**OBJECTIVES AND ACTIVITIES**

This report covers activities of the Charity, Arise Metropolitan Assembly, for the financial year ended June 2024.

Trustees of Arise Metropolitan Assembly note that the year under review was one in which the Charity continued to provide spiritual guidance to the members as well as impact the United Kingdom. We are pleased to report that there was success in all key sectors in which we operate. Under each subheading, we outline progress in the year under review.

**1.Spiritual Growth**

Arise Metropolitan Assembly continued to progress in advancing the Christian religion, which is one of our core mission foci. Through our outreaches to the entire Church worldwide, known as the Global School of Ministry and the Global Advanced Mentorship Program, these specific objectives were achieved:

1.1.Reformation of the Christian Church. More ministries and congregations continue to embrace the Kingdom concept developed by Arise Metropolitan Assembly, which postulates that a Living Church should operate as a School of Ministry where believers are transitioned to become disciples and discover their gifts and callings rather than a Theatre where a tiny professional Priestly caste minister to a large, dormant laity, who come into church buildings at designated times to 'consume' spiritual food.

1.2.Youth Empowerment. Through the training programme called the Now Generation Master Class, this Commission trained and graduated the first set of young men and women under 30 who have embraced the call to serve the Lord and the people.

1.3.Restoration of the Fivefold. Arise Metropolitan Assembly continues to play a leading role in the restoration of The Offices of Apostle, Prophet, Evangelist, Pastor, and Teacher that Jesus charged collectively to empower the saints for the work of ministry according to Ephesians 4: 11-16. As reported in previous years, more congregations across the UK, Europe and the rest of the world are embracing this paradigm.

1.4.Revival. Arise Metropolitan Assembly continues to blaze the trail in teaching saints to embrace and depend on Jesus as their Head. As more saints embrace this message, they become His disciples, loving the Father fervently and inclined to obey His Word, enjoying personal revival as they love fellow humans.

1.5.Family-themed ministry. During the period under review, Arise Metropolitan Assembly continued to provide an enabling opportunity for both Children and Youths to be involved in the Congregation's life. Young people - children of primary school age, the youths of Secondary School age, and the Now Generation (18 - 25) were assigned to do the Bible Readings, serve, and participate actively in congregational activities. They also took one Sunday Service completely. During the period under review, we gave our Now Generation or senior Youths the Opportunity to preach on some Sunday services.

1.6.Transformation of the Church from a cold Religious Organisation based on subscription to denominational Creeds to an Organism of saints who are in a relationship with God and one another. More Churches and Ministries in the UK, Europe and Africa received the prospectus of the Global School of Ministry, which they are now implementing.

1.7.Evangelism is conducted consistently. The Evangelism team went into various Communities in the London Borough of Havering and Greater London to share the love of God in Jesus. Over 20,000 thousand tracts were printed and distributed during the period under review to further that purpose during our outreaches in marketplaces, community fayres, and street evangelism.

1.8.Our Prayer team, Frontline Intercessors, built on the previous year of greater operational efficiency, with pairs of intercessors on duty each hour of the day leading to 24/7 coverage. The team prayed for His Majesty King Charles III, Queen Camila, the Royal Family; the Prime Minister, Cabinet and Parliament; the leadership and members of Arise Metropolitan Assembly and the Elm Park Community; Hornchurch City; London Borough of Havering and the United Kingdom. We continued to faithfully host the monthly Global Prayer and Spiritual Cabinet held online on the last Saturday of each month with other members of the International Ministers Fellowship. Intercessors from various nations connected in the meetings.

1.9. Multi-racial Outlook. Arise Metropolitan Assembly continued the growth towards being a multi-racial and multi-national congregation with members drawn from several African nations, some nations in the West Indies/ The Caribbean, the English, Scottish and Hong Kong, China.

1.10. Supporting other Congregations in the United Kingdom. The Christian message is about love, sharing, and caring.

**Report of the Trustees Continued**  
**For the year ended 30 June 2024**

During the period under review, Arise Metropolitan Assembly continued the practice of sending volunteers to support other congregations and ministries in training, evangelism, and prayer over their cities.

1.11. Ministers Networking. Arise Metropolitan Assembly continued to undergird the work of the International President of International Ministers Fellowship by supporting our Overseers who function as International President. The Global Conference of the Fellowship called Open Gates continued to be held online through the effective services of members of the Arise Metropolitan Assembly.

1.12. Global Mission - In line with Acts 1:8, we inspired many Christians worldwide to commit to engage in Missions.

## **2. Charitable**

During the period under review, we continued to expand our commitment to engage in Charitable deeds just like Jesus did in Acts 10:38. They were performed through these channels:

2.1. Holistic Ministry. As a congregation, love is manifested in caring for the holistic needs of people - spirit, soul, and body - is central to our ministry. Members in need are provided both individual Pastoral Care and financial help and raw food.

2.2. Through the Global Mission Board, our outreach arm, individual members of the Congregation and their families provided for feeding the needs of the most vulnerable.

## **3. Community Impact**

Arise Metropolitan Assembly foundationally believes that affecting the operating environment as Salt and Light is imperative. We undertook these activities within our host Community, Elm Park Hornchurch, in the London Borough of Havering:

3.1. Elm Park Day - We continued participating in the annual event that brings together the whole community.

3.2. Relationship with Elm Park Councillors and The Neighbourhood - We continued to contact our Councillors.

3.3. Patronage of Local Stores - Our contribution to the regeneration of Elm Park is further pursued by our congregants' deliberate patronage of local businesses.

3.4. Christmas Cards. We printed and distributed Christmas cards to Elm Park, London Borough of Havering residents and other parts of the UK.

3.5. Sunday Afternoon Community Lunch. We have resumed the Sunday afternoon lunch right after our services. It is open to both members of the Congregation as well as visitors.

3.6. Support for Rough Sleeping. We donated to support the AHAVA Community in tackling rough sleeping and homelessness in our borough.

Prospects for next year

As the charity Trustees, who are also directors for the purposes of company law, are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent examiners statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
