The Band runs a training band comprising of members from the ages of 8+. In order to protect itself, the Band undertakes regular DBS checks of those members involved in the provision of tuition.

The Band has a Committee structure outside of the Trustees. This is made up of the Chairman of the Trustees and up to 6 other members of the Band. Typically those members will include the Secretary, Treasurer, Contest Secretary and other members as appointed.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The object of the Band is to advance the education of the public in the United Kingdom in the art and science of British Brass Band music through the provision of public band concerts and recitals, training in brass band music, and partaking in competitions in the furtherance of the musicianship of the band.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Band have continued to provide free lessons to people who wish to learn to play a brass instrument and have provided free concerts until Covid-19 restricted activities. The Band has undertaken all activities in line with its constitution and within the guidance issued by the Charity Commission.

The Band's reputation has gone from strength to strength and continues to encourage new members to join both the junior band and the senior band.

The Band has used the "down time" during Covid to completely refurbish its rehearsal premises creating a state of the art rehearsal and recording area for use by the Band and other local groups.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

The Band remain grateful for the support provided by the Friends of the Band, without whom the level of fundraising would not be as significant as it has been.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

The band was promoted to the first section as a result of the excellent results during 2019. The Band played a piece called Legacy by Tom Devoran – appropriately this was a piece written to celebrate the hard work of the NHS; quite prophetic as the rest of 2020 panned out!

The Band rehearsed well in readiness for the contest despite the local emergence of Covid-19 within the local area. In fact the Band had to make the tough decision as to whether to attend or not. The whole Band committed to the contest which was expertly run by WEBBA with social distancing throughout

Despite the challenges, the Band finished a very credible 9th of 18 bands. A good result which stabilises the Band in the 1st section.

After the contest, Martin Cordy stood down as Chairman to be ably replaced by Graham Pollard. Martin has achieved a lot during his period of leadership and has led the move from the old Bandroom in Woolcombe lane to the new premises at St Francis.

Due to Covid-19, the summer season was cancelled. Indeed, the Band only managed a handful of rehearsals for the rest of the year in between periods of lockdown. Furthermore, there was no remembrance parade (though one of our cornet players did play The Last Post for the Royal British Legion) or Christmas Concerns.

Despite this, the band provided much needed Christmas cheer by carolling in the streets around Sidmouth; something that the Band and members of the public all enjoyed. The band also put together recordings to send out to friends of the band who were missing the concerts. These were put together digitally, with each player sending in an individual recording.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Band retains reserves to enable instruments, music and other essential equipment to be replaced as necessary.

In addition, the Band is currently saving for the refurbishment and upgrade work to the new Band Room. At present these funds are held within a separate restricted reserve

Details of any funds materially in deficit

There are no funds in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Band has spent money to enable it to provide free education and concerts as well as spending money on the new rehearsal facility. During Lockdown, 2 members of the band gave their time for free to help this project, and we are very grateful to them for this.

The Band does not currently make any investments.
