

ORWELL PANTHERS ATHLETIC CLUB 2019 - 2021 AGM CHAIR REPORT

Well what can I say; we have not had the most usual time since we held our last AGM on the 6th of November 2019.

It all started well, training going from strength to strength, looking forward to competitions, then lockdown came and everything stopped on the 24th March 2020.

As a group we kept in contact via WhatsApp, Zoom and Facebook; I must thank Colin, all the coaches, parents and athletes for their individual contributions. Also a big thankyou to Yvonne and Isaac who presented an online exercise programme, which I have heard everyone enjoyed. We did start training again for a few weeks between lockdowns, which started initially at Whitton then moved to Northgate, but unfortunately this did not last.

Training started again on the 31st of March 2021, with of course several restrictions, but as a club we have weathered through these restrictions and our athletes are again back training regularly, their fitness and technique improving every week and most important of all the coaches, athletes, parents and carers are all enjoying being back.

I am pleased to report that in September this year, we opened up the club to new members for the first time since March 2019. We have already had several new members join us and the club continues to grow and is going from strength to strength.

On a positive note we are looking forward to the remainder of 2021 and on into 2022, where we hope some competitions will be held for our athletes to attend. We have heard that SOGB (Special Olympics Great Britain) are hoping to hold a scaled down National Games next year (2022), where several of our athletes are hoping to be able to attend. Usually there are qualifying events beforehand, so there is a lot for us to look forward to. We also hope to hold an event on the Cornhill in the Spring of 2022, to showcase our club.

Once again a big thankyou to everyone, coaches, athletes, carers, parents and volunteers who have helped the club through this and the club would not be where it is today without you all.

COACHING REPORT 2020 – 2021

Can I start by thanking all the coaches who have rallied around over this year with stops and starts, changing groups depending on Covid rules and attendance. Also a big thankyou from myself whilst having my knee replacement.

Can I next thank the parents for continuing to support us when things don't go how we want it to with the weather and stoppages.

Can I lastly thank the important people, the athletes, who have turned up and worked with determination, enthusiasm and fun.

I was amazed with the improvement that I saw after my 4 months isolation and recovery – the discipline you all showed when listening to instructions, the safety you adhere to in the stadium and the development in your skills.

We have booked the inside hall from 6.00pm to 7.00pm as well as the track area from 6.30 to 7.30 for the winter to accommodate those needing more skill based and those who are strongest and needing the track and throws work – but also so we will not have to cancel if the weather is bad.

Please continue to look on facebook or website for dates of the term or for cancellation due to Northgate closing centre.

We will NOT be training on December 22nd or 29th.

We are now open to new athletes – but please ask any to send on the website so that we have a chance to know their circumstances or let Mitzi or I know.

We must remember we are an athletics club and need parents/carers to be around to help with equipment, subs, letters etc.

Again, many thanks for those parents who do not have chance to refuse our requests – always willing to help!!!

Please remember none of us here are paid – so it is a joint effort.
