Trustees:

Mel Booth – Founder / Chair

Kelly Mcevilly – Treasurer

Principal Office – 393 Birchfield Road, Webheath ,Redditch B974NF

Bankers: NatWest, Church Green House, Redditch, B98 8OG

Structure and Management

Redditch Cat Rescue (RCR) is managed by trustees of whom there shall be a minimum of three and a maximum of six. There are currently two trustees that form the management team who hold meetings to discuss and review progress and policies in the rescue. New trustees are appointed by existing trustees from within its volunteers. Election to post is decided at the AGM. They are briefed on their legal obligations, the decision-making process and the recent financial performance of the charity. We are currently in the process of appointing a new trustee.

Risk Management

The trustees have a duty to identify and review the risks that may arise within the rescue and to ensure appropriate controls / measures are in place to provide assurance against any error / fraud.

Financial Review

This year has been an extremely challenging year with an ever-increasing number of cats needing our help. People are struggling with the increase in the cost of living . Which has a knock-on effect of them struggling to pay for vets bill, food and neutering of their animals. In regard to fundraising, we have as always held our own larger events and managed to participate in some other smaller events held by other charities and organisations. As always, our generous supporters have donated where and however they could. They have given both monetary and non-monetary donations such as food and litter. We have two collection bins in both Morrison's and Tesco's. This is a massive help to the rescue with its day to day running, feeding of feral colonies and enabling us to help those who are struggling.

Financial accounts are available for the year 2024/2025

A policy minimum reserve value is not necessary. Current policy is to maintain sufficient cash funds for known commitments.

Public Benefit

Rescuing cats and kittens that need help and finding them forever homes. Helping people financially with neutering costs. Also providing people with food for their animals for example people that are feeding cats that are not their own i.e. feral colonies or those that are struggling financially.

Taking part in the trap neuter release programme (TNR). If it is possible after neutering and providing any necessary veterinary treatment cats are relocated to outdoor homes such as stables or small holdings. Younger cats can be socialized and rehomed. This helps to reduce the expansion of feral colonies.

Giving advice and guidance to anyone who may need our help verbally or through our website and Facebook page.

Objectives and Activities

The main objective of RCR remains to rescue cats and kittens in Worcestershire and Birmingham areas and rehome where possible. The charity aims to have sufficient fundraising to look after the cats whilst in our care and to be able to continue to be able to take part in the TNR programme. To further these aims we have a small number of foster homes which we are still hoping to increase. Existing catteries have had some updates which have made them more secure and easier to access by our volunteers. We are currently looking to update our top pen which is frequently used for feral cats whilst they are recuperating from neutering or nursing kittens.

Volunteers

The charity is extremely grateful for the efforts of its volunteers who are involved in fostering, home checking, cat care, socialising nervous cats and fundraising. Without this valuable contribution of time and enthusiasm we would not be able to achieve as much as.

Independent Examiner's Report

Report to the trustees

REDDITCH CAT RESCUE

On accounts for the year
ended

16th APRIL 2025

Charity no
(if any)

1163874

Set out on pages

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.

Structure and Management

Redditch Cat Rescue (RCR) is managed by Trustees of whom there shall be a minimum of three and a maximum of six. There are currently two trustees that form the management team who hold regular meetings to discuss and review progress and policies in the rescue. New trustees are appointed by existing trustees from within its volunteers. Election to post is decided at the AGM. They are briefed on their legal obligations, the decision-making progress, and the recent financial performance of the charity. We are currently in the progress of appointing two new trustees.

Risk Management

The trustees have a duty to identify and review the risks that may arise within the rescue and to ensure appropriate controls/measures are in place to provide assurance against any error/fraud.

Financial Review

This year has been another busy year in which we have cared for, rehabilitated and rehomed where possible. Neutering and relocating feral cats where we can. As ever but particularly in the current climate there has been an ever-increasing number of cats needing help with people struggling with costs of neutering and general vet's bills. It has been a better year for fundraising as events are on the whole back up and running. However, several outside events have had to be cancelled due to adverse weather conditions. As always are generous supporters have donated where and however, they can. They have given monetary and non-monetary donations such as food and litter. We have two collections bins in both Tesco and Morrisons. We also have amazon Smile and easy fundraising accounts which donate money each time someone purchases items through it. All the this is a massive help in the day to day running of the rescue.

We hold three main fundraisers throughout the year as well as taking part in other smaller events organised by other organisations such as Botany Bay craft fayre and apple day a local community event.

Financial accounts are available for RCR for the year 2022/2023.

A policy minimum reserve value is not necessary. Current policy is to maintain sufficient cash funds for known commitments.

Public Benefits

Rescuing cats and kittens that need help and finding them forever homes. Helping people Financially with neutering costs. Also providing people with cat food for example people who are feeding cats that are not their own i.e. feral colonies.

Taking part in the Trap neuter return (TNR) programme. If it is possible after neutering and providing any necessary veterinary treatment they are relocated to outdoor homes such as stables and small holdings. This helps to reduce the expansion of feral colonies.

Giving advice and guidance to anyone who may need help verbally or through our website and Facebook page.

Objectives and Activities

The main objective of RCR remains to rescue cats and kittens in the Worcestershire and Birmingham areas and rehome where possible. The charity aims to achieve sufficient fundraising to look after the cats whilst in their care and to take part in the TNR programme. To help achieve this we have increased our number of volunteers and foster carers. We have recently provided a new pen to one of our fosterers so that we can increase the number of cats we are able to take in.

Volunteers

The charity is extremely grateful for the efforts of its volunteers who are involved in fostering, home checking, cattery cleaning, socialising nervous cats and fundraising. Without this valuable contribution of time and enthusiasm we would not be able to achieve as much.

Election to any post is decided at the AGM. They are briefed on their legal obligations, the decision making process and the recent financial performance of the charity.

Risk Management

The trustees have a duty to identify and review the risks that may arise within the rescue and to ensure appropriate controls/ measures are in place to provide assurance against any error / fraud.

Financial review

This year has been another busy year in which we have cared for rehabilitated and rehomed cats / kittens where possible, relocating feral cats where we can. As ever, but particularly this year, there has been an increasing number of cats needing help with people struggling with costs of neutering and general vets bills which have increased massively as well as the after effects of the Covid 19 Pandemic. Although it has been a better year for fundraising with a few of our usual big events being allowed and being lucky enough to find smaller events to attend it has still been difficult with people still wary of going to larger events and people having a general lack of funds themselves. As always our generous supporters have donated where and however they could giving monetary and non-monetary such as food and litter, we have two food collection bins in both Tesco and Morrisons along with Amazon Smile account which donates money as people spend on their shopping which enables people to help more.

This is a massive help to the rescue and it's day to day running. We have again achieved a massive amount of neutering especially in problematic areas and we have treated cats with a lot of problems and injuries including tail amputations and eye removals.

Financial accounts are available for RCR for the year 2021/202

All financial decisions are based upon meetings where banking data and financial forecasting is regularly reviewed.

A policy minimum reserve value is not necessary. Current policy is to maintain sufficient cash funds for known commitments.

Public Benefits

Rescuing cats and kittens that are in need of help and finding them loving forever homes. Helping people financially with neutering costs and sometimes food to feed cats that they are looking after if not their own or they are experiencing financial difficulty

Taking part in the Trap Neuter Return (TNR) programme. If it is possible after neutering cats are relocated to stables and small holdings. Kittens are socialised and rehomed. This helps to reduce the expansion of feral colonies.

Giving advice and guidance to anyone who may need help verbally and through our website and Facebook page

Objective and activities

The main objective of RCR remains to rescue Cats and kittens in the Worcestershire and Birmingham area and rehome where possible. The charity aims to achieve sufficient fundraising to look after the cats whilst in their care and to continue to be able to take part in the TNR programme. To further these aims we have small number of foster homes which we are to increase. By increasing the number of vet practices we work with we have increased our capacity to neuter and treat more cats in a wider area

We have increased our number of volunteers and foster carers and along with that we are planning to build another pen with one of our new foster carers so they can take more feral cats that need neutering to the vets. We also plan to repair and refurbish our top pen as it requires some work on the floor and the roof.

Volunteers

The charity is extremely grateful for the efforts of its volunteers who are involved in fostering, checking potential homes, cattery cleaning, socialising nervous cats and fundraising. Without this valuable contribution of time and enthusiasm we would not be able to achieve so much.

Fundraising

Fundraising activities and events such as Blue Cross and our own main events throughout the year

Garden and garage sales are held where weather allows

We also have a partnership with Zooplus who donate food and litter that has been deemed not fit for sale such as returns

We are part of Amazon smile and Easy Fundraising which donates money each time someone purchases items through it

Taking part in other events e.g. Tombola and table top sale at the Blue cross, apple day and animals are magic events.

Donation bins within the local Tesco, Morrison's are for supporters to donate items such as Food, litter, blankets and toys, registry with the HMRC enables us to claim Gift Aid on amounts we receive from donations.

Giving advice and guidance to anyone who may need help verbally and through our website and Facebook page

Objective and activities

The main objective of RCR remains to rescue Cats and kittens in the Worcestershire and Birmingham area and rehome where possible. The charity aims to achieve sufficient fundraising to look after the cats whilst in their care and to continue to be able to take part in the TNR programme. To further these aims we have small number of foster homes. By increasing the number of vets practices we work with we have increased our capacity to neuter and treat more cats

Existing cattery has been refurbished extending the single pen to include an outside annex for the added safety of the cats. We are also looking to add another pen onto the existing three for a nursery to house moms and kittens.

Volunteers

The charity is extremely grateful for the efforts of its volunteers who are involved in fostering, checking potential homes, cattery cleaning, socialising nervous cats and fundraising. Without this valuable contribution of time and enthusiasm we would not be able to achieve so much.

Fundraising activities

Raffles and scratch cards online

Garden / Drive sales

We would normally organise three main events a year and attend several more and hope to do so when allowed.

RCR is still included on the pets at home rota for receiving food and litter which is damaged and can't be sold.

The hugely successful quiz night runs twice a year.

We are part of Amazon smile which donates money each time someone purchases items through it also we are part of easy fundraising which works the same.

Donation bins within the local Tesco, Morrison's are for supporters to donate items such as Food, litter, blankets and toys.

We have very loyal supporters which give monthly to our very successful pound club.

CHARITY COMMISSION FOR ENGLAND AND WALES

Independent examiner's report on the accounts

[Redacted area]

Report to the trustees/ members of

Charity Name

REDDITCH VOLUNTARY CRC

On accounts for the year ended 21

Charity no (if any)

1163874

Set out on pages

remember to include the page numbers of additional sheets

Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

~~[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. Delete [] if not applicable.~~

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

* Please delete the words in the brackets if they do not apply.
