Annual Report 2022/23

Chairmans Report.

The patience and loyalty of our students, volunteers and committee is much appreciated as is the commitment of those new volunteers who have joined our group since we restarted.

Since the start in April we had 21 weeks when we were able to hold teaching sessions, we lost 3 sessions due to the arena being waterlogged. We suspended operations until spring on 30.10.23 During those 21 weeks we amassed over 554 volunteer hours. We also had in effect 177 students who participated in our session

Thanks to our coaches who have all completed their training and assessments.

Lastly thanks again to every one for turning up every week, for all the work at our sessions, planning and behind the scenes work.

Thank you.

AGM Notes 2021/22

Chairmans Report.

As a group Beverley RDA could not operate from March 2020 until September 2021 due to Covid restrictions.

The patience and loyalty of our students, volunteers and committee is much appreciated as is the commitment of those new volunteers who have joined our group since we restarted.

We Managed to fulfil all the requirements for restarting by September 2021 we held a volunteers training session on the 6th September and commenced sessions with our students on 13th September 2021. The smiles, obvious joy and excitement shown by our riders made the effort to get going again really worthwhile.

Since the start in September we had 10 weeks when we were able to hold teaching sessions before the weather forced us to suspend our group until the spring. During those 10 weeks we amassed over 300 volunteer hours.

Thanks to our coaches who have all completed their training and assessments.

Lastly thanks again to every one for turning up every week, for all the work at our sessions, planning and behind the scenes work.

Thank you.

Beverley RDA Annual Report 2020-21.

Charity No. 1163118

During the reporting period 2020-21 Beverley RDA did not operate.

The majority of our students come to us from an organisation called FIND a charity which provides day care and activity for young people with Severe Learning Disability and or Autism.

Due to Covid East Riding of Yorkshire Council stopped all organised activities for young people such as those catered for at FIND. RDA restrictions also meant that we were unable to operate.

Even when Covid measures were relaxed we could not offer sessions to our students as we could not comply with distancing regulations. Our students have disabilities such that close contact is required getting them mounted and dismounted and also 1 leader for each pony and 2 side walkers are required to be within 1 metre to render assistance if required.
