The Charity Commission

Action For Children Of Agago (“The charity”) is still exploring new avenues to re-energising its activities.

The Charity is in the process of re-organising its internal operation in accordance with set procedure in line with The Charity Commission’s requirements.

The Charity continues to support youth sports projects at PAORINAH school’s Sports Academy.

The Charity also recently supported PAORINAH school in Agago District, Uganda. The support was largely from individual and volunteers who helped raised the necessary finance for the age groups, 11years-16 years.

The Charity intends to use this to restructure to mobilise efforts to continue supporting children in the future. This includes identifying partner charities in the UK and overseas.

The Charity has been having trouble with its Bank Account which was frozen due to lack of activity until recently through the efforts of the Board of Trustees to rectify this. We are now in a position to embark on proper fund-raising strategy in order to move the Charity forward.

Thank you.
