Linked to this, the charity maintains trustees' management liability insurance cover.

## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

To promote sustainable development for the benefit of the public by:

- a. the preservation, conservation and the protection of the environment and the prudent use of resources;
- b. the promotion of sustainable means of achieving economic growth and regeneration.

To promote for the benefit of the public the conservation, protection and improvement of the physical and natural environment by promoting protection of heritage assets and biological diversity.

To advance the education of the public in subjects relating to sustainable development and the protection, enhancement and rehabilitation of the environment, heritage assets and biological diversity and to promote study and research in such subjects provided that the useful results of such study are disseminated to the public at large.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In planning our activities, the trustees keep in mind the Charity Commission's guidance on public benefit at our trustee meetings.

Based on what has been achieved in the period in which Lidgett & Beyond has been a charity and over recent years of community activities, the trustees believe that they have complied with their duty to have due regard to the commission's public benefit guidance when exercising any powers or duties to which the guidance is relevant.

Information about the charity's volunteers, its finances and the work undertaken during the period and in preparing for the future is given below.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Lidgett & Beyond's ("L&B") activities rely entirely upon the efforts of a number of enthusiastic and tireless volunteers, who bring a wide range of professional and personal skills and experiences from their current and previous working lives and from their personal lives to help support the work L&B does to promote its objects.

Assisting the trustees is the wider L&B Management Team. The Management Team membership averages 12 people, including the trustees, and it helps to support the fundraising activities, the profile of L&B and the activities around lobbying, campaigning and challenging local politicians and planners. None of the trustees or any Management Team member or supporter received any remuneration for any services provided.

L&B's supporters are drawn from young and old and from a wide range of families from all backgrounds. L&B's overall support base is approx 750, making it the largest community group in the area, and it is donations from these members, grants from Town & Borough Councillors and various fundraising activities that have enabled our involvement in opposing unsustainable planning applications to develop and/or scar the local landscape.

**Summary of the main achievements of the charity during the year**

L&B's aims continue to be to protect, enhance and improve access to the Lidgett and Bents area of East Colne and to our green spaces, as well as having respect for our heritage and our landscape.

L&B remains in favour of suitable, sensitive and sustainable development and continues to play a significant role in helping Colne Town Council to prepare a Neighbourhood Plan. This has involved identifying development sites that can fit in with the existing neighbourhood and landscape, as well as non-designated heritage assets and green spaces which require recognition, extra protection and/or official designation. This Plan developed through 2015-2020 and went out for Regulation 14 Formal Consultation in late 2020. It garnered a lot of support from local people and the Working Group has spent 2021 working on additional evidence and reports to finalise the Plan so that it will be ready for examination by an Inspector in early 2022 as well as the final public referendum in mid-2022.

L&B's Management Team reviewed and commented on the draft Pendle Local Plan, providing information to supporters about the benefits and the risks for our immediate local area and for Borough as a whole.

After the 2016 Appeal for "The Rough", L&B continues to monitor the development activities to ensure they adhere to the Inspector's report, highlighting and reporting issues when they arose to help minimise disruption or effects on local residents. L&B also continued to maintain our profile in the area as a voice for the people against unsustainable and unsuitable planning applications. L&B both objected to and supported a range of local planning applications, especially those in or near the Lidgett & Bents Conservation Area, providing constructive comments to enhance applications so they conform to the necessary high standards.

The Covid pandemic prevented L&B attending its usual markets to sell merchandise. Our range of products will be enhanced in 2021 with a range of greeting cards. These continue to be great for raising the visibility of L&B and its activities, as well as enhancing local bonding/cohesion/unity/common purpose.

L&B continued to promote the "East Colne Way" circular walk, covering the heart of our area of activity and taking in important local sites/landmarks. We designed and installed extra information boards and these help to further strengthen the value of the countryside covered. L&B's Management Team have commenced work on setting up a full Colne Boundary Walk, funded by grants from supportive Borough Councillors.

To maximise visibility of its activities and to maintain the involvement and support of local people, L&B continues to operate a website [www.lidgettandbeyond.co.uk](http://www.lidgettandbeyond.co.uk), Facebook (Lidgett Bents & Beyond) and Twitter (@LidgettandBeyond) pages and maintains an email distribution list. Communications are via all these methods, as well as hard copies of key notices/flyers being delivered door-to-door by volunteers.

## Section E Financial review

### Brief statement of the charity's policy on reserves

At 31/03/2021, the charity had total reserves of £5,529, all unrestricted. Although L&B may become involved in specific projects and campaigns, the trustees believe all reserves should remain unrestricted as such activities do overlap and to maximise flexibility of the charity's finances.

### Details of any funds materially in deficit

None

### Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity.

Funds of £403 were raised from donations and the release of deferred income relating to the East Colne Way. Covid restrictions meant we could not carry out any sales of calendars and merchandise at Colne's Hallowe'en and Christmas markets.

Expenditure was mainly focussed on further development of the East Colne Way as well as our website. These continued to raise the profile of L&B and its activities.

## Section F Other optional information
