### CHECKS

The Independent Examiner should complete the checklist below.

**\* For these questions, checks should be made on a sample basis of a minimum of 10 transactions selected across the year.**

CHECKS	ANSWER (Yes/No/In Part)	COMMENTS <i>If the answer is No or In Part, use the Comments column to summarise the position and to list Action Points and /or Recommendations</i>
<b>CASH AND CHEQUE RECEIPTS/PROCESSES</b>		
Have receipts been issued for all income received? *	In part	Receipts are not issued for cash/ cheque income collected for sponsored events, non uniform days, raffle tickets etc. Online income can be traced back to a payee.
Has all the income received been entered in the accounting records? *	Yes	No income was identified which had not been included in the accounts
Has the paying in book been completed fully? *	Yes	Only 2 paying slips completed in year. All other receipts via direct credit / PARENTPAY
Have paying in slips been stamped/ initialled by the bank?	Yes	
Do the paying in slips agree to the entries in the accounting records? *	Yes	
<b>PAYMENTS MADE FOR GOODS/SERVICES</b>		
Have the authorised signatories been recorded in the school's Unofficial School Funds Policy or Finance Policy?	Yes	Only 2 signatories on bank mandate. School should consider adding at least one further signatory for practical purposes as 2 signatures are required on all payments
Have all invoices/payment vouchers been signed to demonstrate authorisation by the designated signatories? *	Yes	Expenditure vouchers are filed by cost centre. Found unsigned voucher in locker key section but payment was split between 2 sections and signed docket was in Hardship Fund section
Are there invoices/payment vouchers which match all cheques processed? *	Yes	
Are cheque counterfoils sequential and do they agree to the school's record of the cheque books issued?	Yes	Only 2 cheques raised in the year. Remaining expenditure was by online payments. Printed copies of each online confirmation stored in file.
Have any spoiled/cancelled cheques been retained with the cheque book?	N/A	No cancelled/spoiled cheques

Is all expenditure appropriate and in accordance with the purpose of the fund as recorded in the school's Finance Policy or Unofficial School Funds Policy?	Yes	
Are there corresponding payments related to income received for a specific purpose?	Yes	Received a large donation in the year (£253k) towards the cost of an extension to the school; this extension is no longer proceeding. The donation will now be used to help with a classroom extension plus other capital items. This change of use of the donation has been approved by Hillman Foundation via their portal
Have all the payments been entered in the accounting records? *	Yes	
<b>BANK RECONCILIATION</b>		
Are the bank statements for the full year present (sequential)?	Yes	
Have all the income banked and payments made appeared on the bank statements? *	Yes	
Have regular reconciliations, including a reconciliation at year-end, been carried out between the bank statements and accounting records, and do they show e.g. un-presented cheques/income not banked/bank errors?	Yes	
Is there evidence that all reconciliations have been independently checked by the Headteacher or Bursar?	Yes	
Do the brought forward and carried forward balances at the start and end of the year in the accounting records agree to the bank statement?	Yes	
<b>GENERAL</b>		
Have expenditure, income and balances been compared to the previous year for reasonableness to give assurance over completeness of processing?	Yes	Consistent apart from Income and expenditure re Hillman donation
Is the Annual Statement of Accounts correct for discussion and approval by Governors?	Yes	
<b>ANY OTHER COMMENTS OR RECOMMENDATIONS</b>		
<p>1. VAT - Purchase of minibus and ICT equipment from Hillman donation was paid direct from school fund instead of via Delegated so VAT of more than £7k was not reclaimed.</p> <p>2. The petty cash balance was over £1300 all year. Although there seems to be good control of the petty cash with regular independently reviewed counts, this seems an excessively large balance to hold especially with access to online payments facility.</p> <p>3. School fund policy should be updated to include mention of the Business Money Manager saver account opened after the receipt of the Hillman donation. The policy also states that "Petty cash is checked monthly by the School Business Manager and termly by a Resources Committee Governor" - this 2nd check by Governors is not currently happening. The finance policy needs to be reviewed and updated.</p> <p>4. Recommend tidying up year end balances of on-going income and expenditure accounts (eg bank charges, BMM interest, uniform, voluntary contributions etc) and transferring balances into a general pot. Items held for a specific purpose should be kept separate and only used for that purpose.</p>

(iii) UNOFFICIAL SCHOOL FUNDS - AUDIT CERTIFICATE

SCHOOL NAME: LIMPSFIELD GRANGE SCHOOL	DfE No: 936/7019
---------------------------------------	------------------

**Unofficial School Funds – Audit Certificate for Year Ended 31 August 2024**

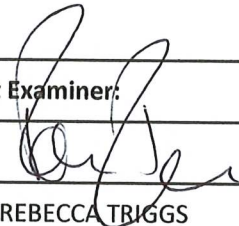

I CERTIFY:

1. That the following is a complete list of funds (other than Governor Funds which are administered as a charity, by Trustees) which, although not the direct responsibility of the Local Authority, were being administered for the benefit of the school and its pupils during the year ended 31 August 2024;

Name of Fund/Account(s)	Purpose of Fund/Account	Amount in Fund/Account as at 31 August 2024
LIMPSFIELD GRANGE SCHOOL - SCHOOL FUND	The aims of the Limpsfield Grange School Fund are to advance and enhance the education of the students of Limpsfield Grange School by providing and assisting in the provision of facilities not required to be provided by Surrey Local Authority under statute.	£243,037.38

2. That the checks on the Unofficial School Funds Audit Checklist have been completed and that, in my opinion, all such funds have been verified as being correct for the accounting year ending 31 August 2024;
3. That an independent person nominated by the governing body has audited these funds. An independent person is someone who is not involved in any way with the management of the Unofficial School Funds and is not related to anyone involved in the management of the funds;
4. That an independent person nominated by the governing body is not a Governor of the School.

		<b>Limpsfield Grange School</b>	
		<b>2020-2021</b>	
		<b>1st September 2020 - 31st August 2021</b>	
<b>Review carried out by</b>		<b>Jacqui Day</b>	
		<b>Answer Yes/No/In Part</b>	<b>Guidelines and additional information please also read the Unofficial Funds Guidance in the Surrey Schools Finance Manual</b>
<b>School Fund Policy</b>			
1	Is there a school fund policy which is reviewed by Governors on a regular basis?	Yes	
2	Does the policy clearly state the objectives of the fund?	Yes	
3	Does the policy clearly state the authorised signatories and the signatory authorisation limits, including a figure over which Governor Approval is required when collected income does not offset cost?	Yes	
<b>General Operational Guidelines</b>			
4	Are the individuals processing the principal accounting records and responsible for the organisation of activities independent of the Fund authorised signatories?	Yes	
5	Are cheques/cash for unofficial funds kept physically separate from other monies?	Yes	Not able to verify as undertaking this review remotely, but has been the case in previous years. Discussion with school assured that procedures are followed
6	Is the bank account used specifically for unofficial funds and kept independent of the local authority?	Yes	
7	Does the school use a recognised accounting package or other suitable method for recording day to day transactions of the fund?	Yes	
8	Retention of Records - are the accounting records of the fund kept in a safe place and retained for the required period of time (7 years)	Yes	Not able to verify as undertaking this review remotely. Discussion with school assured that records are retained and in secure place.
9	Are documents forming the paper records easily understood and retrieved and do they provide a complete picture of the income and expenditure processed through the account?	Yes	
10	Are Cost Centres suitably named and where appropriate easily distinguishable from previous years?	Yes	
11	Does the school have a timely process for the review and closure of Cost Centres that are no longer required?	Yes	
12	Do deleted Cost Centres show a nil balance?	Yes	
13	Are 'perpetual' cost centres regularly reviewed to avoid the build-up of negative balances?	Yes

15	Has all the income received been entered in the accounting records?	Yes	Discussion with school as to how they enter cash onto the system as and when received, although 95% is cashless.
16	Are paying in books accurately completed?	Yes	
17	Is the banking done regularly?	Yes	
18	Are cheques and cash held on the school premises locked away securely preferably in a safe or in a locked drawer under dual control?	Yes	Discussion with school to ascertain locked in safe, in locked cupboard in locked office
19	Do the paying in slips agree to the entries in the accounting records?	Yes	
20	Are all receipts entered in the accounting records in a timely manner?	Yes	
21	Does the school make use of collection cards or an online payment system for trips paid by instalments?	Yes

27	Are all payments entered in the accounting records and in a timely manner?	Yes

29	Is there evidence that where salary payments are made to staff this is done correctly via payroll to account for Tax and National Insurance?	N/A	
30	Are all reimbursements for staff expenses accompanied by appropriate receipts and an expenses claim form?	Yes	
31	Is there evidence that where appropriate purchases have been authorised in advance by Governors?	In Part	<p>£4900 for outdoor seating area was noted in the accounts. The school responded that the £4900 was transferred to the Delegated Budget for a number of separate purchases made for the outdoor seating area as follows:            Bench seats £1790            Picnic tables £1065            Parasols: £363</p> <p>The balance was a contribution to the patio area work which was extended. Therefore it was not a one-off purchase of £4900 which required Governors' approval.</p> <p>Our assessment is that Governors could consider whether the policy needs to be updated to reflect Governor approval being required for either a one off purchase or a one off project over £4000.</p>

Credit Interest Rates	balance	AER variable	Debit Interest Rates	balance	EAR variable
Credit interest is not paid			Debit interest		21.34%

## Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, Bank Account and HSBC Advance). For personal current accounts (excluding Premier and Jade by HSBC Premier) overdraft interest is only charged on arranged overdrawn balances. Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

### Effective from 1 August 2017

#### Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:

- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).

2. This cap covers any:

- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds.

The monthly cap on unarranged overdraft charges for the Bank Account, Current Account, Home Management Account, HSBC Advance Bank Account and Graduate Bank Account is £80.

The monthly cap on unarranged overdraft charges is not applicable to Bank Account Pay Monthly, Basic Bank Account, Student Bank Account, Amanah Bank Account and MyAccount as these accounts do not incur unarranged overdraft charges.

The introduction of the Monthly Maximum Charge will not affect any charging period that ended prior to 1st August 2017. Any notification of charges that are generated on or after 1st August 2017 will incorporate the new Monthly Maximum Charge cap.

**The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.**

#### Your debit card

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

For non-Sterling (foreign currency) transactions we will charge a fee of 2.75% of the amount of the transaction. This fee will be shown as a separate line on your statement as a 'Non-Sterling Transaction Fee'.

Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciiom.hsbc.com](http://ciiom.hsbc.com) (Channel Islands and Isle of Man customers) or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

For cash machine withdrawals in a currency other than sterling we will charge a Non Sterling Cash Fee of 2% (minimum £1.75, maximum £5). This fee applies to all cash machines outside the UK, Channel Islands and the Isle of Man and to cash machines in the UK, Channel Islands and Isle of Man if we convert the withdrawal to Sterling for you. HSBC Advance customers are exempt from this fee.

Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

#### Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

#### The following references apply to all customers

##### Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Channel Islands Financial Ombudsman in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Please contact your branch for further details.

##### Telephone Banking Service

Customer representatives are available from 8am – 10pm everyday and 24 hours a day for HSBC Advance customers. Calls may be monitored or recorded for quality purposes. Alternatively for all your banking needs go to [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciiom.hsbc.com](http://ciiom.hsbc.com) (Channel Islands and Isle of Man customers).

##### Disabled Customers

**We offer a number of services such as statements in Braille or large print. Please contact us to let us know how we can serve you better.**

Credit Interest Rates	balance	AER variable	Debit Interest Rates	balance	EAR variable
Credit interest is not paid			Debit interest		21.34%

## Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, Bank Account and HSBC Advance). For personal current accounts (excluding Premier and Jade by HSBC Premier) overdraft interest is only charged on arranged overdrawn balances. Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

### Effective from 1 August 2017

#### Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:

- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).

2. This cap covers any:

- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds.

The monthly cap on unarranged overdraft charges for the Bank Account, Current Account, Home Management Account, HSBC Advance Bank Account and Graduate Bank Account is £80.

The monthly cap on unarranged overdraft charges is not applicable to Bank Account Pay Monthly, Basic Bank Account, Student Bank Account, Amanah Bank Account and MyAccount as these accounts do not incur unarranged overdraft charges.

The introduction of the Monthly Maximum Charge will not affect any charging period that ended prior to 1st August 2017. Any notification of charges that are generated on or after 1st August 2017 will incorporate the new Monthly Maximum Charge cap.

**The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.**

#### Your debit card

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

For non-Sterling (foreign currency) transactions we will charge a fee of 2.75% of the amount of the transaction. This fee will be shown as a separate line on your statement as a 'Non-Sterling Transaction Fee'.

Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciiom.hsbc.com](http://ciiom.hsbc.com) (Channel Islands and Isle of Man customers) or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

For cash machine withdrawals in a currency other than sterling we will charge a Non Sterling Cash Fee of 2% (minimum £1.75, maximum £5). This fee applies to all cash machines outside the UK, Channel islands and the Isle of Man and to cash machines in the UK, Channel Islands and Isle of Man if we convert the withdrawal to Sterling for you. HSBC Advance customers are exempt from this fee.

Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

#### Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

#### The following references apply to all customers

##### Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. If you do not take up your problem with us first you will not be entitled to complain to the Ombudsman. We can provide details of how to contact the Ombudsman.

The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Channel Islands Financial Ombudsman in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Please contact your branch for further details.

##### Telephone Banking Service

Customer representatives are available from 8am – 10pm everyday and 24 hours a day for HSBC Advance customers. Calls may be monitored or recorded for quality purposes. Alternatively for all your banking needs go to [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciiom.hsbc.com](http://ciiom.hsbc.com) (Channel Islands and Isle of Man customers).

##### Disabled Customers

**We offer a number of services such as statements in Braille or large print. Please contact us to let us know how we can serve you better.**

## Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, Bank Account and HSBC Advance). For personal current accounts (excluding Premier and Jade by HSBC Premier) overdraft interest is only charged on arranged overdrawn balances. Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

### Effective from 1 August 2017

#### Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:

- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).

2. This cap covers any:

- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds.

The monthly cap on unarranged overdraft charges for the Bank Account, Current Account, Home Management Account, HSBC Advance Bank Account and Graduate Bank Account is £80.

The monthly cap on unarranged overdraft charges is not applicable to Bank Account Pay Monthly, Basic Bank Account, Student Bank Account, Amanah Bank Account and MyAccount as these accounts do not incur unarranged overdraft charges.

The introduction of the Monthly Maximum Charge will not affect any charging period that ended prior to 1st August 2017. Any notification of charges that are generated on or after 1st August 2017 will incorporate the new Monthly Maximum Charge cap.

**The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.**

#### Your debit card

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

For non-Sterling (foreign currency) transactions we will charge a fee of 2.75% of the amount of the transaction. This fee will be shown as a separate line on your statement as a 'Non-Sterling Transaction Fee'.

Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciiom.hsbc.com](http://ciiom.hsbc.com) (Channel Islands and Isle of Man customers) or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

For cash machine withdrawals in a currency other than sterling we will charge a Non Sterling Cash Fee of 2% (minimum £1.75, maximum £5). This fee applies to all cash machines outside the UK, Channel islands and the Isle of Man and to cash machines in the UK, Channel Islands and Isle of Man if we convert the withdrawal to Sterling for you. HSBC Advance customers are exempt from this fee.

Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

#### Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. ## Interest

Credit Interest is calculated daily on the cleared credit balance and is paid monthly if applicable (this is not paid on all accounts, eg, Basic Bank Account, Bank Account and HSBC Advance). For personal current accounts (excluding Premier and Jade by HSBC Premier) overdraft interest is only charged on arranged overdrawn balances. Debit interest is calculated daily on the cleared debit balance of your account, it accrues during your charging cycle (usually monthly) and is deducted from your account following the end of your charging cycle.

### Effective from 1 August 2017

#### Monthly cap on unarranged overdraft charges

1. Each current account will set a monthly maximum charge for:

- (a) going overdrawn when you have not arranged an overdraft; or
- (b) going over/past your arranged overdraft limit (if you have one).

2. This cap covers any:

- (a) interest and fees for going over/past your arranged overdraft limit;
- (b) fees for each payment your bank allows despite lack of funds; and
- (c) fees for each payment your bank refuses due to lack of funds.

The monthly cap on unarranged overdraft charges for the Bank Account, Current Account, Home Management Account, HSBC Advance Bank Account and Graduate Bank Account is £80.

The monthly cap on unarranged overdraft charges is not applicable to Bank Account Pay Monthly, Basic Bank Account, Student Bank Account, Amanah Bank Account and MyAccount as these accounts do not incur unarranged overdraft charges.

The introduction of the Monthly Maximum Charge will not affect any charging period that ended prior to 1st August 2017. Any notification of charges that are generated on or after 1st August 2017 will incorporate the new Monthly Maximum Charge cap.

**The following references regarding debit cards only apply to personal customers, commercial customers please refer to your terms and conditions.**

#### Your debit card

When you use your card abroad, your statement will show where the transaction took place, the amount spent in local currency and the amount converted into sterling. We also monitor transactions to protect you against your card being used fraudulently.

Unless you agree that the currency conversion is done at the point of sale or withdrawal and agree the rate at that time, for example with the shopkeeper or on the self-service machine screen, the exchange rate that applies to any non-sterling debit card payments (including cash withdrawals) is the VISA Payment Scheme Exchange Rate applying on the day the conversion is made.

For non-Sterling (foreign currency) transactions we will charge a fee of 2.75% of the amount of the transaction. This fee will be shown as a separate line on your statement as a 'Non-Sterling Transaction Fee'.

Details of the current VISA Payment Scheme Exchange Rates can be obtained from the card support section of [hsbc.co.uk](http://hsbc.co.uk) (UK customers) or [ciom.hsbc.com](http://ciom.hsbc.com) (Channel Islands and Isle of Man customers) or by calling us on the usual numbers. We will deduct the payment from your account once we receive details of the payment from the card scheme, at the latest, the next working day.

For cash machine withdrawals in a currency other than sterling we will charge a Non Sterling Cash Fee of 2% (minimum £1.75, maximum £5). This fee applies to all cash machines outside the UK, Channel Islands and the Isle of Man and to cash machines in the UK, Channel Islands and Isle of Man if we convert the withdrawal to Sterling for you. HSBC Advance customers are exempt from this fee.

Some cash machine operators may apply a direct charge for withdrawals from their cash machines and this will be advised on screen at the time of withdrawal.

#### Recurring Transaction

A recurring transaction, sometimes called a continuous payment authority, is a series of payments collected with your agreement from your card by a retailer or supplier (for example, insurance cover). This is an agreement between you and the retailer. The Direct Debit Guarantee does not cover these transactions. If you wish to cancel a recurring transaction you can do this with the retailer or us. We can cancel the payment, however contacting the retailer allows you to also deal with the agreement you have with them and you can make other arrangements for the payment or cancellation of the goods or services. If you cancel with the retailer, we recommend you keep evidence of the cancellation. Once you have cancelled with the retailer or us, if the retailer does try to collect any future payments under the recurring transaction agreement, we will treat these as unauthorised. If we miss any of the cancelled transactions, please contact us.

##### Dispute resolution

If you have a problem with your agreement, please try to resolve it with us in the first instance. If you are not happy with the way in which we handled your complaint or the result, you may be able to complain to the Financial Ombudsman Service. The Financial Ombudsman Service does not apply to customers of our branches in the Channel Islands and Isle of Man, but you could be entitled to refer your complaint to the Channel Islands Financial Ombudsman in Jersey or Guernsey or the Financial Services Ombudsman Scheme in the Isle of Man. Independent Examiner's Report to the Governors of      Limpsfield Grange School

I report on the accounts of the School Fund for the period from      1st September 2020 - 31st  
August 2021

Respective responsibilities of the Governing Body and examiner

The Governing Body is responsible for the preparation of the accounts. The Governing Body considers that an audit is not required for this period and that an independent examination is needed.

It is my responsibility to examine the accounts and state whether particular matters have come to my attention.

My examination included a review of the accounting records kept by the School Fund and a comparison of the accounts presented with those records. It also included consideration of any unusual items or disclosures in the accounts, and explanations concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statement

In connection with my examination, no matter has come to my attention to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached. I advise Governors to review the audit checklist accompanying this certificate as it provides further information in respect of any procedural recommendations following the review
