## **Trustees' Report**

The trustees present the annual report together with the financial statements of the charity for the year ended 31 March 2025.

### **Trustees and officers**

The trustees and officers serving during the year and since the year end were as follows:

Trustees:	Neil Johnston
	Jugbir Ware
	Ashley Duque Kienzle
	Alexandra Davies
	Simon Coles
	Naomi Bell
	Sarah Robb
	Davina Irwin-Clarke

### **Structure, governance and management**

#### ***Nature of governing document***

The charity is operated under the rules of its constitution adopted 13/10/2014.

#### ***Recruitment and appointment of trustees***

Apart from the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

### **Objectives and activities**

#### ***Objects and aims***

- (a) To assist in relieving the poverty of persons involved in prostitution, particularly by a process of training counsellors to find, help and advise persons involved in prostitution.
- (b) To develop the capacity and skills of those disadvantaged by sexual abuse or prostitution in such ways as they are better able to identify and help meet their needs and to participate more fully in society.
- (c) To advance the education of the public, and especially children and young people, in the dangers of being groomed into prostitution, so as to promote a healthy lifestyle and freedom from exploitation and abuse.
- (d) To provide a front line specialist support service for the support of police, social services and other agencies engaged in the prevention of trafficking of individuals for sexual exploitation or other abuses.
- (e) Such other services which are exclusively charitable according to the law of England and Wales and are connected with the charitable work of Streetlight UK.

### **Trustees' Report (continued)**

#### ***Public benefit***

1. OUTREACH TEAMS – night-time outreach and 1-2-1 daytime support, which include staff and trained volunteers. Meeting the main grant needs of: “A healthy and well future – physical and mental health and wellbeing” - by Practically supporting women with sexual health needs, goal setting, relationship boundaries and reporting crimes. Supporting women to remove the barriers they face in exiting prostitution. Increasing women’s physical wellbeing and positive mental health, giving hope for the future, supporting women in breaking out of cycles of trauma through involvement in prostitution.

2. PROVIDING CARE PACKS - Including attack alarms, condoms, STI testing kits, pregnancy tests, toiletries and service flyers enabling connection of a difficult to reach group of women, into local services. Between April 2022 - March 2023, we have provided 623 care packs across our service.

3. VISITING BROTHELS AND SUSPECTED VICTIMS OF TRAFFICKING: Our support workers attend live operations into brothels to support suspected trafficked victims. Joint police operations for welfare checks, supporting women to access the National Referral Mechanism if they have been trafficked.

4. ONLINE SUPPORT - Initially as a result of COVID – some women have moved to phone and webcam sex rather than in-person increasing their isolation and mental health needs. We have increased our online support by 25% as a result.

5. YOU CHOOSE - DETERRING RE-OFFENDING COURSE - For men arrested for soliciting on-street sex. Educating them on the consequences and impact of their choices on women and the community. With 66 men attending between April 2022 - March 2023 and a 95% success rate in deterring re-offending in Tower Hamlets, Newham, and Enfield.

6. TRAINING – Delivering bespoke training for professionals, including the police, local authority, and other NGO’s around how to engage with women involved in prostitution, addressing the ASB related issues in communities.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

#### **Achievements and performance**

**THIS LAST YEAR HAS BEEN EXCEPTIONAL IN TERMS OF GROWTH AND ACHIEVEMENT!**

Across London we are building stronger partnerships with our Funders, other NGO’s and police partners. Our outreach is now impacting significant numbers of women in boroughs in both North and South London. Our volunteers frequently support women through on-street outreach and deal with growing number of off-street self-referrals. The number of referrals, joint police operations and service user contacts has grown exponentially. Streetlight UK provides a deterring re-offending course for men arrested for kerb crawling in a growing number of London Boroughs called: the ‘You Choose’ course. The number of men who have completed the course is now over 250 with a 95% success rate in deterring reoffending.

In Sussex/Surrey, our trained volunteers and staff work hard to maximize women reached through engaging in online outreach and support, and live operations with the Police. They are now supporting nine different projects across the Counties, working closely with our multi-agency partners. Support Workers meet with women one-to-one to provide them with individually tailored support. Our frontline teams have expanded into Cumbria, Yorkshire, Lancashire and East Kent, and we are taking referrals online from across the United Kingdom.

Our previous pilot of a Wellbeing Course at HMP Downview, giving women advice on sexual health, sexual boundaries, consent, laws around prostitution and sexuality, has also been delivered at HMP Send and we have ongoing and growing links with HMP’s across the South East.

## Trustees' Report (continued)

In June 2021, we were honoured to receive the Queen's Award for Voluntary Service - the MBE for charities. We also received an extra award from the QAVS in recognition of our frontline support during the Coronavirus pandemic. We would like to especially thank our growing teams of volunteers, who are always motivated and flexible and who come with a growing professional skillset. It is to their credit that we were successful in being awarded this prestigious award. Our volunteers and staff's approach ensures that every woman who has contact with Streetlight UK, has both the professional and compassionate support they need.

In June 2023, StreetlightUK's CEO, Mrs Helena Croft, was awarded an MBE in the King's Birthday Honours List 2023. This prestigious honour is recognition of her outstanding contribution to the charity sector, particularly in supporting vulnerable women.

Over the years, StreetlightUK has helped countless women to rebuild their lives and regain their independence. The organisation has been a beacon of hope for vulnerable women, and Mrs Croft's MBE is a testament to the impact that StreetlightUK has made in society.

### Financial review

#### *Policy on reserves*

##### 1. PURPOSE OF POLICY

The purpose of the Reserve Policy for Streetlight UK is to ensure the stability of the mission, programs, employment, and ongoing operations of the organisation. The Operating Reserve is intended to provide an internal source of funds for situations such as a sudden increase in expenses, one-time unbudgeted expenses, unanticipated loss in funding, or uninsured losses.

The Reserve may also be used for one-time, non-recurring expenses that will build long-term capacity, such as staff development, research and development, or investment in infrastructure.

Operating Reserves are not intended to replace a permanent loss of funds or eliminate an ongoing budget gap. It is the intention of Streetlight UK for Operating Reserves to be used and replenished within a reasonably short period of time.

The Reserve Policy will be implemented in conjunction with the other governance and financial policies of Streetlight UK and is intended to support the goals and strategies contained in these related policies and in strategic and operational plans.

##### 2. DEFINITIONS AND GOALS

###### a. OPERATING RESERVES IN LIGHT OF CORONAVIRUS PANDEMIC (COVID19)

The Operating Reserve Fund is defined as a designated fund set aside by action of the Board of Trustees. The minimum amount to be designated as Operating Reserve will be established in an amount sufficient to maintain ongoing operations and programs for a set period of time, measured in months. The Operating Reserve serves a dynamic role and will be reviewed and adjusted in response to internal and external changes.

The target minimum Operating Reserve Fund is equal to six months of average operating costs. Streetlight UK benefits from a 6 month reserve in order to protect the organisation, by providing long term financial stability whilst facing the uncertainty surrounding Covid-19 that will likely bring continued challenges in the coming years.

Many of our annually reviewed and renewed grants/contracts are at risk due to Funders having a reduced budget during this time. This in turn affects Streetlight UK's ability to maintain our high level support services for women involved in prostitution. This could leave many service users isolated, vulnerable and without access to basic necessities.

# **StreetlightUK**

## **Trustees' Report (continued)**

By extending our reserve policy to six months, the organisation would have longer term security for our vital support system. In the event of financial crisis caused by the pandemic, Streetlight UK would have sufficient funds to minimise the impact on the women currently supported by our services.

The calculation of average monthly operating costs includes all recurring, predictable expenses such as salaries and benefits, occupancy, office, travel, program, and ongoing professional services. Depreciation, in-kind, and other non-cash expenses are not included in the calculation. The calculation of average monthly expenses also excludes some expenses including one off capital purchases such as an outreach vehicle. The amount of the Operating Reserve Fund target minimum will be calculated each year after approval of the annual budget, reported to the Board of Trustees, and included in the regular financial reports.

### **b. OPPORTUNITY RESERVES**

The Opportunity Reserve is intended to provide funds to meet special targets of opportunity or need that further the mission of the organisation which may or may not have specific expectation of incremental or long-term increased income. The Opportunity Reserve is also intended as a source of internal funds for organisational capacity building such as staff development, research and development, or investment in infrastructure that will build long-term capacity.

The target amount of the Opportunity Reserve will be determined by the CEO and Finance Sub Committee. Decisions, which will then be formally approved by the Board.

### **3. ACCOUNTING FOR RESERVES**

The Operating Reserve Fund will be recorded in the financial records as Board-Designated Operating Reserve. The Fund will be funded and available in cash or cash equivalent funds. Operating Reserves will be maintained in a segregated bank account or investment fund, in accordance with the Investment Policy.

### **4. FUNDING OF RESERVES**

The Operating Reserve Fund will be funded with surplus unrestricted operating funds. The Board of Trustees may from time to time direct that a specific source of revenue be set aside for Operating Reserves. Examples may include one-time gifts or bequests, special grants, or special appeals.

### **5. USE OF RESERVES**

Use of the Operating Reserves requires three steps:

#### **a. IDENTIFICATION OF APPROPRIATE USE OF RESERVE FUNDS**

The CEO and staff will identify the need for access to reserve funds and confirm that the use is consistent with the purpose of the reserves as described in this Policy. This step requires analysis of the reason for the shortfall, the availability of any other sources of funds before using reserves, and evaluation of the time period that the funds will be required and replenished.

**b. AUTHORITY TO USE OPERATING RESERVES** The CEO has delegated authorisation to manage the operating reserves and consults with the Chair of Finance/Board of Trustees. The use of the operating reserves is discussed by the CEO and Board of Trustees at the next scheduled meeting.

**c. REPORTING AND MONITORING** The CEO is responsible for ensuring that the Operating Reserve Fund is maintained and used only as described in this Policy. Upon approval for the use of Operating Reserve funds, the CEO will maintain records of the use of funds and plan for replenishment. She will provide regular reports to the Board of Trustees of progress to restore the Fund to the target minimum amount.

**6. RELATIONSHIP TO OTHER POLICIES** Streetlight UK shall maintain the following board-approved policies, which may contain provisions that affect the creation, sufficiency, and management of the Operating Reserve Fund. This Policy is in relationship to: Financial Policy, Investment Policy, Delegated Authority Policy.

### Trustees' Report (continued)

#### Statement of Trustees' Responsibilities

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

The law applicable to charities requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008, and the provisions of the constitution. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on July 23, 2025 and signed on its behalf by:

Ashley Duque Kienzle

### Independent Examiner's Report to the trustees of StreetlightUK

#### Independent examiner's report to the trustees of StreetlightUK

I report to the trustees on my examination of the accounts of StreetlightUK (the Charity) for the year ended 31 March 2025.

#### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

#### Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member and Fellow of the Association of Charity Independent Examiners, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements for the Year Ended 31 March 2025

### 1 Accounting policies

#### Statement of compliance

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

#### Basis of preparation

StreetlightUK meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

#### Exemption from preparing a cash flow statement

Under the exemption available to smaller charities the Board of Trustees has chosen not to include a Statement of Cash Flows within the financial statements.

#### Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

#### Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

#### *Donations and legacies*

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

#### *Grants receivable*

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

#### *Deferred income*

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

#### *Investment income*

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

## StreetlightUK

### Notes to the Financial Statements for the Year Ended 31 March 2025 (continued)

#### Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregates similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

#### Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

#### Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

#### Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Motor vehicles	20% straight line
Computer equipment	33% straight line
Furniture and equipment	25% straight line

#### Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

#### Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

# StreetlightUK

## Notes to the Financial Statements for the Year Ended 31 March 2025 (continued)

### Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

### Fund structure

Unrestricted income funds are general funds that are available for use at the trustees' discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds and resources set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
