

ACTION FOR CHILDREN OF AGAGO

Annual Report and Accounts File

Charity Number: 1163684

The Charity Commission

Action For Children Of Agago ("The charity") has been moribound and we are now looking at re-energising its activities.

The Charity has also experienced difficulty with its Bank Account which was frozen due to lack of activity but we are now putting efforts to rectify this so as to embark on proper fund raising drive in order to move the Charity forward.

Thank you.

Aldo Okot (Secretary).
