### REPORT OF THE TRUSTEES FOR THE YEAR ENDED 30 JUNE 2025

The trustees present their report with the financial statements of the charity for the year ended 30 June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### OBJECTIVES AND ACTIVITIES

##### Objectives and aims

The objectives of Paracletos ('the Trust') are to advance, promote or carry out such charitable purposes as the Trustees in their absolute discretion from time to time think fit.

##### Grant making policy

As well as a number of ad hoc grants this year, the trustees also decided to make multi-year commitments to a number of organisations who have been supported regularly in the past. Other than these agreed commitments, and while the Trust continues to developing its overall grant making policy, the trustees expect only to make grants on an ad hoc basis again during the next year.

#### ACHIEVEMENT AND PERFORMANCE

##### Review of developments, activities and achievements

The Trust makes grants to organisations or individuals carrying on or furthering activities within the objectives and grant making policy of the Trust. The Trust made 12 grants to such beneficiaries during the financial year totalling £145,000 (2024: 9 grants totalling £110,000), as detailed in the notes to the financial accounts on page 12.

For the next year, the Trust will continue to invest its capital in order to generate an income which can in due course be disbursed as grants. The aim for the coming year will be to develop the grant making policy to a greater extent and make a number of somewhat larger grants.

#### FINANCIAL REVIEW

##### Investment powers, restriction and policy

The Trustees have wide powers of investment which they have largely delegated to their Investment Advisers, Barclays Bank, in accordance with the powers given to them under the Trust Deed. Following the development of an investment policy, most of the capital has been invested in sustainable strategies designed to provide a balance between income and real terms capital maintenance by investing in businesses that aim to provide solutions to the greatest challenges facing our planet, while still maintaining a screening for unsuitable investments.

The Trustees regularly receive financial reports from Barclays Bank.

The capital for the trust was primarily provided by the sale of shares in a limited company, which transaction was completed in April 2019. No further external income is now expected.

##### Reserves policy

The Trust has now committed to make annual grants totalling £75,000 for a number of future years, while annual professional fees amount to about a further £90,000; there are no other meaningful expenditures for the Trust at this stage. While some limited free cash is held, the vast majority of the Trust's funds are held in investments which are managed in order to maintain capital value and to create income, which will then be available to be disbursed. However, none of these investments are restricted or endowments, and so can and will be liquidated as needed to provide funds, regardless of market situations, and with little lead time. Accordingly, and until any of this situation changes significantly, there is currently still no need for any explicit reserves to be held.

#### FUTURE PLANS

Over the coming year, the Trustees have no plans to make any large, long term grants. However, subject to unanimous trustee approval, a number of ad hoc grants will be made to charitable causes known to the Trustees in the coming year, some of which may be larger than in previous years.

The Trustees will continue to review and revise as necessary all relevant policies and procedures to allow the Trust to function effectively and with good governance.

#### STRUCTURE, GOVERNANCE AND MANAGEMENT

##### Governing document

The Trust is an unincorporated trust registered with the Charity Commissioners under number 1163819. It was established by Deed on 16th July 2015 with the objectives set out above. The financial statements have been prepared in accordance with the accounting policies set out on page 11 and comply with the Trust Deed and applicable law.

**PARACLETOS**  
**REPORT OF THE TRUSTEES**  
**FOR THE YEAR ENDED 30 JUNE 2025**

**STRUCTURE, GOVERNANCE AND MANAGEMENT**

**Recruitment, training and appointment of new trustees**

The Trustees handle the appointment of replacement Trustees and also New Trustees.

At the time of appointment New Trustees are made aware of their responsibilities and, from the outset, are encouraged to understand the Charity's objectives. All Trustees are also encouraged to identify any training needs on appointment and annually thereafter so that measures can be taken to ensure that these needs are met.

No Trustee appointments have been made in the current year and none are expected in the coming year.

**Management**

The Trust is controlled by the Trustees.

**STATEMENT OF TRUSTEES' RESPONSIBILITIES**

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE TRUSTEES  
FOR THE YEAR ENDED 30 JUNE 2025

Approved by order of the board of trustees on .....11/11/25..... and signed on its behalf by:

  
.....  
Mr J Cooper - Trustee

## **REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF PARACLETOS**

### **Opinion**

We have audited the financial statements of Paracletos (the 'charity') for the year ended 30 June 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 30 June 2025 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

### **Other information**

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Matters on which we are required to report by exception**

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

### **Responsibilities of trustees**

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

## REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF PARACLETOS

### **Our responsibilities for the audit of the financial statements**

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- \* the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- \* identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the charity's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- \* making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud;
- \* considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations;

To address the risk of fraud through management bias and override of controls, we:

- \* performed analytical procedures to identify any unusual or unexpected relationships;
- \* tested journal entries to identify unusual transactions;
- \* assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias;
- \* investigated the rationale behind significant or unusual transactions;

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- \* agreeing financial statement disclosures to underlying supporting documentation;
- \* reading the minutes of meetings of those charged with governance;
- \* enquiring of management as to actual and potential litigation and claims;
- \* reviewing correspondence with HMRC, relevant regulators and the charity's legal advisors.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at [www.frc.org.uk/auditorsresponsibilities](http://www.frc.org.uk/auditorsresponsibilities). This description forms part of our Report of the Independent Auditors.

**REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF  
PARACLETOS**

**Use of our report**

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

## PARACLETOS

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2025

#### 1. ACCOUNTING POLICIES

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

##### **Income**

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

##### **Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### **Allocation and apportionment of costs**

In the financial period the charity has only incurred professional fees and these have been allocated under governance costs. In the future costs shall be allocated and apportioned according to the income generation they relate to. Unallocated costs shall be apportioned under support costs as appropriate.

##### **Taxation**

The charity is exempt from tax on its charitable activities.

##### **Foreign currencies**

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.

#### 2. INVESTMENT INCOME

	2025	2024
	£	£
Investment portfolio income	301,785	228,430
Interest on cash/settlements	5,618	3,150
