Why we hold some money in reserve

It is PCC policy to maintain a balance on the general unrestricted funds (excluding property) which equates to approximately three months’ worth of unrestricted payments as contingency against unforeseen situations.

Structure, governance and management of the charity

The Parochial Church Council (referred to throughout as “the PCC”) is a registered charity, registered number 1164054.

During the year the following served as members of the Parochial Church Council:

Ex Officio members
Incumbent & Chairman: The Reverend Heather Wilkin
Churchwardens: Mrs Ann Hutchings Mr Tim Baker
Deanery Synod Representatives - Mrs Karen Blackman & Mrs Ann Hutchings

Elected members:, Mrs Lindsay Shurvell, Mrs Sarah Pigram (Secretary), Mrs Bev Mager, Mr Jaime Reed, Mrs Christine Field (from May 2024) and Mrs Tina Allen - Treasurer

Membership of the PCC is determined under the Church Representation Rules and consists of certain ex-officio members (the incumbent, lay readers licensed to officiate in the church), the churchwardens and members of the Deanery, Diocesan or General Synods and up to 9 members of the church who are elected at the Annual Parochial Church Meeting (APCM). Members are warmly encouraged to stand for election to the PCC and we try to ensure balance of skills and experience where possible.

The parish forms part of a Benefice with All Saints’, Highbrook who are administered by their own PCC, but share the same incumbent. Under a Pastoral Measure 1968, it was declared that the two Parishes “shall remain distinct”. The parishes worship together when there is a fifth Sunday in the month.

This Trustees’ Annual Report was **approved** by the PCC and signed on their behalf by

Reverend Heather Wilkin

Spatial reordering of the church building and future projects

We seek to finalise plans for the facilities project that has been in progress for many years and pray that we find a solution to a scaled down more affordable version of our initial plans. We were granted the necessary planning permission for a small part of this project, and very encouraging advice from the Diocesan Advisory Committee. The priority is the provision of well-needed toilet facilities to our church.

2024 Church and Churchyard Report to the APCM

In May 2024 Archdeacon Angela Martin conducted a visitation at the parish, inspecting the registers, documentation and meeting with the Vicar, churchwardens, and members of the PCC. This was a positive experience and gave us encouragement.

St Margaret's is known for its well-kept Churchyard, one of the best in Sussex and we are grateful to all who help with the upkeep. The monthly volunteer working party, often in excess of six volunteers, does a fantastic job of general maintenance including planting, clearing away the results of windy days, weed clearing, and branch trimming.

The PCC would like to express their thanks to all the volunteers involved and to Derek Shurvell who leads the team. In addition, the PCC would like to record their thanks to The Friends of the Churchyard Trust who continue to support the work around the Churchyard with both encouragement and financial support.

Financial Review

Thanks to the generosity of our church community we sustained our income level in 2024. The PCC made the decision to transfer funds from the general fund into the restricted building fund as they anticipate further progress with the building project in the coming months.

Sharing the ministry costs of the Diocese of Chichester

The largest expenditure of the PCC was the sum of £67879 paid to the diocese for our share of all churches’ Parish Ministry Costs – this is a significant increase on 2023 and we are grateful to all those members of our congregation and wider community that give to the church and enable this payment to be made. This amount covers the housing, stipend and pension costs of the clergy and a standard sum for diocesan central costs, clergy training and a contribution to national church funds. The United Benefice of All Saints Highbrook and St Margaret of Antioch, West Hoathly once again met the Parish Share in full

Staff costs

The PCC pays for a cleaner and a caretaker of the churchyard.

Trustee payments and expenses

Expense are paid to clergy and PCC members for expenditure relating to the mission of the church and to Mrs Lindsay Shurvell for the maintenance of Sharpthorne Hall.

local ‘Finche Field’ and an ‘Evening with Andrew Bourn’. A Pancake Party, Light Party and lantern making for families were enjoyed by families. Towards the end of the year we began to hold coffee mornings, once a month, which were tremendously successful in bringing the community together.

The Chronicle magazine (which advertises village events and articles about village life) has continued to be sponsored by St Margaret’s Church and has a member of the congregation on the Editorial Team. It is distributed by volunteers to all subscribers in the parish.

The church building for people to enjoy

The church has once more been open to the public every day during daylight hours for those seeking a place for prayers, peace and tranquillity.

A range of prayer resources are available in church and this year were enhanced to help people to spend time in the presence of God. Visitors also have access to a range of historical information about the church. Many people visit this place, and its beautiful churchyard, and we hope that our welcome brings them closer to feeling the presence of God.

The parish was delighted to achieve a bronze Eco Award this year, which recognised the level of care we have for our environment.

Provision of tangible support to the poor and needy

Church, school and community members responded to the great need by donating to the Basket of Blessing, in the church porch. The donations have continued to be given to the local food bank in East Grinstead, Crawley Open House homeless project and Family Support Work in Chichester. Church members have also show initiative with their own projects to support local Food Banks and projects.

In addition, we have continued to support Refugees Welcome Crawley and a donation box in for this purpose has been placed in the church porch, with their monthly ‘wish list’ on display so donations can be carefully chosen.

Other charitable giving

Sharpthorne Hall has continued to be maintained by the church and continues to be usually used for church and community events.

The church family has supported many other mission and charitable societies including locally, the Good Companions, the Senior Citizens Christmas Lunch, The Children’s Society, The Royal British Legion Poppy Appeal and Christian Aid, to name but a few. People have also been encouraged to support the Disasters Emergency Committee (DEC) appeals throughout the year.

Diocese. Our church continues to be appreciated by our parishioners and many others, as a space where life events are celebrated with joy and thanksgiving.

Members of the church attended a deanery study morning led by Rev'd Dr Earl Collins, on the New Testament.

During Lent, a study course took place, led by the Vicar, which used objects of dust, bread, the cross and oil to deepen our relationship with God at this time. In the autumn, the Vicar led a study morning on the Old Testament, responding to a request from church members.

Evangelism and outreach

Our year began in January with the organisation of a 'Thank You' party for all in the community who contribute to the church in various ways. This was very successful and will form part of the annual calendar going forwards. It is impossible list the number of 'thank you's due to all those who contribute to St Margarets, aside from saying: 'Thank you, everyone'.

We have continued to work closely with West Hoathly CE Primary School, which is a church-controlled school with a distinctly Christian ethos. It was delightful to welcome Mrs Dann as the new headteacher in January 2024, and a good relationship with her has developed. This year, the school was subject to a SIAMS inspection, which was extremely positive and stated that, 'there is strong collaboration between the school and St Margaret's church'. Our Vicar is an ex-officio governor at the school, and one of our church family members continues to be a Foundation Governor.

Collective Worship in the school is led every other week by Rev'd Heather and in addition, the school visited the church for collective worship at Easter, Harvest and Christmas. As in previous years, the church family donated Bibles to each child in Year 6 at a leavers' service in July.

A service to commemorate the 80th anniversary of D Day and beacon lighting was held in a local park and a service Remembrance Sunday was held in church, organised in conjunction with the Royal British Legion.

A display, with the names of those baptised written on wooden fish, in a net, was created this year. When anniversary of baptism cards are sent, families are invited to return to St Margaret's and collect their fish.

A number of social and fundraising events took place this year: a Spring Fair in the church, an Autumn Fair at the Sharpthorne Hall, a summer celebration for the community in the

Our worship is enhanced by committed and loyal musicians: an organist and music group of piano, flutes, guitar, and occasional drums, so the music style varies each week, allowing for a wider range of hymns and worships songs.

The annual ‘Carols in the Square’ service for the whole community attracted more participants than ever before and enhanced by the kind sponsorship of a portable sound system by a church member. The ‘angel’ which was projected onto the church during December, proved an effective focal point for the community’s celebration of Christmas and linked with the deanery’s ‘Inspiring Angels’ initiative.

During the week before Christmas, we invited those who had been bereaved during the last year, along with all in the community who wished to reflect on those they had lost, to a drop in time of reflection: to light a candle and to add an angel to a remembrance Christmas tree. This was warmly received by many in the village who would not usually attend worship services.

The Christingle Service on Christmas Eve, also saw an increase in numbers, with crowds struggling to fit into the church. Because of the volume of services in this and the other church in the benefice, midnight mass was not offered, but a Christmas Eucharist took place on Christmas day. This will be reviewed next year.

Services took place to mark Holy Week and Easter, including a children’s churchyard trail that finished at the cross.

The parish were delighted that our ALM in pastoral care completed her training in Spring, and since then has offered friendly chats, delivery of the church notices and taking the Holy Communion to people who were unable through sickness or frailty to be present in church. She also provides support to the bereaved in terms of sending cards and inviting them to services to remember loved ones: on All Souls’ Day and at Christmas.

The Vicar recorded an online series of prayer walks, called ‘Autumn Ramblings’ which were available to the community via the church’s facebook page.

The team of bellringers have once more been ringing every other Sunday and have been supported by ringers from St Peter’s, Ardingly. The bells have also been rung to mark special moments during the past year, including the 80th anniversary of D Day, as well as inviting people to worship.

Teaching, baptising and nurturing new and existing believers

During the year there have been 3 weddings; 8 church funerals; 3 funerals taken by the Vicar at the local crematorium; 8 burials of ashes and 5 baptisms. One candidate was prepared for confirmation and subsequently confirmed at St Peter’s, Brighton with others from the

Worship and Prayer

St Margaret's is the village parish church in the middle of West Hoathly and also serves the neighbouring village of Sharpthorne and the surrounding countryside. Regular attenders come from both villages and, alongside the wider members of the community, have a strong historical connection to the church, which is seen as a place of worship and a space where people can come for peace and sanctuary. We are blessed with a beautiful church building and stunning, well-maintained, churchyard which remains open for burials.

There are currently 72 people on the Electoral Roll, and of those, 11 reside outside the parish. The usual weekly attendance in 2024 was 32 adults and 10 children.

St Margaret's continued to have an energetic group of individuals who were happy to offer their services as flower arrangers, welcomers, reading, leading intercessions, administering the chalice (as authorised Lay Ministers of Communion) gathering the offertory collection and serving refreshments at the end of services. A volunteer provides admin. support largely by the production of the weekly Benefice Notices and supporting the compilation of the Sunday intercessions.

Our main Sunday service continued to be a 10.30am service of Holy Communion modern language with a sermon. On the first Sunday of the month, our worship remains Eucharistic, but less formal. A mid-week service of Holy Communion takes place on most Wednesdays (once a month it is on a Thursday), attendance at which has been sparse, but it is considered important to retain this act of worship for the spiritual wellbeing of those who value it. A service of Evening Prayer takes place each week on a Friday, and attendance ranges between 8 and 10 people. It is a further opportunity to pray for the needs of the church, world and parish, and to pray the prayers left by members of the public on our prayer tree. In addition, we have continued to offer a rich variety of seasonal worship to match all needs from Mothering Sunday to Remembrance Sunday and Harvest.

We actively enjoy the presence of children at church and the proportion of children to adults at our worship (1:3) is a great strength and accommodating their needs reminds us that we are one body in Christ. On the second, third and fourth Sundays in the month, the Sunday Club meets during the main service, and shares their work with us on their return. This has continued to provide the children with a time of worship and teaching appropriate for their age and has continued to be led by an Authorised Lay Minister (ALM, Children, Family & Youth). The ALM also shares the leadership of the Emmaus Youth Club, which has met throughout the year, enjoying a wide variety of activities. This youth work creates a vital bridge into the community and supports a village where activities for young people locally are few.

Trustees Annual Report for 2024

Our aims and purposes as a charity

The PCC has responsibility for co-operating with the Incumbent, Reverend Heather Wilkin in:

- The promotion the gospel of the Lord Jesus Christ according to the doctrines and practices of the Church of England;
- Promoting the ecclesiastical parish the whole mission of the church, pastoral, social, evangelistic, and ecumenical.
- To know, love and follow Jesus better and to help others do the same;
- Practical support and care for people in the parish of all ages irrespective of their age, gender, sexuality, age, colour or financial situation;
- Providing support to those in need and, to other organisations with similar objectives.

The PCC also contributes to some of the running costs of a separately constituted charity known as Sharpthorne Hall.

What we planned to do to achieve our charitable objectives

When planning our activities for the year, our incumbent and the PCC have considered the Charity Commission’s guidance on public benefit and, in particular, the specific guidance on ‘charities for the advancement of religion’.

The council has complied with the duty under section 5 of the Safeguarding and Clergy Discipline Measure 2016, fully recognising its duty to have due regard to House of Bishops' guidance on safeguarding children and vulnerable adults.

St Margaret’s Church Mission Action Plan follows the strategy and vision of the Diocese of Chichester:

To be MORE OPEN, MORE CONVERTED TO JESUS CHRIST, MORE GENEROUS and MORE ENGAGED

This included the drawing in of members of our community on the fringes of church; development of our worship services; the growth of our work with children and young people; fundraising for ministry costs as well as for specific projects; completion of the facilities project and to find new ways to work in conjunction with the local community.
