Report of the Trustees for the year ended 31st December 2024

It is with great pleasure that we present Financial Report for the year ended December 2024. The financial statement have been prepared in accordance with the accounting policies set out on page 9 and comply with the charity trust deed and the recommendations of the Statement of Recommended Practice, Accounting and Reporting by Charities and complies with the applicable law.

Objectives of the Charity, Principal activities and Organisation of our work.

The Chapel Norwich, is a parish of the **The Redeemed Christian Church of God** which has parishes all over the world. RCCG The Chapel Norwich was constituted as a charity in its own right and is therefore governed by the charities Act 1993.

We have laid out RCCG The Chapel Norwich Objectives under six themes:

-  To teach the sound word of God, leading to result oriented prayers.
-  To further the advancement of Christian faith and relief of poverty
-  To organize children and youth activities and educating them to promote unity in the course of developing deeper spiritual growth. .
-  To offer facilities to the community that promotes social inclusion.
-  To work in cooperation with other Christian organization and support events to achieve Christian aims and objectives.
-  Weekly visit to local care homes and nursing homes

Development, activities and achievements this year.

The trustees are happy to reveal that the Charity continue to achieve significant progress in the quality and number of people impacted through the Church. All church activities have returned to in person attendance and virtual. We have planted a new church in Norwich.

Future Developments

We hope to continue to build on our past achievements. The trustees and the Management team are sparing no effort on capacity building so that more people can continue to benefit from the work of the charity.

The trustees hope that more effort in the area of prayer must be made in the coming year to sustain the peace and prosperity of all people in our local and national communities.

We are proposing an exchange charity shop where members will bring used clothes and other household essentials.

We currently collaborate with Tesco for food supply on a weekly basis for the homeless in the community.

Financial results and future activities

Membership is increasing. Many working adults are now joining the Church. Also an encouraging prospect has been observed recently in the membership of the church and we are hoping this will continue into the future.

We look forward to 2025 with great prospect and we can consider the present level of funding as adequate to support the continuation of the church objectives.

Risk Management.

The trustees actively review the major risks which the charity faces on a regular basis. The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that the systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen these risks.

Trustees' responsibilities in relation to the financial statement.

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the trustees are required to:

- ✚ Select suitable accounting policies and then apply them consistently;
- ✚ Make judgments and estimates that are reasonable and prudent;
- ✚ State whether applicable Accounting Standards and Statements of Recommended Practices have been followed subjects to any departure disclosed and explained in the financial statements; and
- ✚ Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

Volunteers.

Many volunteers give up their time to help at the church, particularly at weekends and in the evenings. We are greatly indebted to these volunteers for their commitment and support.

Approved by the trustees and signed on their behalf by:

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES

Recognition of incoming resources	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - the trustees are virtually certain they will receive the resources; and - the monetary value can be measured with sufficient reliability.
Incoming resources with related expenditure	Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.
Grants and donations	Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.
Tax reclaims on donations and gifts	Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.
Contractual income and performance related grants	This is only included in the SoFA once the related goods or services have been delivered.
Gifts in kind	Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised. Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity. Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.
Donated services and facilities	These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.
Volunteer help	The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.
Investment income	This is included in the accounts when receivable.
Investment gains and losses	This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.
Governance costs	Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.
Support Costs	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS

Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.
Investments	Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.
Stocks and work in progress	These are valued at the lower of cost or market value.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
