**Welcome to Annual General Meeting**

The Foundation has put on two successful plays in Port Sunlight, a traditional Shakespeare play 'Midsummer' and a brand new production 'Finding Lever-Sunlight of Congo,' we reflected on what went well, the community connections and the important opportunities for local young people.

2024-2025 was a quiet year but still looking for local opportunities for funding, and more Trustees to join the foundation.

We would like to recruit a suitable Trustee to add value to the Foundation, with new ideas and inputs. We have agreed to carry over the aims for 2025 to 2026.

**Aims for 2026 -**

Look for funding opportunities.

Take on a new Trustee

Next production, we would like to consider is 'Wuthering Heights.'
