**OBJECTIVES AND ACTIVITIES**

Trustees Annual Report for the year ending June 2025

This report covers activities of the Charity, Arise Metropolitan Assembly, for the financial year ended June 2025.

Trustees of Arise Metropolitan Assembly note that the year under review was one in which the Charity continued to provide spiritual guidance to the members as well as impact the United Kingdom. We are pleased to report that there was success on all key sectors in which we operate. Under each subheading, we outline progress in the year under review.

**1. Spiritual Growth**

Arise Metropolitan Assembly continued to make progress in the advancement of Christian Religion, one of our core mission foci. Through our outreaches to the entire Church worldwide known as the Global School of Ministry and the Global Advanced Mentorship Program, these specific objectives were achieved:

1.1. Reformation of the Christian Church. More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where a tiny professional Priestly caste ministers to a large, dormant laity, who come into church buildings at designated times to 'consume' spiritual food. From across London to Kent, Cardiff, Wales the trend continues.

1.2. Youth Empowerment. Through the training programme called the Now Generation Master Class this Commission trained and graduated the first set of young men and women under 30 who have embraced the call to serve the Lord and the people. Another cohort completed the programme in the period under review with another set due by May 2026.

1.3. Restoration of the Fivefold. Arise Metropolitan Assembly continues to play a leading role in restoration of the fivefold Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. As reported in previous years, more congregations across the UK, Europe and rest of the world are embracing this paradigm.

1.4. Revival. Continuing a trend since its formation, Arise Metropolitan Assembly continues to blaze the trail in teaching saints to embrace and depend on Jesus as their Head. As more saints embrace this message, they are becoming His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival as they love fellow humans.

1.5. Family-themed ministry. During the period under review, Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and the Youths to be involved in the Congregation's life. Young people - children of primary school age; the youths of Secondary School age and the Now Generation (18 - 25) were assigned to do the Bible Readings, serve, and take part actively in congregational activities. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services. This culture has enabled the Young to grow up with the fear of God and power of service, making them better members of the Community.

1.6. Transformation of Church from a cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God and one another. The Gospel of the Kingdom is thus practiced as we study together. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry which they are now implementing.

1.7. Evangelism is conducted consistently. The Evangelism team went into various Communities in the London Borough of Havering, Barking & Dagenham and other locations in Greater London to share the love of God in Jesus. Over 40, 000 thousand Tracts were printed and distributed during the period under review, in furtherance of that purpose during our outreaches in Market places, community fayres and street evangelism.

1.8. Our Prayer team, Frontline Intercessors built on the previous years of greater operational efficiency, with pairs of intercessors on duty each hour of the day leading to 24/7 coverage. The team prayed for His Majesty King Charles III, Queen Camila, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. We continued to faithfully host the monthly Global Prayer and Spiritual Cabinet held online on the last Saturday of each month with other members of the International Ministers Fellowship. Intercessors from various nations connected in the meetings.

1.9. Multi-racial Outlook. Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, some nations in the West Indies/ The Caribbean, and Hong Kong, China.

1.10. Supporting other Congregations in the United Kingdom. The Christian message is about love, sharing, and caring. During the period under review, Arise Metropolitan Assembly continued the practice of sending volunteers to support other congregations and ministries in training, evangelism, and prayer over their cities. The various Books published by our

visionaries are distributed without charge. The eBook versions are available for free download by the public.

1.11. Ministers Networking. Arise Metropolitan Assembly continued to undergird the work of the International President of International Ministers Fellowship by supporting our Overseers who function as International President. The Global Conference of the Fellowship called Open Gates continued to be held online through the effective services of members of Arise Metropolitan Assembly.

1.12. Global Mission - In line with Acts 1:8, we inspired many Christians across the world to make a commitment to engage in Missions. Missionaries from the Fellowship visited a number of cities and nations including Ireland, Italy, Zimbabwe, South Africa, Zambia, Kenya and Liberia and Cote D'Ivoire.

## 2. Charitable

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Holistic Ministry. As a congregation, Love which is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members who are in need are provided both individual Pastoral Care and financial help and provision of raw food.

2.2. Through the Global Mission Board, our outreach arm, individual members of the Congregation and their families provided for feeding of the needs of the most vulnerable.

## 3. Community Impact

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch in the London Borough of Havering:

3.1. Elm Park Day - we continued to be participants in the annual event which brings together the whole Community.

3.2. Relationship with Elm Park Councillors and The Neighbourhood - we continued to be in touch with our Councillors.

3.3. Patronage of Local Stores - Our contribution to regeneration of Elm Park is further pursued by the deliberate patronage of local business by our congregants.

3.4. Christmas Cards. We printed and distributed Christmas cards to residents of Elm Park, London Borough of Havering and across other parts of the UK.

3.5. Sunday Afternoon Community Lunch. We continued provision of Sunday afternoon lunch right after our services. It is open to both members of the congregation as well as visitors and residents of the Community.

## Prospects for next year

Based on the trend, we have cause to believe that things will continue to get better in the next year.

I report to the trustees on my examination of the accounts of the charitable company for the year ended 30 June 2025.

**Responsibilities and basis of report**

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiners statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1.1.Reformation of the Christian Church. More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly, which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where a tiny professional Priestly caste minister to a large, dormant laity, who come into church buildings at designated times to 'consume' spiritual food.

1.2.Youth Empowerment. Through the training programme called the Now Generation Master Class, this Commission trained and graduated the first set of young men and women under 30 who have embraced the call to serve the Lord and the people.

1.3.Restoration of the Fivefold. Arise Metropolitan Assembly continues to play a leading role in the restoration of The Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. As reported in previous years, more congregations across the UK, Europe and the rest of the world are embracing this paradigm.

1.4.Revival. Arise Metropolitan Assembly continues to blaze the trail in teaching saints to embrace and depend on Jesus as their Head. As more saints embrace this message, they become His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival as they love fellow humans.

1.5.Family-themed ministry. During the period under review, Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and Youths to be involved in the Congregation's life. Young people - children of primary school age, the youths of Secondary School age, and the Now Generation (18 - 25) were assigned to do the Bible Readings, serve, and participate actively in congregational activities. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services.

1.6.Transformation of the Church from a cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God and one another. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry, which they are now implementing.

1.7.Evangelism is conducted consistently. The Evangelism team went into various Communities in the London Borough of Havering and Greater London to share the love of God in Jesus. Over 20,000 thousand tracts were printed and distributed during the period under review to further that purpose during our outreaches in marketplaces, community fayres, and street evangelism.

1.8.Our Prayer team, Frontline Intercessors, built on the previous year of greater operational efficiency, with pairs of intercessors on duty each hour of the day leading to 24/7 coverage. The team prayed for His Majesty King Charles III, Queen Camila, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. We continued to faithfully host the monthly Global Prayer and Spiritual Cabinet held online on the last Saturday of each month with other members of the International Ministers Fellowship. Intercessors from various nations connected in the meetings.

1.9. Multi-racial Outlook. Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, some nations in the West Indies/ The Caribbean, the English, Scottish and Hong Kong, China.

1.10. Supporting other Congregations in the United Kingdom. The Christian message is about love, sharing, and caring.

**Report of the Trustees Continued**  
**For the year ended 30 June 2024**

During the period under review, Arise Metropolitan Assembly continued the practice of sending volunteers to support other congregations and ministries in training, evangelism, and prayer over their cities.

1.11. Ministers Networking. Arise Metropolitan Assembly continued to undergird the work of the International President of International Ministers Fellowship by supporting our Overseers who function as International President. The Global Conference of the Fellowship called Open Gates continued to be held online through the effective services of members of the Arise Metropolitan Assembly.

1.12. Global Mission - In line with Acts 1:8, we inspired many Christians worldwide to commit to engage in Missions.

## 2. Charitable

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Holistic Ministry. As a congregation, love is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members in need are provided both individual Pastoral Care and financial help and raw food.

2.2. Through the Global Mission Board, our outreach arm, individual members of the Congregation and their families provided for feeding the needs of the most vulnerable.

## 3. Community Impact

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch, in the London Borough of Havering:

3.1. Elm Park Day - We continued participating in the annual event that brings together the whole community.

3.2. Relationship with Elm Park Councillors and The Neighbourhood - We continued to contact our Councillors.

3.3. Patronage of Local Stores - Our contribution to the regeneration of Elm Park is further pursued by our congregants' deliberate patronage of local businesses.

3.4. Christmas Cards. We printed and distributed Christmas cards to Elm Park, London Borough of Havering residents and other parts of the UK.

3.5. Sunday Afternoon Community Lunch. We have resumed the Sunday afternoon lunch right after our services. It is open to both members of the Congregation as well as visitors.

3.6. Support for Rough Sleeping. We donated to support the AHAVA Community in tackling rough sleeping and homelessness in our borough.

**OBJECTIVES AND ACTIVITIES**

Trustees Annual Report for year ending June 2023

This report covers activities of the Charity, Arise Metropolitan Assembly, for the financial year ended June 2023.

Trustees of Arise Metropolitan Assembly note that the COVID-19 Pandemic continued for the period under review. Though the Government relaxed restrictions, to safeguard the lives of members of the Charity necessitated further embargo on face-to-face services. For this reason, the Church services remained online through zoom and Facebook live throughout the year under review. As with the previous year, the online services turned out to be a blessing in disguise with much more people joining us online from various locations. We are pleased to report there was success on all key sectors in which we operate before the lockdown. Under each subheading, we outline progress in the year under review.

1.Spiritual Growth. Arise Metropolitan Assembly continued to experience consolidation and expansion in advancement of Christian Religion, one of our core mission foci. Through our outreaches to the entire Church worldwide known as the Global School of Ministry and the Global Advanced Mentorship Program, these specific objectives were achieved:

1.1.Reformation of the Christian Church. More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where a tiny professional Priestly caste minister to a large, dormant laity, who come into church buildings at designated times to 'consume' spiritual food.

1.2.Restoration of the Fivefold. Arise Metropolitan Assembly continues to play a leading role in restoration of The Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. As reported in previous years, more congregations across the UK, Europe and rest of the world are embracing this paradigm.

1.3.Revival. Arise Metropolitan Assembly continues to blaze the trail in teaching saints to depend on Jesus as their Head. As more saints embrace this message, they are becoming His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival.

1.4.Family-themed ministry. During the period under review, Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and the Youths to be involved in the Congregation's life. Young people - children of primary school age; the youths of Secondary School age and the Now Generation (18 - 25) were assigned to do the Bible Readings, serve, and take part actively in congregational activities. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services. A detailed training programme to prepare them for ministry which started in the previous year graduated the first cohort the first cohort.

1.5.Transformation of Church from Cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God and one another. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry which they are now implementing.

1.6.Evangelism is conducted consistently. Though we did not hold our Church services in the normal format, many of our members went into the Community to share the love of God in Jesus. Over 20, 000 thousand Tracts were printed and distributed during the period under review, in furtherance of that purpose during our outreaches in Market places and street evangelism.

1.7.Our Prayer team, Frontline Intercessors built on the previous year of greater operational efficiency, with pairs of intercessors on duty each hour of the day leading to 24/7 coverage. The team prayed for Her late Majesty the Queen in her last year alive, and have intensified prayers for King Charles III, Queen Camila, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. The Monthly Global Prayer and Spiritual Cabinet held online on the last Saturday of each month. Intercessors from various nations connected in the meetings.

1.8.Multi-racial Outlook. Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, some nations in the West Indies/ The Caribbean, the English and Hong Kong, China.

1.9.Supporting other Congregations in the United Kingdom. The Christian message is about love, sharing, and caring. During the period under review, Arise Metropolitan Assembly continued the practice of sending volunteers to support other congregations and ministries in training, evangelism, and prayer over their cities.

1.1.Ministers Networking. Arise Metropolitan Assembly continued to undergird the work of the International President of

International Ministers Fellowship by supporting our Overseers who function as International President. The Global Conference of the Fellowship called Open Gates continued to be held online through the effective services of members of Arise Metropolitan Assembly.

1.2.Global Mission - In line with Acts 1:8, we inspired many Christians across the world to make a commitment to engage in Missions.

## 2.Charitable

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Holistic Ministry. As a congregation, Love which is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members who are in need are provided both individual Pastoral Care and financial help and provision of raw food.

2.2. Through the Global Mission Board, our outreach arm, individual members of the Congregation and their families provided for feeding of the needs of the most vulnerable.

## 3. Community Impact

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch in the London Borough of Havering:

3.1.Elm Park Day - we continued participating in the annual event, bringing the whole Community together.

3.2.Relationship with Elm Park Councillors and The Neighbourhood - we continued to be in touch with our Councillors.

3.3.Patronage of Local Stores - Our contribution to the regeneration of Elm Park is further pursued by our congregants' deliberate patronage of local business.

3.4.Christmas Cards. We printed and distributed Christmas cards to Elm Park, London Borough of Havering residents and other parts of the UK.

Resumption of Services affected by the Pandemic.

The pandemic affected some of our regular commitments and community outreaches. During the period under review, we began on a cautious note to experiment on how best to resume some of our outreaches.

3.1. The Saturday night shelter feeding. The Homeless shelter we supported in the past continued to experience challenges. For that reason, our team was only able to do a few trial services.

3.2. Romford Market Breakfast: Efforts to resume this vital service to those who sleep rough in the Romford Market Area was challenging as most of the rough sleepers had relocated. A few were served but not on a regular basis.

3.3. Mentorship Support. Leaders of Arise Metropolitan Assembly used to provide voluntary mentorship support for those coming out of addiction in a residential centre run by Ahava Community. Our volunteers await the opportunity to continue to provide this service.

3.4. Sunday Afternoon Community Lunch. The lack of space for face to face meetings at the Elm Park Assembly Hall made it impossible to resume this service. On the few occasions we were given access to the Hall, we enjoyed scaled down versions. As soon as full rental of the hall is granted, this service will resume.

3.5. We met for face-to-face a few times during the period under review because the hall we use was fully booked up by other users.

**OBJECTIVES AND ACTIVITIES**

Trustees Annual Report for year ending June 2022

This report covers activities of the Charity, Arise Metropolitan Assembly, for the financial year ended June 2022.

The COVID-19 Pandemic continued for the period under review, to safeguard the lives of members of the Charity, the Trustees agreed to their sentiments that live, face-to-face services remain suspended. For this reason, the Church services remained online through zoom and Facebook live throughout the year under review. The online services turned out to be a blessing in disguise with much more people joining us online. We are pleased to report there was success on all key sectors in which we operate before the lockdown. Under each subheading, we outline progress in the year under review.

1.Spiritual Growth.

Arise Metropolitan Assembly continued to experience consolidation and expansion in advancement of Christian Religion, one of our core mission foci. Through our outreach to the entire Church worldwide as the Global School of Ministry, Global Advanced Mentorship Program, these specific objectives were achieved:

1.1. Reformation of the Christian Church; More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where a tiny professional Priestly caste minister to a large, dormant laity who come into church buildings at designated times to 'consume' spiritual food.

1.2. Restoration of the Fivefold; Arise Metropolitan Assembly continues to play a leading role in restoration of The Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. As reported in previous years, more congregations across the UK, Europe and rest of the world are embracing this paradigm.

1.3.Revival; Arise Metropolitan Assembly continues to be blazing the trail in teaching saints to depend on Jesus as their Head. As more saints embrace this message, they are becoming His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival.

1.4. Family-themed ministry; During the period under review; Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and the Youths to be involved in the Congregation's life. They were assigned to do the Bible Readings, serve, and take part actively. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services. A detailed training programme to prepare them for ministry was also started in January with the first set on course to complete the project later in December. 2022.

1.5. Transformation of Church; from Cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry which they are now implementing.

1.6. Evangelism is conducted consistently; Though we did not hold our Church services in the normal format, many of our members went into the Community to share the love of God in Jesus. Over 10, 000 thousand Tracts were printed and distributed in furtherance of that purpose during our outreaches in Market places and street evangelism.

1.7. Our Prayer team; Frontline Intercessors built on the previous year of greater operational efficiency, with pairs of intercessors on duty each hour of the day leading to 24/7 coverage. The team prayed for Her late Majesty the Queen in her last year alive, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. This became the fulcrum of the Global Prayer Taskforce to Degrade & Eliminate COVID-19.

1.8. Multi-racial Outlook; Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, some nations in the West Indies/ The Caribbean, the English and two whose roots are in Hong Kong.

1.9. Supporting other Congregations in the United Kingdom; The Christian message is about love, sharing, and caring. During the period under review, Arise Metropolitan Assembly sent volunteers to support other congregations and ministries in training, evangelism and prayer in some cities.

1.10. Ministers Networking; Arise Metropolitan Assembly continued to undergird the work of the International President of

**For the year ended 30 June 2022**

International Ministers Fellowship by supporting our Overseers who function as International President. The Global Conference of the Fellowship was largely transitioned online through the effective services of members of Arise Metropolitan Assembly.

1.11. Global Mission; In line with Acts 1:8, we inspired many Christians across the world to make a commitment to engage in Missions.

## 2.Charitable

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Holistic Ministry; As a congregation, Love which is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members who are in need are provided both individual Pastoral Care and financial help and provision of raw food.

2.2. Through the Global Mission Board; our outreach arm, individual members of the Congregation and their families provided for feeding of those in need.

## 3. Community Impact

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch in the London Borough of Havering:

3.1.Elm Park Day - we continued to be participants in the annual event which brings together the whole Community. Due to the pandemic, there was no physical gathering, but we recorded some Christmas song which was aired by London Borough of Havering during the Online Illumination event.

3.2.Relationship with Elm Park Councillors and The Neighbourhood - we continued to be in touch and attended the community meeting for the hall users.

3.3.Patronage of Local Stores - Our contribution to regeneration of Elm Park is further pursued by the deliberate patronage of local business by our congregants.

3.4.Christmas Cards - We printed and distributed Christmas cards to residents of Elm Park, London Borough of Havering and across other parts of the UK.

Services affected by the Covid-19 lockdown.

Due to ongoing restrictions caused by the COVID-19 pandemic, some of our regular commitments and community outreaches were suspended until a more opportune time.

3.1. Arise Metropolitan Assembly continued; to touch lives of the Homeless and those who sleep rough, because of the COVID-19 Pandemic, the Homeless shelter we support was closed during this period.

3.2. Romford Market Breakfast; the COVID-19 Pandemic caused the stoppage of this project. It will resume when the Pandemic is over.

3.3. Mentorship Support; Leaders of Arise Metropolitan Assembly used to provide voluntary mentorship support for those coming out of addiction run by Ahava Community. The Pandemic led to shutting down of this vital community project.

3.4. Sunday Afternoon Community Lunch; The Pandemic led to shutting down of this vital community project after the lockdown on March 22. We have not met in a physical congregation since then.

**OBJECTIVES AND ACTIVITIES**

Trustees Annual Report for year ending June 2021

This report covers activities of the Charity, Arise Metropolitan Assembly for the financial year ended June 2021.

The COVID-19 Pandemic set in at beginning of 2020 leading to total lockdown from 4th week of March 2020 till end of the financial year. We are pleased to report there was success on all key sectors in which we operate before the lockdown. Under each subheading, we outline progress in the year under review.

1. Spiritual Growth.

Arise Metropolitan Assembly continued to experience consolidation and expansion in advancement of Christian Religion, one of our core mission focus. Through our outreach to the entire Church worldwide as the Global School of Ministry, these specific objectives were achieved:

1.1. Reformation of the Christian Church. More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where Priests minister to a large laity.

1.2. Restoration of the Fivefold. Arise Metropolitan Assembly continues to play a leading role in restoration of The Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. More congregations across the UK, Europe and rest of the world are embracing this paradigm.

1.3. Revival. Arise Metropolitan Assembly continues to be blazing the trail in teaching saints to depend on Jesus as their Head. As more saints embrace this message, they are becoming His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival.

1.4. Family-themed ministry. During the period under review, Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and the Youths to be involved in the Congregation's life. They were assigned to do the Bible Readings, serve, and take part actively. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services.

1.5. Transformation of Church from Cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry which they are now implementing.

1.6. Evangelism is conducted consistently as our members go to the Community to share the love of God in Jesus. Over 10,000 thousand Tracts were printed and distributed in furtherance of that purpose during our outreaches in Market places and weekend evangelism.

1.7. Our Prayer team, Frontline Intercessors achieved greater operational efficiency in the course of 2020 - 2021 with an intercessor on duty each hour of the day leading to 24/7 coverage. The team prayers for Her Majesty the Queen, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. This became the fulcrum of the Global Prayer Taskforce to Degrade & Eliminate COVID-19.

1.8. Multi-racial Outlook. Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, three Caribbean nations, the English and two whose roots are in Hong Kong.

1.9. Supporting other Congregations in the United Kingdom. The Christian message is about love, sharing, and caring. During the period under review, Arise Metropolitan Assembly sent volunteers to support other congregations and ministries in training, evangelism, and prayer in some cities.

1.10. Ministers Networking. Arise Metropolitan Assembly continued to undergird the work of the International President of International Ministers Fellowship by supporting our Overseers who function as International President.

1.11. Global Missions - In line with Acts 1:8, we inspired many Christians across the world to make a commitment to engage in Missions.

2. Charitable

**ARISE METROPLITAN ASSEMBLY**  
**Report of the Trustees Continued**  
**For the year ended 30 June 2021**

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Arise Metropolitan Assembly continued to touch lives of the Homeless and those who sleep rough. Because of the COVID-19 Pandemic, the Homeless shelter we support was closed during this period.

2.2. Romford Market Breakfast: the COVID-19 Pandemic caused the stoppage of this project. It will resume when the Pandemic is over.

2.3. Mentorship Support. Leaders of Arise Metropolitan Assembly used to provide voluntary mentorship support for those coming out of addiction run by Hope4Havering. The Pandemic led to shutting down of this vital community project.

2.4. Sunday Afternoon Community Lunch. The Pandemic led to shutting down of this vital community project after the lockdown on March 23. We have not met in a physical congregation since then.

2.5. Holistic Ministry. As a congregation, Love which is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members who are in need are provided both individual Pastoral Care and financial help and provision of raw food.

2.6. Through the Global Mission Board, our outreach arm, individual members of the Congregation and their families provided for feeding of those in need.

### 3. Community Impact

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch in the London Borough of Havering:

3.1. Elm Park Day - we continued to be participants in the annual event which brings together the whole Community. Due to the pandemic, there was no physical gathering, but we recorded some Christmas song which was aired by London Borough of Havering during the Online Illumination event.

3.2. Relationship with Elm Park Councillors and The Neighbourhood - we continued to be in touch and attended the community meeting for the hall users.

3.3. Patronage of Local Stores - Our contribution to regeneration of Elm Park is further pursued by the deliberate patronage of local business by our congregants.

3.4. Christmas Cards. We printed and distributed Christmas cards to residents of Elm Park, London Borough of Havering and across other parts of the UK.

ARISE METROPLITAN ASSEMBLY  
Independent Examiners Report to the Trustees  
For the year ended 30 June 2021

I report to the trustees on my examination of the accounts of the charitable company for the year ended 30 June 2021.

**Responsibilities and basis of report**

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiners statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
