2. Achievements and Performance

Strategic Foundation and Vision Building:

2025 has been a foundational year focused on strategic development. The charity, still in its formative stage, concentrated efforts on shaping its long-term vision, governance structures, and potential project areas in Liberia.

Key highlights include:

- Initial meetings and consultation with key stakeholders, including representatives from Liberia on zoom calls.
- Vision alignment sessions with ministry and community leaders to define charitable priorities.
- Early-stage scoping of land development and community support initiatives (education, sustainability, and faith-based training).

Partnerships & Leadership Engagement:

- The charity began informal engagement with individuals and professionals (including faith leaders, , and sustainability experts) who are supportive of the charity's mission and willing to contribute pro bono expertise during this phase.
- **PBP** (Founder and Visionary Leader) has provided strategic guidance rooted in the original vision and spiritual mandate that birthed the charity.

3. Financial Review

Income and Expenditure:

The charity has not received any income nor incurred any expenditure during the 2025 financial year. This is consistent with the current development stage of the organisation.
