**2024 to 2025 - 10th Financial Year**  
**Meeting on Tuesday 27th January 2026**

Trustees attended: Christopher L Power & Pauline Power

**Welcome to Annual General Meeting**

The Foundation has put on two successful plays in Port Sunlight, a traditional Shakespeare play 'Midsummer' and a brand new production 'Finding Lever-Sunlight of Congo,' we reflected on what went well, the community connections and the important opportunities for local young people.

2024-2025 was a quiet year but still looking for local opportunities for funding, and more Trustees to join the foundation.

We would like to recruit a suitable Trustee to add value to the Foundation, with new ideas and inputs. We have agreed to carry over the aims for 2025 to 2026.

**Aims for 2026 -**

Look for funding opportunities.

Take on a new Trustee

Next production, we would like to consider is 'Wuthering Heights.'

**Welcome to Annual General Meeting**

After the success of the brand new play which was specially written by Kai Jolley (for the foundation) The new play 'Finding Lever - Sunlight of Congo' was well received with a standing ovation in January 2023, the Foundation has taken a break during the rest of 2023.

The last production gave an opportunity for young people to work with professionals, such as Emma Harrison a professional make-up artist and Isabelle Ryder who wrote and performed our new score specially for the 'Finding Lever production.'

We were especially pleased to work with the Congolese society who provided valuable input to the themes of the play, and who sourced the Congolese costumes from Africa which we were able to purchase from them, supporting their society.

The charity received funding from Arnold Clarke fund for £1000 & Wirral BC together fund £500 and some donations in 2022/2023.

**New Aims for 2024 -**

**Look for funding opportunities.**

**Take on a new trustee.**

**If funding is acquired, then we will look at producing 'Wuthering Heights' for the theatre.**

**Trustees' Annual Report  
2021 to 2022 - 7th Financial Year**

**Meeting on Friday 27th January 2023 for The Power Foundation for Young People**

**Attendees: Pauline Power, Christopher Lee Power**

**Welcome to Annual General Meeting**

During the last year we planned, auditioned and rehearsed the new 'Finding Lever -Sunlight of Congo' play, but unfortunately the production had to be postponed the night before the opening in April 2022. However we went on to perform the play on 19th January 2023, with a multicultural cast and audience.

The new play 'Finding Lever - Sunlight of Congo' was well received with a standing ovation from the audience. The Foundation was able to do a profit share for the nine actors of £125 each, and for many it was their first acting credit.

The foundation worked with professionals for our production such as Isabelle Ryder who composed a new musical score and the make-up artist Emma Harrison. We also worked with Matt Harrison, a local joiner to build our sets for 'Finding Lever,' and the photography for the production by photographer Andrew Abrahamson.

We produced a printed programme which highlighted the cast, funders and the Congolese Society who had provided much inspiration when researching the 'Finding Lever...' play.

The charity received funding in 2021/2022 from the Duchy of Lancaster, Wirral Borough Council local councillor 'together fund', Arnold Clarke funding.

**We are pleased to confirm that we have met all our aims for 2021, and are still working towards last year's aims.**

**New Aims for 2023 -**

**The Foundation is hoping to recruit more trustees**

**Produce a film teaser**

**Hoping to plan another a new show e.g. Wuthering Heights**

2020 to 2021 - 6th Financial Year**

**Meeting on Monday 24th January 2022 for The Power Foundation for Young People**

**Attendees: Pauline Power, Christopher Lee Power**

**Welcome to Annual General Meeting**

During the last year we have planned, auditioned and performed 'A Midsummer Night's dream.' As there were Covid restrictions we contacted the local council for guidance before completing the planning for the rehearsals.

The Foundation opted for a theatre production rather than open-air, and the play was well attended and received. The Foundation was able to do a profit share with the actors of £100 each. We worked with Isabelle Ryder who composed a beautiful music score and make-up artist Emma Harrison using local talent. We also had a local young person make a mini set of the stage production AJ Thompson

The Charity is planning the next production 'Finding Lever - Sunlight of Congo,' funded by Wirral Borough Council's Local councillor fund for Bebington & PortSunlight and LCVS, Duchy of Lancaster.

**Aims for 2022**

**The Foundation is hoping to recruit more trustees**

**We aim to put on 'Finding Lever - Sunlight of Congo' in a theatre locally and invite schools to attend.**

**Produce a film teaser**

**Hoping to plan another show by the end of the year e.g. Wuthering Heights**
