Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity’s work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	We are pleased to see that our accounts reflect an increase of incoming funds, especially via our donations and grants stream. 2022 was a life changing year for Staffie and Stray Rescue. We are very sad to announce the passing of our founder, Calli Byrne. It has been hugely challenging for the trustee’s, rehoming team, volunteers, adopters of our services and supporters alike. It has taken some time for us to get back on our feet but we have remained strong as resilient as Calli wanted us to be. We have continued to carry out Calli’s dreams and wishes. Rehoming has been slower due to the huge life change (as

		<p>shown in adoption fee figures), but we are pleased that we are continuing, albeit at a bit of a slower rehoming rate.</p> <p>Calli's passing did see a huge support system with an increase of donations from people who wanted to support Calli's dream of having kennels of her own one day.</p> <p>In this financial year, we have also seen an increase of legacy donations which has largely supported our growth of income.</p>

Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the benefit of the public to relieve the suffering of dogs, in particular Staffordshire bull terriers, in need of care and attention and, in particular, by placing such dogs into foster homes or boarding kennels whilst permanent homes are found for them or other facilities for the reception, care and treatment of such dogs.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Ensuring all potential adopters and fosterers complete an application form, complete a veterinary check to explore previous care of an animal and are also home checked to further confirm suitability. Ensuring all dogs that come through the rescue are seen by a vet. Microchipping, spay/neutering, vaccinations, flea/worming treatment and any other mandatory procedures/medication, all provided by the rescue. Supporting the local authorities and assisting dogs from the pounds/dog wardens etc. Supporting the general public who wish to surrender their dog All activities are supported by personal fundraising and relied upon donations from the public.
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	The trustee's at Staffie and Stray Rescue would like to acknowledge that, as per guidance issued by the Charity Commission, public benefit is very much an important factor when making decisions for the rescue. Contribution made by volunteers	Para 1.38	<p>The trustees at Staffie and Stray Rescue would like to thank the team of volunteers for this hard work during this financial year, during the especially difficult times of the Coronavirus pandemic.</p> <p>Staffie and Stray Rescue minimises volunteer activity and worked with a very small team only to adhere to social distancing and restrictions.</p> <p>With particular thanks to our volunteer transport team, who travelled all over the country during the pandemic to bring in dogs who were in need of the rescues help. Permission letters to travel were given out so that the rescue could continue to carry out their vital work.</p>
Other		<p>The Coronavirus pandemic has helped the rescue to look to other ways of fundraising and different ways of working when current day to day activities were taken out of our hands. We have learned a lot and have made some changes going forward in the way that we work for the better.</p>

Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>Staffie and Stray Rescue are proud to have remained open throughout the pandemic where other animal welfare charities closed their doors.</p> <p>Although significant changes had to be made, the rescue was able to work with the limitations and ensure that dogs in need had a lifeline.</p> <p>Due to the steep increase of people wishing for a dog in lockdown, the application process refined its criteria for people to be eligible to adopt a dog to ensure that applicants were taking on a dog for the right reasons. We have since seen an increase of people wishing to rehome puppies that they have adopted in lockdown, thankfully these are not dogs we have rehomed due to our stricter processes during the pandemic.</p> <p>The team at Staffie and Stray Rescue are very pleased with this year's annual return given the great challenges we have faced surrounding the Coronavirus pandemic. Although we lost a lot through fundraising and our charity shop not being able to open, our campaigns and support following strengthened.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	We are pleased with the charities financial position, particularly compared to previous years, we have shown a significant increase in income for another year. Further, the surplus figure is significantly greater than previous years, where there had been little difference between income and expenditure.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	Staffie and Stray Rescue's reserves are also part of the charities "Kennel Fund", as a long term plan for the rescue is to have our own kennels and centre. At present, this separate account also acts as reserves. In the case of any emergency, the rescue does have untouched funds that they can access.

The charity's principal sources of funds (including any fundraising)	Para 1.47	The charity shop and raising money at various fundraising events is typically our biggest source of income. With lack of both of these during the pandemic, we have been fortunate in gaining additional supporters and more adopters, meaning that donations and adoption fees have provided us with a significant income compared to previous years.
