

Beverley RDA Annual Report
Charity No 1163118.

Annual Report 2022/23

Chairmans Report.

The patience and loyalty of our students, volunteers and committee is much appreciated as is the commitment of those new volunteers who have joined our group since we restarted.

Since the start in April we had 21 weeks when we were able to hold teaching sessions, we lost 3 sessions due to the arena being waterlogged. We suspended operations until spring on 30.10.23 During those 21 weeks we amassed over 554 volunteer hours. We also had in effect 177 students who participated in our session

Thanks to our coaches who have all completed their training and assessments.

Lastly thanks again to every one for turning up every week, for all the work at our sessions, planning and behind the scenes work.

Thank you.
