REVIEW OF ACHIEVEMENTS AND PERFORMANCE FOR THE YEAR

During the period covered by this report the Association has focused its efforts on the following:

- Safety
- Education and communication
- Environmental work
- Sustainability

Safety

Due to the significant extension and reprofiling of Blakeney Point and the development of the main channel, work has been undertaken to reposition channel markers and to install a new South Cardinal buoy.

The harbour entrance has remained mostly unchanged this year other than showing signs of breaking through again close to the Hjordis Wreck.

All aids to navigation from the Harbour entrance to the Old Lifeboat station have been inspected and serviced and where necessary and all Blakeney and Cley channel markers were lifted at the end of the season for servicing, cleaning and to have sponsors names renewed. The markers will be replaced for the 2025 season.

In April 2024 Morston Quay retaining wall was rebuilt by Trustees and volunteers.

The annual Trinity House inspection of Navigation Aids in Blakeney Harbour was undertaken and the buoyage covered by the inspection was found to be in good and efficient order.

Following storm damage, the weather station on the South Sands beacon has been repaired and the beacon has subsequently been re-anchored.

Education and Communication

The Harbour Wardens have continued with their excellent work giving advice to members of the public. The notice boards have been updated to their usual high standards. We have continued to update members with regular email updates of navigational and other information and produced two member newsletters.

Environmental work

During the period being reported work has continued to clear abandoned craft from the Harbour along with re-uniting displaced boats with their owners via BHA mailouts. Work is underway to develop a technique for the safe disposal of abandoned boats.

In September 2024 a beach clean was carried out in conjunction with the National Trust and Norfolk Wildlife Trust with support from Jason Bean and Jane Temple.

Sustainability

Membership decreased during the year. Our membership database confirms the number of voting members as 512.

Administration.

The trustees would like to thank Linda Millett for her work and commitment and wish her all the best in retirement. We welcome Alex Hinton who continues with secretarial duties for the Charity.

RISK MANAGEMENT

The Committee have reviewed the charities risk register and the significant risks that may impact the charity. Actions and safeguards to mitigate such risks are being taken where necessary

BLAKENEY HARBOUR ASSOCIATION

FINANCIAL REVIEW

Policy

The Associations accounts are produced on an accruals basis. Non-cash assets consist largely of buoys and associated ground tackle which are treated as revenue expenditure and written off on purchase / acquisition. As such the Association has no fixed assets and therefore no depreciation charges appear in the accounts.

Financial Performance

The attached statement of income and expenditure demonstrates in financial terms the activities of the charity for the period being reported. A surplus of £2,889 was produced during the period on a total income of £22,098 (of which £19 is restricted) and includes expected Gift Aid income from donations during the year of £3,004. The Majority of the expenditure during the year was the purchase of Buoy maintenance equipment to include chain and connections to be installed. The remainder was devoted to meeting the Associations other objectives with Safety and Security rightly taking priority.

Reserves Policy

The BHA maintains its reserves in an interest-bearing account with its bankers. A minimum level for reserves has been set at £20,000, which is considered adequate to deal with any unexpected expenditure needs beyond those anticipated in the annual budget.

STATEMENTS OF TRUSTEES' RESPONSIBILITIES

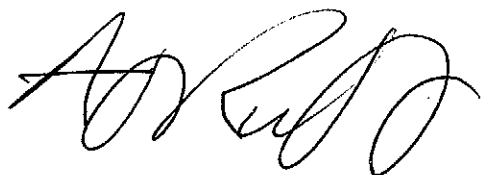

The Trustees are responsible for preparing the Trustees Annual Report and the financial statements in accordance with applicable law and the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice)

The law applicable to Charities in England and Wales requires Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charity SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of its Constitution. They are also responsible for safeguarding the assets of the charity and hence taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report to the trustees on my examination of the accounts of the Blakeney Harbour Association for the year ended 31st December 2024, which are set out on pages 6 to 8.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities act 2011(The Act).

I report in respect of my examination of the accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.
