The Ellie Penrose Fund
Report of the Trustees
for the Year Ended 31 October 2023

The trustees present their report with the financial statements of the charity for the year ended 31 October 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The charity provides sponsorship to young people aged 21 and under for equipment or kit for their sport.

The charity was set up after the passing of Ellie Penrose in August 2015. Ellie was a keen amateur sportswoman and triathlete, competing for Great Britain only the month before she passed away. She died from multiple organ failure and systemic sepsis.

Ellie's motto on her Instagram page is "If you wait until you can do everything for everybody, instead of doing something for somebody, you will do nothing for nobody." Ellie's family want the charity to follow this by doing something for someone.

The aim of the charity is to help young people access sport who would otherwise not have the funds to purchase kit or equipment. Cash is not offered. The hope is that this promotes a healthy recreation for a young person.

ACHIEVEMENT AND PERFORMANCE

The Fund has provided outdoor exercise equipment for a special educational needs school in Hull, rugby training equipment for a ladies' rugby team at Hull University, fencing equipment for Hull Crusaders Sword Club, individual fencing equipment, ballet/dance kit, netball kit, running shoes, canoe, and many other items to individual children for their sporting activities.

FINANCIAL REVIEW

The covid lockdowns affected the requests for help. Many people were restricted accessing sport, and we did not receive requests for help with funding.

The main funding is from other athletes entering competitions and requesting people to sponsor them. They ask for this sponsorship for Ellie's Fund. The Fund is also the charity partner of the Hell on the Humber (HOTH) event where they promote the Fund and offer charity places for those wishing to run for The Ellie Penrose Fund.

Reserves Policy

The charity holds reserves to cover the costs of expenditure should income dramatically fall. Currently the charity holds reserves for 12 months of expenditure totalling £4,000. The Level of reserves are £137,653 at the end of the financial year.

FUTURE PLANS

The hope is that Ellie's Fund can help as many young people as possible, for many years to come, to achieve their sporting goals.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Trustees of The Ellie Penrose Fund are the parents, siblings, and coach of Ellie.

The Trustees liaise to consider every application made to the Fund.

No recruitment of new trustees is envisaged.

None of the trustees are paid and all of the money raised goes directly to individuals requesting sponsorship.

No other charities or organisations are involved.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income received for services provided is accounted for on an accrual basis.

Donations, gifts and legacies are included in the income and expenditure as received. Any significant non-cash donations are included in the income and expenditure account at the trustees estimate of market value at the time received. The value of voluntary help is not included in the accounts.

Grants and other funding of a revenue nature are deferred and released to the income and expenditure account over the period to which they relate.

Bank interest is included in the income and expenditure account on an accrual basis.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
