Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

Objectives and activities

The Trustees confirm that they have referred to the guidance contained in the Charities Commission's general guidance on public benefit when reviewing Cardiff YMCA (1910) Trust aims and objectives and in planning future activities.

The objectives of the charity are as follows:

- (1) To further such charitable purposes for the benefit of the Cardiff Young Men's Christian Association as the trustees see fit from time to time in particular by:
 - (a) Providing finance and supporting the association's charitable work in the community (including supporting activities which encourage and develop the individual's mind, body and spirit);
 - (b) Holding property for charitable use within the South Wales region; and
 - (c) Holding property and other assets for investment purposes if in the opinion of the trustees this would further the association's charitable purposes.
- (2) To further such other charitable purposes in the South Wales region as the trustees see fit in particular but not exclusively by relieving homelessness and the charitable needs of young people.

Strategy for achieving the objects

Cardiff YMCA (1910) Trust aims to work closely with the Cardiff Young Men's Christian Association Ltd by supporting them both financially and in their work in the Community. This support includes activities which encourage and develop the individual's mind, body and spirit to empower and educate young people in making informed choices in regards to their own self-development including support to Young Carers Project. It also holds property and other assets for investment purposes if in the opinion of the Trustees this would further the charitable purposes.

The charity believes that by providing funding to internal and external charities, voluntary organisations and individuals it can make a difference within the Communities within the South Wales region, which supports projects that develop the individual's mind, body and spirit.

Grant making policy and how this achieves the charity's aims

In making grants for achieving objective 1, the charity seeks to empower and educate young people in making informed choices in regards to their own self-development. Whilst support is given for providing inter-generational services for the whole community, the priority is young people, particularly in times of need.

In accordance with current Charity Commission guidelines, the charity has devised the following grant-making policy for achieving objective 2 (homelessness and charitable needs of young people) in order to:

- a) assist applicants to determine whether or not an application to the charity would be appropriate;
- b) ensure that a consistent approach is adopted to the consideration of applications for financial support;
- c) to ensure applications are genuine and systems are robust enough to prevent fraud;
- d) the trustees seek to support those activities for purposes which help further the objectives;
- e) the grant making policy is circulated externally with a funding application form. The funding application form is submitted to the charity whereby the trustees make an informed decision as to whether or not the funding application is successful.

Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

Achievements and performance

In addition to the regular funding, the charity has been working closely with Cardiff Young Men's Christian Association and in particular have been liaising with them with regard to approaching Cardiff Council with a view to purchasing the freehold of the property presently leased by Cardiff Young Men's Christian Association known as Plasnewydd Community Centre. An offer has been made to Cardiff Council towards purchasing the freehold, which in turn would mean that the property would become an asset of Cardiff YMCA (1910 Trust) and would then lease the property to Cardiff Young Men's Christian Association at peppercorn rent. This would secure the future and further any redevelopment of the centre to transform it which will allow them to maintain and further grow and develop their current projects and diversify into other areas of support for young vulnerable people inclusive of child care provision; health and wellbeing and sports facilities. This will enrich the lives of the local community and provide much needed services in the locality. The offer made to Cardiff Council is still in the negotiation stage.

The charity has funded (by providing a loan after the year end) to Cardiff YMCA Housing in adapting the Trust's property known as the Gymnasium/Theatre. This adaptation has allowed for 18 self-contained apartments to be built, developed with the aim to create more move on opportunities for YMCA service users. The apartments are being offered to those in employment in the first instance and will allow service users to build on their independent living skills.

This property is leased back to the Cardiff YMCA (1910) Trust to enhance its income to support the community.

The charity purchased a property (in the previous year) from the Cardiff YMCA Housing Association, known as No. 6 Oakfield Street and leased the property back to them for homelessness purposes. This means that the charity now owns all of the properties known as 2/4/6 Oakfield Street, which will enhance any potential developments should the YMCA Housing Association decide to withdraw their leases due to restrictions on funding by the local Council/Government.

Renewal of other leasing properties to Cardiff YMCA Housing Association which supports them with housing for homeless and vulnerable people continues.

Leasing property to Lisvane Cricket Club continues. The term of the lease has been extended and has enabled them to secure further funding and attract young people within the community to play sport which enhances their wellbeing.

The charity has also taken steps for achieving object 2 and has formally approved the processes to achieve these objectives.

Beneficiaries under the Grant Funding Scheme to date for this period are:- Cardiff YMCA Ltd; Duffryn Community; Albany Road Baptist Church; Cardiff & Vale School; Huggard; Cardiff Vineyard; Park End Presbyterian Church; Glenwood Church; Volunteering Matters; Horatios Garden; Artis Community; Forget Me Not; Little Lounge; Something Fresh; Llandaff Cricket Club; St. Andrews United; Fairwater Juniors Football Club.

The Charity has continued working with sub groups during its expansion to support leases; properties; Funding and Terms of Reference. The sub groups consist of the most appropriately trained trustees to sit on individual sub groups who then take their recommendations to the full trustee meetings by setting up these sub groups it will leave the full trustee meetings more time to continue focusing on the charity ensuring it meets its objectives.

The charity's Website is now updated every 3 months and are now engaging in social media with Facebook; Twitter etc.

Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

The website is intended to promote the fact the Trust have a Grant Funding Scheme in place and hopefully it will encourage smaller charities/groups to apply for funding which would not normally be accessible to them.

The charity continues to work closely with its trading subsidiary and is reviewing and updating Directors Responsibilities; Terms of Reference; Shareholders Responsibilities whilst ensuring good governance is enhanced.

Due to the increased activity during the year in relation to grants awarded, leasing of properties and review of trading subsidiary, this led to an increase in CEO working hours from 10 hours per week to 3 days a week. This is reflective in note 15 of the accounts.

Financial review

Financial Position - review at the end of the reporting period

Total income for the year was £622,453 (2021: £210,262). The main sources of income are, rental income from the leasing of investment properties to Cardiff YMCA Housing Association and return on investments. Gift aid donation of £513,697 (2021: £118,121) was received from the subsidiary Green Willow Funerals Limited.

Charitable expenditure of £269,697 (2021: £177,694) includes grant paid to Cardiff Young Men's Christian Association of £100,000 (2021 :£100,000). Grants paid to other institutions amounted to £78,706 (2021 :£22,800).

Investment and Cash Performance

The value of the Charles Stanley Investment managed portfolio was £1,713,716 (2021: £1,618,268). Total returns from the investments amounted to £35,406 (2021: £41,466). Portfolio returns however continue to have been achieved with a lower level of volatility (risk). Steps have been taken to provide a bedrock of sustainable and growing income over the longer term.

The value of Lloyds Charity Account on the 31/03/2022 was £454,893 (2021: £77,989).

Investment Policy

This policy statement has been prepared by the trustees to give guidance as to how the asset management functions should be exercised by our agent, Charles Stanley. It has been formulated with a view to ensuring that the asset management functions will be exercised in the best interests of the investment funds with an acceptable level of risk.

Reserves Policy

The Cardiff YMCA (1910) Trust regularly review the amount of funds that the Charity requires to ensure that they are adequate to fulfil the charity's continuing obligations.

General reserves at 31 March 2022 were £4,616,298 (2021: £4,671,362). There were no restricted reserves. Free reserves amounted to £479,970 (2021: £153,358).

Risk Management

The Trustees actively review the major risks which the Charity faces on a regular basis and believe that maintaining reserves at current levels, combined with an annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions.

Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

Plans for future periods

The charity has extended its funding within the community to support projects with a greater value of funding over a possible 3 year funding period.

The charity is holding an 'Away Day' during the forthcoming few months to train and refresh Trustees on their roles & responsibilities.

To create opportunities for everyone, young or old, where support is needed to allow people to grow. Create better communities by enriching lives and encouraging positive social impact. Support disadvantaged groups/people with their educational, social, physical and psychological needs in order to enable positive change.

To raise profile i.e., keeping website updated and being on social media e.g., Facebook; Twitter; Funding for Wales. This will attract more charities to apply for funding from the 1910 Trust.

The charity is liaising with Cardiff YMCA Ltd and the Cardiff Council with a view to purchasing the freehold of the property known as Plasnewydd Community Centre, which is currently leased to Cardiff YMCA Ltd by the Cardiff Council. If this purchase is successful the charity would incur any necessary costs to obtain the freehold and would then lease to Cardiff YMCA Ltd at a peppercorn rent whilst retaining the asset. This would ensure additional security in the long term to Cardiff YMCA Ltd.

Structure, governance and management

The Cardiff YMCA (1910) Trust presents their sixth report along with the financial statements of the Charity for the year ended 31 March 2022.

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

Nature of the Charity's Governing Document

The Cardiff YMCA 1910 Successor Trustees was constituted under a Trust Deed in 1910 and registered by authorisation of the Charity Commission on the 17 October 2005 under the charity number 1111710. In October 2015 the Charity Commission registered the Cardiff YMCA (1910) Trust as a new Charitable Incorporated Organisation (Registered CIO: 1163822).

The charity does not actively fundraise and seeks to continue helping towards the work of the Cardiff Young Men's Christian Association Ltd. Charity No. 1155884; Company No. 8151495 to further its Aims & Objectives. The charity also continues to support voluntary organisations; charities and individuals within the South Wales Region.

Methods of Recruitment and appointing New Trustees

Apart from the first charity trustees, every trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

Trustee Induction and Training

New trustees are provided with full inductions, and are given information packs that include; a copy of the governing scheme, a copy of the charity's latest annual report and statement of accounts and documents produced by the charity commission outlining the responsibilities of being a trustee.

All trustees are given an induction pack during their induction meeting before observing at a Board Meeting before acceptance by the 1910 Trust.

Organisational Structure

The charity is a small body and has a simple organisational structure, with the Chair and Trustees overseeing the work of the charity. The day to day running of the charity is carried out by the Chief Executive, who is employed and reports to the Board.

The Charity meet 6 times per year and quarterly management accounts are received. There are regular meetings with their external financial advisor and investment manager whereby policies are produced to ensure the charity is viable and successful. It regularly reviews its governance procedures.

Details of Related Parties

Cardiff YMCA (1910) Trust has a wholly owned trading subsidiary, Green Willow Funerals Limited. The Company was formed so that profits at the end of their financial year are gifted to the Cardiff YMCA (1910) Trust in order to further its aims and objectives. The Cardiff YMCA (1910) Trust also owns properties; No. 2 East Grove (Arthur Sansom House), 2-4 Oakfield Street (Ambassador YMCA) and 6 & 8 Oakfield Street. These properties provide accommodation and services for homeless people and families. The properties are leased by the Cardiff YMCA (1910) Trust to the Cardiff YMCA Housing Association. Property known as Vaendre Close, St. Mellons is leased to Lisvane Cricket Club who serves the community and property known as The Walk is leased to Cardiff YMCA Ltd who serves the community and deal with specifically but not exclusively young people.

Cardiff YMCA (1910) Trust

Trustees' Annual Report *(continued)*

Year ended 31 March 2022

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP 2019 (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees' annual report was approved on 23 NOV 2022 and signed on behalf of the board of trustees by:

Trustee.....

Roger Coombs

Name

ROGER COOMBS

Cardiff YMCA (1910) Trust

Independent Auditor's Report to the Members of Cardiff YMCA (1910) Trust

Year ended 31 March 2022

Opinion

We have audited the financial statements of Cardiff YMCA (1910) Trust (the 'charity') for the year ended 31 March 2022 which comprise the statement of financial activities, statement of financial position, statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Cardiff YMCA (1910) Trust

Independent Auditor's Report to the Members of Cardiff YMCA (1910) Trust (continued)

Year ended 31 March 2022

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- the charity has not kept adequate accounting records; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement [set out on page 7], the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Cardiff YMCA (1910) Trust

Independent Auditor's Report to the Members of Cardiff YMCA (1910) Trust

(continued)

Year ended 31 March 2022

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We identified and assessed the risks of material misstatement of the financial statements from irregularities, whether due to fraud or error, and discussed these between our audit team members. We then designed and performed audit procedures responsive to those risks, including obtaining audit evidence sufficient and appropriate to provide a basis for our opinion.

We design our procedures so as to obtain sufficient appropriate audit evidence that the financial statements are not materially misstated due to non-compliance with laws and regulations or due to fraud or error.

We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations - this responsibility lies with management with the oversight of the Trustees.

Based on our understanding of the Charity and the charity sector, discussions with management and trustees we identified financial reporting standards and Charities Act 2011 as having a direct effect on the amounts and disclosures in the financial statements.

As part of the engagement team discussion about how and where the Charity's financial statements may be materially misstated due to fraud, we did not identify any areas with an increased risk of fraud.

Our audit procedures included:

- completing a risk-assessment process during our planning for this audit that specifically considered the risk of fraud;
- enquiry of management about the Charity's policies, procedures and related controls regarding compliance with laws and regulations and if there are any known instances of non-compliance;
- examining supporting documents for all material balances, transactions and disclosures;
- enquiry of management, about litigations and claims and inspection of relevant correspondence;
- analytical procedures to identify any unusual or unexpected relationships;
- specific audit testing on and review of areas that could be subject to management override of controls and potential bias, most notably around the key judgments and estimates, including the carrying value of accruals, provisions, investments, grant making and revenue recognition;

Cardiff YMCA (1910) Trust

Independent Auditor's Report to the Members of Cardiff YMCA (1910) Trust

(continued)

Year ended 31 March 2022

- considering management override of controls outside of the normal operating cycles including testing the appropriateness of journal entries recorded in the general ledger and other adjustments made in the preparation of the financial statements including evaluating the rationale of significant transactions, outside the normal course of charitable activity;

Owing to the inherent limitations of an audit, there is an unavoidable risk that some material misstatements of the financial statements may not be detected, even though the audit is properly planned and performed in accordance with the ISAs (UK).

The potential effects of inherent limitations are particularly significant in the case of misstatement resulting from fraud because fraud may involve sophisticated and carefully organised schemes designed to conceal it, including deliberate failure to record transactions, collusion or intentional misrepresentations being made to us.

As part of an audit in accordance with ISAs (UK), we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the charity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the charity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the charity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation (ie. gives a true and fair view).

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Cardiff YMCA (1910) Trust

Independent Auditor's Report to the Members of Cardiff YMCA (1910) Trust (continued)

Year ended 31 March 2022

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 16 to 26 form part of these financial statements.

Cardiff YMCA (1910) Trust

Notes to the Financial Statements

Year ended 31 March 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is The Walk, Roath, Cardiff, CF24 3AG.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern. Covid-19 has caused global disruption to business and economic activity which has been reflected in fluctuations in global markets. The most significant aspect of the charity that potentially affects its ability to continue is the carrying value of its investments which relates to investment returns and the performance of investment markets and rental returns. Trustees are of the opinion that Covid-19 will not have a detrimental impact on the charity due to the performance and the diversification of investments. The Trustees believe that the charity will be able to continue to fulfil its charitable purpose, will be able to meet its liabilities as they fall due, and will have adequate resources to continue in operational existence for the foreseeable future. Accordingly, the trustees continue to adopt the going concern basis in preparing the financial statements.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Cardiff YMCA (1910) Trust

Notes to the Financial Statements *(continued)*

3. Accounting policies *(continued)*

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Cardiff YMCA (1910) Trust

3. Accounting policies *(continued)*

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Equipment - 25% straight line

Investments

Fixed asset investments are initially recorded at cost, and subsequently stated at cost less any accumulated impairment losses. Listed investments are measured at fair value with changes in fair value being recognised in profit or loss.

Unlisted investments comprises of the investment in the subsidiary Green Willow Funerals Limited, this is included at cost as all profits are gift aided to the charity and reserves in the subsidiary are maintained for working capital.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition

Cardiff YMCA (1910) Trust

Year ended 31 March 2022

3. Accounting policies *(continued)*

Investment property

Investment property is initially recorded at cost, which includes purchase price and any directly attributable expenditure. Investment property is revalued to its fair value at each reporting date and any changes in fair value are recognised in profit or loss. If a reliable measure of fair value is no longer not available without undue cost or effort for an item of investment property, it shall be transferred to tangible assets and treated as such until it is expected that fair value will be reliably measurable on an on-going basis.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are Recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

Financial instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument. Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument. Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted. Debt instruments are subsequently measured at amortised cost. Where investments in shares or preference shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

At 31 March 2021	89,052	1,529,216	2,899,277	2	4,517,547

Listed investments

The aggregate market value of listed investments is £1,620,146 (2021: £1,529,216) and the stock exchange value is £1,620,146 (2021: £1,529,216).

Investment properties

Investment properties were revalued in 2016 by Cooke and Arkwright, Chartered Surveyors, on an open market existing use value basis. During the year, The Gym and Theatre was revalued as this is now being leased to Cardiff YMCA Housing Association and has resulted in a decrease in fair value which has been reflected above. Investment properties are measured at fair value annually with any change recognised in the surplus or deficit in the SOFA.
