdAid Foundation accelerated Citizenship Payment Plan product pilot ensuring access to tertiary education funding for eligible UK residents entitled to British citizenship. Over 50 families were on boarded into the program securing citizenship for their children and access to tertiary education.

The Citizenship Payment Plan governance enhancements were implemented adding key new trustees to the board bringing enhanced oversight, experience and critical support to the project.

Areas for improvement

The pilot phase of the CPP activities requires further attention to ensure a robust and sustainable expansion of the project. Constant re-evaluation of the opportunities to grow the project and ensure robust and future-proof implementation remains key.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the founder, Thomas Woolf. In future, it will be necessary for the EdAid Foundation to stand on its own two feet financially however, Thomas Woolf & EdAid Limited will continue to provide pro-bono support.

FINANCIAL REVIEW AND INVESTMENT POLICY

The results for the year ended 31 December 2023 are set out in the Statement of Financial Activities on page 7. This shows a net surplus for the year of £58,549 (2022: deficit of £40,672).

The Charitable Company is now in a net surplus position of £304,718 (2022: ££246,170).

The Charitable Company currently receives a number of grants to support operational activities across the activities associated with its activities to promote education.

There are no restrictions on the Charitable Company's power to invest but the Charitable Company does not currently have any investments.

PROCEDURES AND POLICY FOR GRANT MAKING

EdAid Foundation seeks to make grant funds available to students that would otherwise not be able to attend University, or remain at university owing to financial hardship. It may also from time to time convert loans to grants where a student is no longer able to afford to pay off their loan owing to financial hardship.

RESERVES POLICY

The Trustee has established a policy whereby the unrestricted funds, not committed or invested in tangible fixed assets ('the free reserves'), held by the Charitable Company should cover resources expended over the next financial year. In the event of a significant drop in funding, the trustee will support the Charitable Company.

The current free reserves, along with any potential fall in grant funding due in 2023 and the technical support for EdAid Limited is sufficient to cover the operating costs of EdAid Foundation.

PLANS FOR THE FUTURE

The EdAid Foundation in 2023 will focus on growing its deferred payment plan products ensuring financial barriers to education are lowered. It will continue to expand the provision of its services to additional universities over the next 12 months. The Charitable Company will continue to source funds to underpin the continued enhancement of social mobility through fair access to education.

Continuation of the successful Citizenship Payment Plan pilot will be executed, new trustees identified and appointed as the expansion of the project is pursued.

EDAID FOUNDATION

TRUSTEES' REPORT

The Trustee, who is also a director of the Charitable Company for the purposes of the Companies Act 2006, presents his report with the financial statements of the Charitable Company for the year ended 31 December 2022. The Trustee has adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102) (effective 1 January 2019).

The Charitable Company has taken advantage of the exemption under SORP which permits small companies not to file a strategic report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Charitable Company is limited by guarantee and was set up by a Trust deed and incorporated on 12 February 2015. As a Charitable Company limited by guarantee, the Charitable Company does not have any paid up share capital. Each member of the Charitable Company has, however, guaranteed an amount not exceeding £1. The Charitable Company is a national charity, operating throughout England and Wales.

The business of the Charitable Company is conducted through a series of meetings, where the trustee oversees the grant making activities, ensuring that these continue to support a wide range of students throughout England & Wales. The Trustee is responsible for controlling expenditure.

The Trustee has been appointed since incorporation of the Charitable Company. The trustee is considered to be the only key management personnel of the Charity. The Trustee gives his time freely and no trustee remuneration or expense reimbursement was paid in the year or the previous year. The Trustee continues to maintain operational oversight for the day to day running of the charity working closely with appointed staff and consultants.

The Trustee is provided with regular updates and reporting on the activities of the charity and oversees all investment and financial related matters. Day to day interactions with students and potential supporters are delegated to associated staff, following agreed upon procedures and policies.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. Thomas Woolf & EdAid Limited Management have continued to provide pro-bono support.

Recruitment and appointment of new trustees

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Memorandum and Articles of Association. New trustees will be required to adhere to all relevant policies of the Charitable Company. Induction and training will be provided to new trustees by the existing trustee and their advisers.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The legal and functional purpose of the EdAid Foundation is to, as set out in its charitable objectives, ensure that students from all backgrounds are able to gain affordable access to education.

The Charitable Company's objectives are specifically restricted to the following areas of public benefit:

- the relief of financial hardship of students/graduates attending, or wanting to attend or having attended higher education by the provision of funding
- debt counselling
- support in obtaining funding to access the education

The EdAid Foundation in 2022 continued to focus on establishing and maintaining the Citizen Payment Plan, which helps families secure British citizenship for children who are currently entitled to British citizenship, but do not have the means to pay for the £1,012 UK Home Office Citizenship Fees or the associated legal costs. The EdAid Foundation has partnered with Comic Relief, King's College London and Citizens UK along with a number of other charities to launch the Citizenship Payment Plan [www.edaid.com/cpp] to ensure that as many children as possible, who have the legal right, can become British Citizens and proceed to University.

The Trustee has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's objectives and also in planning its future objectives. In particular, the Trustee considers how planned activities will contribute to the aims and objectives the Trustee has set.

ACHIEVEMENTS AND PERFORMANCE

The overriding achievements and performance of the EdAid Foundation are the academic achievements that the students we support go on to achieve. Doubling down on this is the shift in household income we see pre/post study. The majority of our students, supported by EdAid, will significantly increase their household income within 12 months of completing their program of study.

The EdAid Foundation in conjunction with its education providers it works with, provided greater than £3,514,665 of interest-free funding in 2022 to students from under-represented backgrounds.

EDAID FOUNDATION

TRUSTEES' REPORT

The EdAid Foundation accelerated Citizenship Payment Plan product pilot ensuring access to tertiary education funding for eligible UK residents entitled to British citizenship. Over 50 families were on boarded into the program securing citizenship for their children and access to tertiary education.

The Citizenship Payment Plan governance enhancements were implemented adding key new trustees to the board bringing enhanced oversight, experience and critical support to the project.

Areas for improvement

The pilot phase of the CPP activities require further attention to ensure a robust and sustainable expansion of the project. Constant re-evaluation of the opportunities to grow the project and ensure robust and future proof implementation remain key.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the founder, Thomas Woolf. In future, it will be necessary for the EdAid Foundation to stand on its own two feet financially however, Thomas Woolf & EdAid Limited will continue to provide pro-bono support.

FINANCIAL REVIEW AND INVESTMENT POLICY

The results for the year ended 31 December 2022 are set out in the Statement of Financial Activities on page 8. This shows a net deficit for the year of £40,672 (2021: deficit of £213,041).

The Charitable Company is now in a net surplus position of £246,170 (2021: £286,841).

The Charitable Company currently received a number of grants to support operational activities across the activities associated with its activities to promote education.

There are no restrictions on the Charitable Company's power to invest but the Charitable Company does not currently have any investments.

PROCEDURES AND POLICY FOR GRANT MAKING

EdAid Foundation seeks to make grant funds available to students that would otherwise not be able to attend University, or remain at university owing to financial hardship. It may also from time to time convert loans to grants where a student is no longer able to afford to pay off their loan owing to financial hardship.

RESERVES POLICY

The Trustee has established a policy whereby the unrestricted funds, not committed or invested in tangible fixed assets ('the free reserves'), held by the Charitable Company should cover resources expended over the next financial year. In the event of a significant drop in funding, the trustee will support the Charitable Company.

The current free reserves, along with any potential fall in grant funding due in 2022 and the technical support for EdAid Limited is sufficient to cover the operating costs of EdAid Foundation.

PLANS FOR THE FUTURE

The EdAid Foundation in 2023 will focus on growing its deferred payment plan products ensuring financial barriers to education are lowered. It will continue to expand the provision of its services to additional universities over the next 12 months. The Charitable Company will continue to source funds to underpin the continued enhancement of social mobility through fair access to education.

Continuation of the successful Citizenship Payment Plan pilot will be executed, new trustees identified and appointed as the expansion of the project is pursued.

RELATED PARTIES

The Trustee is required to disclose all relevant interests and, in accordance with the Charitable Company's policy, withdraw from decisions where a conflict of interest arises.

The Charitable Company has an ongoing relationship with EdAid Limited, a company under the control of T J Woolf. EdAid Foundation is the lender in loan agreements between EdAid Ltd and a customer as, under FCA, a company can't be both a lender and a servicer of a loan agreement.

GOING CONCERN

The Trustee has prepared the financial statements on the going concern basis. Further details are provided in the notes to the financial statements.

TRUSTEE'S RESPONSIBILITIES

The Trustee (who is also a director of EdAid Foundation for the purposes of company law) is responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

EDAID FOUNDATION TRUSTEES' REPORT

Company law requires the Trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources of the Charitable Company for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity's SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The Trustee is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee is responsible for the maintenance and integrity of the Charitable Company and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

EDAID FOUNDATION

INDEPENDENT EXAMINERS' REPORT

I report to the Trustee on my examination of the financial statements of EdAid Foundation for the year ended 31 December 2022.

Respective responsibilities of Trustee and examiner

The Charity's Trustee are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 ("the Act").

The Charity's Trustee consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

examine the financial statements under section 145 of the Charities Act;
to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act); and
to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the Trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

The Trustee, who is also a director of the Charitable Company for the purposes of the Companies Act 2006, presents his report with the financial statements of the Charitable Company for the year ended 31 December 2021. The Trustee has adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Ireland (FRS 102) (effective 1 January 2019).

The Charitable Company has taken advantage of the exemption under SORP which permits small companies not to file a strategic report.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Charitable Company is limited by guarantee and was set up by a Trust deed and incorporated on 12 February 2015. As a Charitable Company limited by guarantee, the Charitable Company does not have any paid up share capital. Each member of the Charitable Company has, however, guaranteed an amount not exceeding £1. The Charitable Company is a national charity, operating throughout England and Wales.

The business of the Charitable Company is conducted through a series of meetings, where the trustee oversees the grant making activities, ensuring that these continue to support a wide range of students throughout England & Wales. The Trustee is responsible for controlling expenditure.

The Trustee has been appointed since incorporation of the Charitable Company. The trustee is considered to be the only key management personnel of the Charity. The Trustee gives his time freely and no trustee remuneration or expense reimbursement was paid in the year or the previous year. The Trustee continues to maintain operational oversight for the day to day running of the charity working closely with appointed staff and consultants.

The Trustee is provided with regular updates and reporting on the activities of the charity and oversees all investment and financial related matters. Day to day interactions with students and potential supporters are delegated to associated staff, following agreed upon procedures and policies.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. Thomas Woolf & EdAid Limited Management have continued to provide pro-bono support.

Recruitment and appointment of new trustees

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Memorandum and Articles of Association. New trustees will be required to adhere to all relevant policies of the Charitable Company. Induction and training will be provided to new trustees by the existing trustee and their advisers.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The legal and functional purpose of the EdAid Foundation is to, as set out in its charitable objectives, ensure that students from all backgrounds are able to gain affordable access to education.

The Charitable Company's objectives are specifically restricted to the following areas of public benefit:

- the relief of financial hardship of students/graduates attending, or wanting to attend or having attended higher education by the provision of funding
- debt counselling
- support in obtaining funding to access the education

The EdAid Foundation in 2021 continued to focus on establishing and maintaining the Citizen Payment Plan, which helps families secure British citizenship for children who are currently entitled to British citizenship, but do not have the means to pay for the £1,330 UK Home Office Citizenship Fees or the associated legal costs. The EdAid Foundation has partnered with Comic Relief, King's College London and Citizens UK along with a number of other charities to launch the Citizenship Payment Plan [www.edaid.com/cpp] to ensure that as many children as possible, who have the legal right, can become British Citizens and proceed to University.

The Trustee has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's objectives and also in planning its future objectives. In particular, the Trustee considers how planned activities will contribute to the aims and objectives the Trustee has set.

ACHIEVEMENTS AND PERFORMANCE

The overriding achievements and performance of the EdAid Foundation are the academic achievements that the students we support go on to achieve. Doubling down on this is the shift in household income we see pre/post study. The majority of our students, supported by EdAid, will significantly increase their household income within 12 months of completing their program of study.

1. The EdAid Foundation in conjunction with its education providers it works with, provided greater than £3,349,427 of interest-free funding in 2021 to students from under-represented backgrounds.
2. The EdAid Foundation accelerated Citizenship Payment Plan product pilot ensuring access to tertiary education funding for eligible UK residents entitled to British citizenship. Over 50 families were on boarded into the program securing citizenship for their children and access to tertiary education.
3. The Citizenship Payment Plan governance enhancements were implemented adding key new trustees to the board bringing enhance oversight, experience and critical support to the project.

Areas for improvement

1. The pilot phase of the CPP activities require further attention to ensure a robust and sustainable expansion of the project. Constant re-evaluation of the opportunities to grow the project and ensure robust and future proof implementation remain key.
2. All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. In future, it will be necessary for the EdAid Foundation to stand on its own two feet financially however, Thomas Woolf & EdAid Limited will continue to provide pro-bono support.

FINANCIAL REVIEW AND INVESTMENT POLICY

The results for the year ended 31 December 2021 are set out in the Statement of Financial Activities on page 7. This shows a net deficit for the year of £213,041 (2020: surplus of £494,597).

The Charitable Company is now in a net surplus position of £286,841 (2020: £499,882).

The Charitable Company currently received a number of grants to support operational activities across the activities associated with its activities to promote education.

There are no restrictions on the Charitable Company's power to invest but the Charitable Company does not currently have any investments.

PROCEDURES AND POLICY FOR GRANT MAKING

EdAid Foundation seeks to make grant funds available to students that would otherwise not be able to attend University, or remain at university owing to financial hardship. It may also from time to time convert loans to grants where a student is no longer able to afford to pay off their loan owing to financial hardship.

RESERVES POLICY

The Trustee has established a policy whereby the unrestricted funds, not committed or invested in tangible fixed assets ('the free reserves'), held by the Charitable Company should cover resources expended over the next financial year. In the event of a significant drop in funding, the trustee will support the Charitable Company.

The current free reserves, along with any potential fall in grant funding due in 2021 and the technical support for EdAid Limited is sufficient to cover the operating costs of EdAid Foundation.

PLANS FOR THE FUTURE

The EdAid Foundation in 2022 will focus on growing its deferred payment plan products ensuring financial barriers to education are lowered. It will continue to expand the provision of its services to 44 additional universities over the next 12 months. The Charitable Company will continue to source funds to underpin the continued enhancement of social mobility through fair access to education.

Continuation of the successful Citizenship Payment Plan pilot will be executed, new trustees identified and appointed as the expansion of the project is pursued.

RELATED PARTIES

The Trustee is required to disclose all relevant interests and, in accordance with the Charitable Company's policy, withdraw from decisions where a conflict of interest arises.

The Charitable Company has an ongoing relationship with EdAid Limited, a company under the control of T J Woolf. EdAid Foundation is the lender in loan agreements between EdAid Ltd and a customer as, under FCA, a company can't be both a lender and a servicer of a loan agreement.

GOING CONCERN

The Trustee has prepared the financial statements on the going concern basis. Further details are provided in the notes to the financial statements.

The Trustee's Report was approved by the Board and signed on its behalf by:

Trustee's Responsibilities Statement for the Year Ended 31 December 2021

The Trustee (who is also a director of EdAid Foundation for the purposes of company law) is responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the Trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources of the Charitable Company for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity's SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business.

The Trustee is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee is responsible for the maintenance and integrity of the Charitable Company and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustee
on the Unaudited Financial Statements of
EdAid Foundation

I report to the Trustee on my examination of the financial statements of EdAid Foundation for the year ended 31 December 2021.

Respective responsibilities of Trustee and examiner

The Charity's Trustee are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 ("the Act").

The Charity's Trustee consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Charities Act;
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the Trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1. ACCOUNTING POLICIES

Company and charitable status

EdAid Foundation, a public benefit entity, is incorporated in England and Wales as a company limited by guarantee not having a share capital. There is currently 1 Trustee who is the sole member of the Charitable Company. The sole member has undertaken to contribute to the assets in the event of winding up a sum not exceeding £1. The Charitable Company is a registered charity. The registered office address is given on page 1.

Basis of accounting

The financial statements are prepared under the historical cost convention, in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2019)" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective 1 January 2019; and the Companies Act 2006.

Preparation of financial statements - going concern basis

During the year under review, the rapid spreading of COVID-19 has continued to be a significant risk to the global economy. The Trustee continues to monitor the impact of the virus on the Charitable Company as more information about the pandemic emerges, with particular focus on the potential impact of operating delays and the closure of schools. At the time of signing the Trustee does not consider COVID-19 to impact the Charitable Company's ability to continue as a going concern.

The Trustee has assessed the Balance Sheet and likely future cash flows at the date of approving these financial statements. Given that the Trustee has continued to provide monetary support to EdAid Ltd, which the Charitable Company is reliant on for funding, the Trustee has a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence and to meet its financial obligations as they fall due for at least 12 months from the date of signing these financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Income

Income is recognised when the Charitable Company has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

Expenditure on raising funds includes the costs incurred on charitable activities.

Expenditure on charitable activities includes:

- grants given to individuals
- direct costs of delivering grants and services to individuals
- support costs are those functions that assist the work of the Charitable Company but do not directly undertake charitable activities.

Support costs include back office costs, finance, personnel, payroll and governance costs which support the Charitable Company's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 7.

1. ACCOUNTING POLICIES - continued

Fund accounting

The Charitable Company holds unrestricted funds representing unrestricted net income and net recognised gains which are expendable at the discretion of the trustee in furtherance to the objectives of the Charitable Company.

Taxation

The Charitable Company is a registered charity and has no liability to corporation tax on its charitable activities under the Corporation Tax Act 2010 (chapters 2 and 3 of part ii, section 466 onwards) or Section 256 of the Taxation for Chargeable Gains Act 1992, to the extent surpluses are applied to its charitable purposes.

Operating leases

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

Financial instruments

Financial assets and financial liabilities are recognised when the Charitable Company becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a finance transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

The Charitable Company only have financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Creditors and provisions are recognised where the Charitable Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Charitable Company's accounting policies, which are described in note 1, the Trustee is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustee does not consider there to be any critical judgements or key sources of estimation uncertainty requiring disclosure.

The Trustee is provided with regular updates and reporting on the activities of the charity and oversees all investment and financial related matters. Day to day interactions with students and potential supporters are delegated to associated staff, following agreed upon procedures and policies.

All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. Thomas Woolf & EdAid Limited Management have continued to provide pro-bono support.

Recruitment and appointment of new trustees

The management of the Charitable Company is the responsibility of the trustees who are elected and co-opted under the terms of the Memorandum and Articles of Association. New trustees will be required to adhere to all relevant EdAid policies. Induction and training will be provided to new trustees by the existing trustee and their advisers.

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The legal and functional purpose of the EdAid Foundation is to, as set out in its charitable objectives, ensure that students from all backgrounds are able to gain affordable access to education.

The Charitable Company's objectives are specifically restricted to the following areas of public benefit:

- the relief of financial hardship of students/graduates attending, or wanting to attend or having attended higher education by the provision of funding
- debt counselling
- support in obtaining funding to access the education

The EdAid Foundation in 2020 was focused on establishing the Citizenship Payment Plan, which helps families secure British citizenship for children who are currently entitled to British citizenship, but do not have the means to pay for the £1012 UK Home Office Citizenship Fees or the associated legal costs. The EdAid Foundation has partnered with Comic Relief, King's College London and Citizens UK along with a number of other charities to launch the Citizenship Payment Plan [www.edaid.com/cpp] to ensure that as many children as possible, who have the legal right, can become British Citizens and proceed to University

The Trustee has referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charitable Company's objectives and also in planning its future objectives. In particular, the Trustee considers how planned activities will contribute to the aims and objectives the Trustee has set.

ACHIEVEMENTS AND PERFORMANCE

The overriding achievements and performance of the EdAid Foundation are the academic achievements that the students we support go on to achieve. Doubling down on this is the shift in household income we see pre/post study. The majority of our students, supported by EdAid, will significantly increase their household income within 12 months of completing their program of study.

1. The EdAid Foundation in conjunction with its education providers it works with, provided greater than £822,000 of interest-free funding in 2020 to students from under-represented backgrounds.
2. The EdAid Foundation accelerated Citizenship Payment Plan product pilot ensuring access to tertiary education funding for eligible UK residents entitled to British citizenship. Over 50 families were on boarded into the program securing citizenship for their children and access to tertiary education.
3. The Citizenship Payment Plan governance enhancements were implemented adding key new trustees to the board bringing enhance oversight, experience and critical support to the project.

Areas for improvement

1. The pilot phase of the CPP activities require further attention to ensure a robust and sustainable expansion of the project. Constant re-evaluation of the opportunities to grow the project and ensure robust and future proof implementation remain key.
2. All small charities need to balance head office costs and fundraising efforts. The EdAid Foundation has run itself very lean to date with significant time and financial support being contributed by the Founder, Thomas Woolf. In future, it will be necessary for the EdAid Foundation to stand on its own two feet financially however, Thomas Woolf & EdAid Limited will continue to provide pro-bono support.

FINANCIAL REVIEW AND INVESTMENT POLICY

The results for the year ended 31 December 2020 are set out in the Statement of Financial Activities on page 7. This shows a net surplus for the year of £494,597 (2019: surplus of £12,000).

The Charitable Company is now in a net surplus position of £499,882.

The Charitable Company currently received a number of grants to support operational activities across the activities associated with it's activities to promote education.

There are no restrictions on the Charitable Company's power to invest but the Charitable Company does not currently have any investments.

PROCEDURES AND POLICY FOR GRANT MAKING

EdAid Foundation seeks to make grant funds available to students that would otherwise not be able to attend University, or remain at university owing to financial hardship. It may also from time to time convert loans to grants where a student is no longer able to afford to pay off their loan owing to financial hardship.

RESERVES POLICY

The Trustee has established a policy whereby the unrestricted funds, not committed or invested in tangible fixed assets ('the free reserves'), held by the Charitable Company should cover resources expended over the next financial year. In the event of a significant drop in funding, the trustee will support the Charitable Company.

The current free reserves, along with any potential fall in grant funding due in 2020 and the technical support for EdAid Limited is sufficient to cover the operating costs of EdAid Foundation.

PLANS FOR THE FUTURE

The EdAid Foundation in 2021 will focus on growing its deferred payment plan products ensuring financial barriers to education are lowered. It will continue to expand the provision of its services to 44 additional universities over the next 12 months. The Charitable Company will continue to source funds to underpin the continued enhancement of social mobility through fair access to education.

Continuation of the successful Citizenship Payment Plan pilot will be executed, new trustees identified and appointed as the expansion of the project is pursued.

RELATED PARTIES

The Trustee is required to disclose all relevant interests and, in accordance with the Charitable Company's policy, withdraw from decisions where a conflict of interest arises.

The Charitable Company has an ongoing relationship with EdAid Limited, a company under the control of T J Woolf. EdAid Foundation is the lender in loan agreements between EdAid Ltd and a customer as, under FCA, a company can't be both a lender and a servicer of a loan agreement.

GOING CONCERN

The Trustee has prepared the financial statements on the going concern basis. Further details are provided in the notes to the financial statements.

Trustee's Responsibilities Statement
for the Year Ended 31 December 2020

The Trustee (who is also a director of EdAid Foundation for the purposes of company law) is responsible for preparing the Trustee's Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Company law requires the Trustee to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources of the Charitable Company for that period. In preparing these financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity's SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in business..

The Trustee is responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustee is responsible for the maintenance and integrity of the Charitable Company and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the Trustee
on the Unaudited Financial Statements of
Ed Aid Foundation

I report to the Trustee on my examination of the financial statements of EdAid Foundation for the year ended 31 December 2020.

Respective responsibilities of Trustee and examiner

The Charity's Trustee are responsible for the preparation of the financial statements in accordance with the Charities Act 2011 ("the Act").

The Charity's Trustee consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the financial statements under section 145 of the Charities Act;
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements and seeking explanations from the Trustee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the financial statements present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the financial statements did not accord with the accounting records; or
- the financial statements did not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

1. **ACCOUNTING POLICIES**

Company and charitable status

EdAid Foundation, a public benefit entity, is incorporated in England and Wales as a company limited by guarantee not having a share capital. There is currently 1 Trustee who is the sole member of the Charitable Company. The sole member has undertaken to contribute to the assets in the event of winding up a sum not exceeding £1. The Charitable Company is a registered charity. The registered office address is given on page 1.

Basis of accounting

The financial statements are prepared under the historical cost convention, in accordance with the Statement of Recommended Practice "Accounting and Reporting by Charities (SORP 2019)" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), effective 1 January 2019; and the Companies Act 2006.

Preparation of financial statements - going concern basis

During the year under review, the rapid spreading of COVID-19 has continued to be a significant risk to the global economy. The Trustee continues to monitor the impact of the virus on the Charitable Company as more information about the pandemic emerges, with particular focus on the potential impact of operating delays and the closure of schools. At the time of signing the Trustee does not consider COVID-19 to impact the Charitable Company's ability to continue as a going concern.

The Trustee has assessed the Balance Sheet and likely future cash flows at the date of approving these financial statements. Given that the Trustee has continued to provide monetary support to EdAid Ltd, which the Charitable Company is reliant on for funding, the Trustee has a reasonable expectation that the Charitable Company has adequate resources to continue in operational existence and to meet its financial obligations as they fall due for at least 12 months from the date of signing these financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Income

Income is recognised when the Charitable Company has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Expenditure is classified under the following activity headings:

Expenditure on raising funds includes the costs incurred on charitable activities.

Expenditure on charitable activities includes:

- grants given to individuals
- direct costs of delivering grants and services to individuals
- support costs are those functions that assist the work of the Charitable Company but do not directly undertake charitable activities.

Support costs include back office costs, finance, personnel, payroll and governance costs which support the Charitable Company's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 7.

1. ACCOUNTING POLICIES - continued

Fund accounting

The Charitable Company holds unrestricted funds representing unrestricted net income and net recognised gains which are expendable at the discretion of the trustee in furtherance to the objectives of the Charitable Company.

Taxation

The Charitable Company is a registered charity and has no liability to corporation tax on its charitable activities under the Corporation Tax Act 2010 (chapters 2 and 3 of part ii, section 466 onwards) or Section 256 of the Taxation for Chargeable Gains Act 1992, to the extent surpluses are applied to its charitable purposes.

Operating leases

Rentals under operating leases are charged on a straight-line basis over the lease term, even if the payments are not made on such a basis. Benefits received and receivable as an incentive to sign an operating lease are similarly spread on a straight-line basis over the lease term.

Financial instruments

Financial assets and financial liabilities are recognised when the Charitable Company becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a finance transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

The Charitable Company only have financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due. Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account. Creditors and provisions are recognised where the Charitable Company has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

2. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

In the application of the Charitable Company's accounting policies, which are described in note 1, the Trustee is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The Trustee does not consider there to be any critical judgements or key sources of estimation uncertainty requiring disclosure.
