Activities

Objects: THE ADVANCEMENT OF EDUCATION, TO THE PUBLIC GOOD, IN THE DEVELOPING WORLD. WE WILL ACHIEVE THIS BY THE PROVISION OF FUNDING FOR THE EDUCATION OF DISADVANTAGED YOUNG PEOPLE, IN THE DEVELOPING WORLD, WHO WOULD OTHERWISE BE UNABLE TO CONTINUE IN EDUCATION BECAUSE OF LACK OF FINANCE.

Activities: NGCF funds the education of young people in the developing world whose financial circumstances preclude them from secondary and tertiary education. There is a massive need and, as a small charity, we use our limited resources to fund children with the potential to progress to university degree level. We currently fund 43 students in Nigeria and seek to increase this number annually.
