TRUSTEES' REPORT

The Trustees' of the Isle of Wight Foundation (the 'Foundation') present their report and accounts for the year ended 31 December 2024

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Memorandum and Articles of Association, the provisions available to small companies (Section 419 (2) of the Companies Act 2006) and the Statement of Recommended Practice: Accounting and Reporting by Charities, (FRS 102) (applicable January 2019).

Constitution

The Foundation was incorporated on the 16 December 2013, as a company limited by guarantee, and registered as a charity with the Charity Commission in England and Wales.

The Foundation is governed by its Memorandum and also a set of bye-laws setting out how it is to be governed. In the event of an insolvent winding up, its member organisations are liable to contribute a sum not exceeding £10.

Objectives of the charity

The objectives of the charity are to:

- (i) support social inclusion;
- (ii) support access to employment;
- (iii) support activities and projects that will be supportive for achieving public benefit aims followed by the Foundation;
- (iii) support activities and projects that will be supportive for achieving public benefit aims followed by the Foundation;
- (iv) support organisations that offer training and guidance, helping individuals with no qualifications into the working world;
- (v) promote solidarity within the community;
- (vi) help newly-founded or developing structures aimed at enabling those shut out of the job market to (re)adapt to the working world, while also receiving the training and socio-professional support they need;
- (vii) support initiatives aimed at improving access to means of transport, thus helping people to access the job market;
- (viii) support initiatives aimed at promoting citizenship, collective responsibility and providing young people with the framework for living in society;

TRUSTEES' REPORT (continued)

Objectives of the charity (continued)

- (ix) promote structures set up to help people in situations of exclusion to regain self-confidence and become reacquainted with normal life;
- (x) encourage organisations which facilitate access to housing for the most underprivileged individuals so as to enable them to return to a stable situation; and
- (xi) support other types of projects aiming at combating all forms of exclusion.

Trustees

Robert Gillespie	(Island Roads Services Ltd)	
John Sunderland	(Ringway Island Roads Ltd)	
Arnaud Judet	(VINCI Highways UK Ltd)	
Emma Scott	(Meridiam Infrastructure Managers S.a.r.l)	resigned 24 January 2025
Victoria Martinez	(Meridiam Infrastructure Managers S.a.r.l)	appointed 2 September 2025

The trustees are also the directors of the charitable company for company law purposes.

Structure, governance and management

The Foundation is comprised of four members who represent related parties of the investors, sub-contractors and the project company of Island Roads Services Ltd, a 25-year PFI scheme responsible for the maintenance and operation of the Isle of Wight road network. The members are VINCI Highways UK Ltd, Meridiam Infrastructure Managers S.a.r.l, Ringway Island Roads Ltd and Island Roads Services Ltd. A Trustee is appointed to the Foundation from each member organisation. At incorporation the Trustees approved a set of bye-laws which determine the objectives of the company and how it will be operated and managed.

As per the bye-laws, Robert Gillespie (an employee of Vinci Highways UK Ltd) was appointed as Chairman and Samantha O'Rourke (an employee of Ringway Island Roads Ltd) was appointed as Foundation Supervisor.

During the year, the Foundation invites applicants for grants via advertisements in the local media. The Foundation Supervisor arranges an evaluation committee, including independent external specialists, to review all grant applications. All applications that meet the objectives of the Foundation are reviewed by the committee and recommendations made to the Trustees. The Trustees will meet to review the evaluation committee recommendations. Once approved, the Foundation Supervisor will advise the successful applicants, arrange partnerships agreements to be documented and signed, obtain authorisation from the Chairman for payment and forward the approved documents to Fulcrum Infrastructure Management Ltd. who will arrange payment to the successful applicants.

Trustees are appointed by the founding organisations of the Foundation. Trustee training and induction is provided.

TRUSTEES' REPORT (continued)

Financial review

The Foundation has operated with the donations received from the founding entities and has made grant payments totalling £85,414 (2023: £86,128) to the local community. After meeting governance and independent examination costs, the surplus of £908 (2023: £9,569 deficit) was funded from general reserves. Funding comes from the member organisation donations in line with an agreement.

Public benefit

In setting our objectives and planning our annual activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Reserves policy

The Foundation is supported by its founding members and has minimal administrative costs, and currently no financial commitments. The Trustees therefore have no immediate need to build up any reserves and can budget to maximise the use of funds for the Isle of Wight community.

Risk management

The Trustees have evaluated and considered the impact of identifiable risks that the Foundation face and have policies in place to mitigate these.

Trustees' responsibilities

The Trustees, who are also the directors of the Isle of Wight Foundation for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the foundation and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the foundation will continue in operation.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024 (continued)

TRUSTEES' REPORT (continued)

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf:

**INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF THE ISLE OF WIGHT FOUNDATION
FOR THE YEAR ENDED 31 DECEMBER 2024**

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2024 which are set out on pages 8 to 16.

This report is made solely to the charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirement of the Companies Act 2006 ('the 2006 Act')

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charities Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- 2 the accounts do not accord with those records; or
- 3 the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4 the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

ISLE OF WIGHT FOUNDATION

**INDEPENDENT EXAMINER'S REPORT (continued)
TO THE TRUSTEES OF THE ISLE OF WIGHT FOUNDATION
FOR THE YEAR ENDED 31 DECEMBER 2024**

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING

a) Accounting policies

The Isle of Wight Foundation is a company limited by guarantee, registered in England and Wales. In the event of the Foundation being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given on page 1 of these financial statements. The objects of the Foundation are disclosed in the Trustees' Report on pages 2 to 4.

The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) (effective January 2019), the Charities Act 2011, Companies Act 2006 and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Fund accounting

Unrestricted income (or general) funds are available for use at the discretion of the Trustees in the furtherance of the objectives of the Foundation.

All incoming funds and resources expended are reflected in the statement of financial activities, with no netting off.

c) Income recognition policies

All incoming resources are included in the statement of financial activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Voluntary income is received by way of donations, legacies and gifts and is included in full in the statement of financial activities when the charity has control over the income, any conditions placed are met, the receipt is probable, and that it can be measured reliably.
- Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant and as the charity earns the right to income through delivery of service.

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING (continued)

c) Income recognition policies (continued)

- Donated services and facilities (gifts in kind) are included at the value to the charity only where this can be quantified.
- Investment income is included when received

d) Resources expended

Expenditure is recognised when there is a legal or constructive obligation to transfer an economic benefit on a third party, it is probably that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. All costs are shown in full and no netting off with income occurs. Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting donations and other voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include independent examination fees and costs linked to the strategic management of the entity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis. Salaries are allocated by reviewing time spent by each employee on the activities and attributing cost accordingly.

e) Allocation of support costs and governance

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Costs are attributed to charitable activities on the basis that this is the main activity, and there are minimal costs attributable to fundraising. Governance includes independent examination and any costs in connection with running the Trustees, and this is also allocated to the main activity as shown in note 5.

f) Grants payable

These are included in the accounts where a commitment has been made and there are no conditions to be met relating to the grant which remain in control of the charity.

g) Debtors

Trade and other debtors are recognised at the settlement amount due.

NOTES TO THE ACCOUNTS (continued)
FOR THE YEAR ENDED 31 DECEMBER 2024

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING (continued)

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount can be measured reliably.

i) Financial assets and liabilities

The Isle of Wight Foundation only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

j) Taxation

No corporation tax has been provided in these accounts because the income of the charity is within the exemption granted by Section 505 of the Income and Corporation Taxes Act 1988 to the extent that these funds are applied to charitable objects.

k) Judgement and key sources of uncertainty

There are no major judgements or assumptions relating to estimates that are required to be disclosed in the preparation of these financial statements.

l) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Foundation to be able to continue as a going concern.

All applications that meet the objectives of the Foundation are reviewed by the committee and recommendations made to the Trustees. The Trustees will meet to review the evaluation committee recommendations. Once approved the Foundation Supervisor will advise the successful applicants, arrange partnership agreements to be documented and signed, obtain authorisation from the Chairman for payment and forward the approved documents to Fulcrum Infrastructure Management Ltd. who will arrange payment to the successful applicants.

Trustees are appointed by the founding organisations of the Foundation. Trustee training and induction is provided.

Financial review

The Foundation has operated with the donations received from the founding entities and has made grant payments totalling £86,128 (2022: £92,212) to the local community. After meeting governance and independent examination costs, the deficit of £9,569 (2022: £4,308) was deducted from general reserves. Funding comes from the member organisation donations in line with an agreement.

Public benefit

In setting our objectives and planning our annual activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Reserves policy

The Foundation is supported by its founding members and has minimal administrative costs, and currently no financial commitments. The Trustees therefore have no immediate need to build up any reserves and can budget to maximise the use of funds for the Isle of Wight community.

Risk management

The Trustees have evaluated and considered the impact of identifiable risks that the Foundation faces and have policies in place to mitigate these.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2023 (Continued)

Trustees' responsibilities

The Trustees are required to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the trust as at the end of the accounting period and of the surplus or deficit of the trust for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ISLE OF WIGHT FOUNDATION FOR THE YEAR ENDED 31 DECEMBER 2023

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2023 which are set out on pages 6 to 13.

This report is made solely to the charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2023

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING

a) Accounting policies

The Isle of Wight Foundation is a company limited by guarantee, registered in England and Wales. In the event of the Foundation being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given on page 1 of these financial statements. The objects of the Foundation are disclosed in the Trustees' Report on pages 2 to 4.

The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, Companies Act 2006, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Fund accounting

Unrestricted income (or general) funds are available for use at the discretion of the Trustees in furtherance of the objectives of the Foundation.

Designated funds are funds which have been set aside at the discretion of the Trustees to help finance specific projects.

All incoming funds and resources expended are reflected in the statement of financial activities, with no netting off.

c) Income recognition policies

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations, legacies and gifts and is included in full in the statement of financial activities when the charity has control over the income, any conditions placed are met, the receipt is probable, and that it can be measured reliably.

Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant and as the charity earns the right to income through delivery of services.

Donated services and facilities (gifts in kind) are included at the value to the charity only where this can be quantified. The value of services provided by Fulcrum Infrastructure Management Ltd has not been included in these accounts. The prior year income and expenditure has been restated to include donated gifts in kind of £14,000. This has no impact on the net movement in funds.

Investment income is included when received.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2023

d) Resources expended

Expenditure is recognised on an accruals basis as the liability is incurred. All costs are shown in full and no netting off with income occurs. Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting donations and other voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the entity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis. Salaries are allocated by reviewing time spent by each employee on the activities and attributing cost accordingly.

e) Allocation of support costs and governance

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Costs are allocated to charitable activities on the basis that this is the main activity, and there are minimal costs attributable to fundraising. Governance includes independent examination and any costs in connection with running the Trustees, and this is also allocated to the main activity as shown in note 4.

f) Grants payable

These are included in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in control of the charity.

g) Debtors

Trade and other debtors are recognised at the settlement amount due.

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount can be measured reliably.

i) Financial assets and liabilities

The Isle of Wight Foundation only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

j) Taxation

No corporation tax has been provided in these accounts because the income of the charity is within the exemption granted by Section 505 of the Income and Corporation Taxes Act 1988 to the extent that these funds are applied to charitable objects.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2023

k) Judgement and key sources of uncertainty

There are no major judgements or assumptions relating to estimates that are required to be disclosed in the preparation of these financial statements.

l) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Foundation to be able to continue as a going concern.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022

TRUSTEES' REPORT

The Trustees of Isle of Wight Foundation (the "Foundation") present their report and accounts for the year ended 31 December 2022.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Memorandum and Articles of Association, the provisions available to small companies (Section 419(2) of the Companies Act 2006) and the Statement of Recommended Practice: Accounting and Reporting by Charities, (FRS 102) (applicable January 2016).

Constitution

The Foundation was incorporated on 6 December 2013, as a company limited by guarantee, and registered as a charity with the Charity Commission in England and Wales.

The Foundation is governed by its Memorandum, and also a set of bye-laws setting out how it is to be governed. In the event of an insolvent winding up its member organisations are liable to contribute a sum not exceeding £10.

Objectives of the charity

The objectives of the charity are:

- (i) support social inclusion;
- (ii) support access to employment;
- (iii) support activities and projects that will be supportive for achieving public benefit aims followed by the Foundation;
- (iv) support organisations that offer training and guidance, helping individuals with no qualifications into the working world;
- (v) promote solidarity within the community;
- (vi) help newly-founded or developing structures aimed at enabling those shut out of the job market to (re)adapt to the working world, while also receiving the training and socio-professional support they need;
- (vii) support initiatives aimed at improving access to means of transport, thus helping people to access the job market;
- (viii) support initiatives aimed at promoting citizenship, collective responsibility and providing young people with the framework for living in society;
- (ix) promote structures set up to help people in situations of exclusion to regain self-confidence and become reacquainted with normal life;
- (x) encourage organisations which facilitate access to housing for the most underprivileged individuals so as to enable them to return to a stable situation; and
- (xi) support other types of projects aiming at combating all forms of exclusion.

Trustees

Robert Gillespie (Island Roads Services Ltd)

John Sunderland (Ringway Island Roads Ltd)

The Trustees are also the directors of the charitable company for company law purposes.

ISLE OF WIGHT FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2022 (Continued)

Structure, governance and management

The Foundation is comprised of four members who represent related parties of the investors, sub-contractors and the project company of Island Roads Services Ltd, a 25 year PFI scheme responsible for the maintenance and operation of the Isle of Wight road network. The members are VINCI Highways UK Ltd, Meridiam Infrastructure Managers S.a.r.l., Ringway Island Roads Ltd and Island Roads Services Ltd. A Trustee is appointed to the Foundation from each member organisation. At incorporation the Trustees approved a set of bye-laws which determine the objectives of the company and how it will be operated and managed.

As per the bye-laws, Robert Gillespie (an employee of Vinci Highways UK Ltd) was appointed as Chairman and Samantha O'Rourke (an employee of Ringway Island Roads Ltd) was appointed as Foundation Supervisor.

During the year the Foundation invites applications for grants via advertisements in the local media. The Foundation Supervisor arranges an evaluation committee, including independent external specialists, to review all grant applications. All applications that meet the objectives of the Foundation are reviewed by the committee and recommendations made to the Trustees. The Trustees will meet to review the evaluation committee recommendations. Once approved the Foundation Supervisor will advise the successful applicants, arrange partnership agreements to be documented and signed, obtain authorisation from the Chairman for payment and forward the approved documents to Fulcrum Infrastructure Management Ltd who will arrange payment to the successful applicants.

Trustees are appointed by the founding organisations of the Foundation. Trustee training and induction is provided.

Financial review

The Foundation has operated with the donations received from the founding entities and has made grant payments totalling £92,212 (2021: £85,297) to the local community. After meeting governance and independent examination costs, the deficit of £4,308 (2021: £8,469) was deducted from general reserves. Funding comes from the member organisation donations in line with an agreement.

Public benefit

In setting our objectives and planning our annual activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Reserves policy

The Foundation is supported by its founding members and has minimal administrative costs, and currently no financial commitments. The Trustees therefore have no immediate need to build up any reserves and can budget to maximise the use of funds for the Isle of Wight community.

Risk management

The Trustees have evaluated and considered the impact of identifiable risks that the Foundation faces and have policies in place to mitigate these.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ISLE OF WIGHT FOUNDATION FOR THE YEAR ENDED 31 DECEMBER 2022

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2022 which are set out on pages 6 to 13.

This report is made solely to the charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The address of the registered office is given on page 1 of these financial statements. The objects of the Foundation are disclosed in the Trustees' Report on pages 2 to 4.

The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, Companies Act 2006, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Fund accounting

Unrestricted income (or general) funds are available for use at the discretion of the Trustees in furtherance of the objectives of the Foundation.

Designated funds are funds which have been set aside at the discretion of the Trustees to help finance specific projects.

All incoming funds and resources expended are reflected in the statement of financial activities, with no netting off.

c) Income recognition policies

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations, legacies and gifts and is included in full in the statement of financial activities when the charity has control over the income, any conditions placed are met, the receipt is probable, and that it can be measured reliably.

Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant and as the charity earns the right to income through delivery of services.

Donated services and facilities (gifts in kind) are included at the value to the charity only where this can be quantified. The value of services provided by Fulcrum Infrastructure Management Ltd has not been included in these accounts.

Investment income is included when received.

d) Resources expended

Expenditure is recognised on an accruals basis as the liability is incurred. All costs are shown in full and no netting off with income occurs. Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting donations and other voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the entity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis. Salaries are allocated by reviewing time spent by each employee on the activities and attributing cost accordingly.

e) Allocation of support costs and governance

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Costs are allocated to charitable activities on the basis that this is the main activity, and there are minimal costs attributable to fundraising. Governance includes independent examination and any costs in connection with running the Trustees, and this is also allocated to the main activity as shown in note 4.

f) Grants payable

These are included in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in control of the charity.

g) Debtors

Trade and other debtors are recognised at the settlement amount due.

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount can be measured reliably.

i) Financial assets and liabilities

The Isle of Wight Foundation only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

j) Taxation

No corporation tax has been provided in these accounts because the income of the charity is within the exemption granted by Section 505 of the Income and Corporation Taxes Act 1988 to the extent that these funds are applied to charitable objects.

k) Judgement and key sources of uncertainty

There are no major judgements or assumptions relating to estimates that are required to be disclosed in the preparation of these financial statements.

l) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Foundation to be able to continue as a going concern.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

TRUSTEES' REPORT

The Trustees of Isle of Wight Foundation (the "Foundation") present their report and accounts for the year ended 31 December 2021.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Memorandum and Articles of Association, the provisions available to small companies (Section 419(2) of the Companies Act 2006) and the Statement of Recommended Practice: Accounting and Reporting by Charities, (FRS 102) (applicable January 2016).

Constitution

The Foundation was incorporated on 6 December 2013, as a company limited by guarantee, and registered as a charity with the Charity Commission in England and Wales.

The Foundation is governed by its Memorandum, and also a set of bye-laws setting out how it is to be governed. In the event of an insolvent winding up its member organisations are liable to contribute a sum not exceeding £10.

Objectives of the charity

The objectives of the charity are:

- (i) support social inclusion;
- (ii) support access to employment;
- (iii) support activities and projects that will be supportive for achieving public benefit aims followed by the Foundation;
- (iv) support organisations that offer training and guidance, helping individuals with no qualifications into the working world;
- (v) promote solidarity within the community;
- (vi) help newly-founded or developing structures aimed at enabling those shut out of the job market to (re)adapt to the working world, while also receiving the training and socio-professional support they need;
- (vii) support initiatives aimed at improving access to means of transport, thus helping people to access the job market;
- (viii) support initiatives aimed at promoting citizenship, collective responsibility and providing young people with the framework for living in society;
- (ix) promote structures set up to help people in situations of exclusion to regain self-confidence and become reacquainted with normal life;
- (x) encourage organisations which facilitate access to housing for the most underprivileged individuals so as to enable them to return to a stable situation; and
- (xi) support other types of projects aiming at combating all forms of exclusion.

The Trustees are also the directors of the charitable company for company law purposes.

ISLE OF WIGHT FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021 (Continued)

Structure, governance and management

The Foundation is comprised of four members who represent related parties of the investors, sub-contractors and the project company of Island Roads Services Ltd, a 25 year PFI scheme responsible for the maintenance and operation of the Isle of Wight road network. The members are VINCI Concessions UK Ltd, Meridiam Infrastructure Managers S.a.r.l., Ringway Island Roads Ltd and Island Roads Services Ltd. A Trustee is appointed to the Foundation from each member organisation. At incorporation the Trustees approved a set of bye-laws which determine the objectives of the company and how it will be operated and managed.

As per the bye-laws, Robert Gillespie (an employee of Vinci Concessions UK Ltd) was appointed as Chairman and Samantha O'Rourke (an employee of Ringway Island Roads Ltd) was appointed as Foundation Supervisor.

During the year the Foundation invites applications for grants via advertisements in the local media. The Foundation Supervisor arranges an evaluation committee, including independent external specialists, to review all grant applications. All applications that meet the objectives of the Foundation are reviewed by the committee and recommendations made to the Trustees. The Trustees will meet to review the evaluation committee recommendations. Once approved the Foundation Supervisor will advise the successful applicants, arrange partnership agreements to be documented and signed, obtain authorisation from the Chairman for payment and forward the approved documents to Fulcrum Infrastructure Management Ltd who will arrange payment to the successful applicants.

Trustees are appointed by the founding organisations of the Foundation. Trustee training and induction is provided.

Financial review

The Foundation has operated with the donations received from the founding entities and has made grant payments totalling £85,297 (2020: £83,560) to the local community. After meeting governance and independent examination costs, the deficit of £8,469 (2020: surplus £8,105) was deducted from general reserves. Funding comes from the member organisation donations in line with an agreement.

Public benefit

In setting our objectives and planning our annual activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Reserves policy

The Foundation is supported by its founding members and has minimal administrative costs, and currently no financial commitments. The Trustees therefore have no immediate need to build up any reserves and can budget to maximise the use of funds for the Isle of Wight community.

Risk management

The Trustees have evaluated and considered the impact of identifiable risks that the Foundation faces and have policies in place to mitigate these.

ISLE OF WIGHT FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021 (Continued)

Trustees' responsibilities

The Trustees are required to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the trust as at the end of the accounting period and of the surplus or deficit of the trust for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ISLE OF WIGHT FOUNDATION FOR THE YEAR ENDED 31 DECEMBER 2021

I report on the accounts for the year ended 31 December 2021 set out on pages 6 to 13.

This report is made solely to the charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of Trustees and Examiner

The Trustees who are also the directors of the Isle of Wight Foundation for the purpose of company law are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes a consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING

a) Accounting policies

The Isle of Wight Foundation is a company limited by guarantee, registered in England and Wales. In the event of the Foundation being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given on page 1 of these financial statements. The objects of the Foundation are disclosed in the Trustees' Report on pages 2 to 4.

The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, Companies Act 2006, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Fund accounting

Unrestricted income (or general) funds are available for use at the discretion of the Trustees in furtherance of the objectives of the Foundation.

Designated funds are funds which have been set aside at the discretion of the Trustees to help finance specific projects.

All incoming funds and resources expended are reflected in the statement of financial activities, with no netting off.

Pan Together. This donation funded the creation of a 'community fridge' where surplus / just in-date food from supermarkets is available free to local people to come and help themselves around the clock. The project is aimed at local residents who are struggling to feed their families.	15,561
Ryde Sea Cadets. The project funded is for 10 swimming pool sessions to deliver water-based training to the sea cadets, aged 10 to 18, in order to gain confidence and understanding of safety in the water in a controlled environment.	3,115
Sandown & Shanklin Independent Lifeboat. The application was for funding toward the replacement of the lifeboat station roof. The costs are for scaffolding, removal of the existing roof and replacement including pipes and fixings.	7,156
St Helens Community Centre. The community centre applied for funding to purchase new furniture to enable the safer running of the centre for a wider group of users.	4,659
The Common Space. Funding to create a new public garden to enhance the area for residents and visitors alike, create volunteering opportunities and horticultural and environmental training content. The garden will then be used to support the Discovery Bay programme of free wildlife events and activities in The Bay.	5,000
The Phoenix Project. The charity wants to provide more sessions at Wood 'n' Things and have identified new equipment which will allow them to have more people working on projects and will keep the workshop safe.	5,306
Wessex Cancer Trust. Funding to cover the lease payments in 2022, insurance and tax for both vehicles and a contingency fund to cover any maintenance during the year.	12,852
Wight Search & Rescue. The project funded was for a new Incident Control Vehicle which is vital to the organisation's operations as it is the main hub for any live search. It acts as a mobile office allowing search planners to work with police to identify search areas and deploy search teams.	16,000

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020

TRUSTEES' REPORT

The Trustees of Isle of Wight Foundation (the "Foundation") present their report and accounts for the year ended 31 December 2020.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the Foundation's Memorandum and Articles of Association, the provisions available to small companies (Section 419(2) of the Companies Act 2006) and the Statement of Recommended Practice: Accounting and Reporting by Charities, (FRS 102) (applicable January 2016).

Constitution

The Foundation was incorporated on 6 December 2013, as a company limited by guarantee, and registered as a charity with the Charity Commission in England and Wales.

The Foundation is governed by its Memorandum, and also a set of bye-laws setting out how it is to be governed. In the event of an insolvent winding up its member organisations are liable to contribute a sum not exceeding £10.

Objectives of the charity

The objectives of the charity are:

- (i) support social inclusion;
- (ii) support access to employment;
- (iii) support activities and projects that will be supportive for achieving public benefit aims followed by the Foundation;
- (iv) support organisations that offer training and guidance, helping individuals with no qualifications into the working world;
- (v) promote solidarity within the community;
- (vi) help newly-founded or developing structures aimed at enabling those shut out of the job market to (re)adapt to the working world, while also receiving the training and socio-professional support they need;
- (vii) support initiatives aimed at improving access to means of transport, thus helping people to access the job market;
- (viii) support initiatives aimed at promoting citizenship, collective responsibility and providing young people with the framework for living in society;
- (ix) promote structures set up to help people in situations of exclusion to regain self-confidence and become reacquainted with normal life;
- (x) encourage organisations which facilitate access to housing for the most underprivileged individuals so as to enable them to return to a stable situation; and
- (xi) support other types of projects aiming at combating all forms of exclusion.

Trustees

Robert Gillespie (Island Roads Services Ltd)	- previously Trustee for Ringway Island Roads Ltd.
Philip Horton (Island Roads Services Ltd)	- resigned 01 July 2021
John Sunderland (Ringway Island Roads Ltd)	- appointed 01 July 2021
Arnaud Judet (VINCI Concessions UK Ltd)	
Emma Scott (Meridiam Infrastructure Managers S.a.r.l.)	

The Trustees are also the directors of the charitable company for company law purposes.

ISLE OF WIGHT FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020 (Continued)

Structure, governance and management

The Foundation is comprised of four members who represent related parties of the investors, sub-contractors and the project company of Island Roads Services Ltd, a 25 year PFI scheme responsible for the maintenance and operation of the Isle of Wight road network. The members are VINCI Concessions UK Ltd, Meridiam Infrastructure Managers S.a.r.l., Ringway Island Roads Ltd and Island Roads Services Ltd. A Trustee is appointed to the Foundation from each member organisation. At incorporation the Trustees approved a set of bye-laws which determine the objectives of the company and how it will be operated and managed.

As per the bye-laws, Robert Gillespie (an employee of Vinci Concessions UK Ltd) was appointed as Chairman and Samantha O'Rourke (an employee of Ringway Island Roads Ltd) was appointed as Foundation Supervisor.

During the year the Foundation invites applications for grants via advertisements in the local media. The Foundation Supervisor arranges an evaluation committee, including independent external specialists, to review all grant applications. All applications that meet the objectives of the Foundation are reviewed by the committee and recommendations made to the Trustees. The Trustees will meet to review the evaluation committee recommendations. Once approved the Foundation Supervisor will advise the successful applicants, arrange partnership agreements to be documented and signed, obtain authorisation from the Chairman for payment and forward the approved documents to Fulcrum Infrastructure Management Ltd who will arrange payment to the successful applicants.

Trustees are appointed by the founding organisations of the Foundation. Trustee training and induction is provided.

Financial review

The Foundation has operated with the donations received from the founding entities and has made grant payments totalling £83,560 (2019: £84,726) to the local community. After meeting governance and independent examination costs, the surplus of £8,105 (2019: £2,959) was added to general reserves. Funding comes from the member organisation donations in line with an agreement.

Public benefit

In setting our objectives and planning our annual activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Reserves policy

The Foundation is supported by its founding members and has minimal administrative costs, and currently no financial commitments. The Trustees therefore have no immediate need to build up any reserves and can budget to maximise the use of funds for the Isle of Wight community.

Risk management

The Trustees have evaluated and considered the impact of identifiable risks that the Foundation faces and have policies in place to mitigate these.

ISLE OF WIGHT FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2020 (Continued)

Trustees' responsibilities

The Trustees are required to prepare financial statements for each financial period which give a true and fair view of the state of the affairs of the trust as at the end of the accounting period and of the surplus or deficit of the trust for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on a going concern basis.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the trust. They are also responsible for safeguarding the assets of the trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees and signed on their behalf:

Robert Gillespie, Trustee

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF ISLE OF WIGHT FOUNDATION FOR THE YEAR ENDED 31 DECEMBER 2020

I report on the accounts for the year ended 31 December 2020 set out on pages 6 to 13.

This report is made solely to the charity's Trustees, as a body, in accordance with Chapter 3 of Part 8 of the Charities Act 2011. My examination has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my examination, for this report, or for the opinions I have formed.

Respective responsibilities of Trustees and Examiner

The Trustees who are also the directors of the Isle of Wight Foundation for the purpose of company law are responsible for the preparation of the accounts. The Trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes a consideration of any unusual items or disclosures in the accounts, and seeking explanations from the Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Accounting and Reporting by Charities have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS FOR THE YEAR ENDED 31 DECEMBER 2020

1. GENERAL INFORMATION AND BASIS OF ACCOUNTING

a) Accounting policies

The Isle of Wight Foundation is a company limited by guarantee, registered in England and Wales. In the event of the Foundation being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity. The address of the registered office is given on page 1 of these financial statements. The objects of the Foundation are disclosed in the Trustees' Report on pages 2 to 4.

The Foundation constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom (FRS 102), the Charities Act 2011, Companies Act 2006, and UK Generally Accepted Accounting Practice.

The financial statements are prepared on a going concern basis under the historical cost convention. The financial statements are prepared in sterling which is the functional currency of the charity and rounded to the nearest £1.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

b) Fund accounting

Unrestricted income (or general) funds are available for use at the discretion of the Trustees in furtherance of the objectives of the Foundation.

Designated funds are funds which have been set aside at the discretion of the Trustees to help finance specific projects.

All incoming funds and resources expended are reflected in the statement of financial activities, with no netting off.

c) Income recognition policies

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of donations, legacies and gifts and is included in full in the statement of financial activities when the charity has control over the income, any conditions placed are met, the receipt is probable, and that it can be measured reliably.

Grants, where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant and as the charity earns the right to income through delivery of services.

Donated services and facilities (gifts in kind) are included at the value to the charity only where this can be quantified. The value of services provided by Fulcrum Infrastructure Management Ltd has not been included in these accounts.

Investment income is included when received.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2020

d) Resources expended

Expenditure is recognised on an accruals basis as the liability is incurred. All costs are shown in full and no netting off with income occurs. Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting donations and other voluntary income.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees and costs linked to the strategic management of the entity.

All costs are allocated between the expenditure categories of the statement of financial activities on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis. Salaries are allocated by reviewing time spent by each employee on the activities and attributing cost accordingly.

e) Allocation of support costs and governance

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Costs are allocated to charitable activities on the basis that this is the main activity, and there are minimal costs attributable to fundraising. Governance includes independent examination and any costs in connection with running the Trustees, and this is also allocated to the main activity as shown in note 4.

f) Grants payable

These are included in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in control of the charity.

g) Debtors

Trade and other debtors are recognised at the settlement amount due.

h) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party, and the amount can be measured reliably.

i) Financial assets and liabilities

The Isle of Wight Foundation only has financial assets and liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

j) Taxation

No corporation tax has been provided in these accounts because the income of the charity is within the exemption granted by Section 505 of the Income and Corporation Taxes Act 1988 to the extent that these funds are applied to charitable objects.

ISLE OF WIGHT FOUNDATION

NOTES TO THE ACCOUNTS (continued) FOR THE YEAR ENDED 31 DECEMBER 2020

k) Judgement and key sources of uncertainty

There are no major judgements or assumptions relating to estimates that are required to be disclosed in the preparation of these financial statements.

l) Going concern

The financial statements have been prepared on a going concern basis as the Trustees believe that no material uncertainties exist. The Trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the Foundation to be able to continue as a going concern.
