Report for Les Petits Caméléons

About the charity

Les Petits Caméléons, (charity number 1164264) which was founded in 2013, is a school which teaches French language and French culture to primary school age pupils living within a French family environment or who have been exposed to enough French language to be able to understand spoken French. The aim is to provide support to these families who speak French; develop their children's French skills; help them improve their communication skills and facilitate their possible integration into a French school in the future.

Les Petits Caméléons' school is based in Cambridge at this locations:

- Parkside Community College, Parkside, Cambridge (CB1 1EH)

On Saturday mornings, the school operates in Parkside Community College for three hours. Our pupils are divided into nine classes mostly according to their age and level:

- Three classes to improve french spoken skills (4 to 6 years old);
- Two classes to learn how to read french (6 to 8 years old);
- Two classes to master reading skills and learn written French (8 to 11 years old)
- Two classes for secondary school age children: One class Aurore year 6 to 7, 10 to 12 years old) and one class Flora (year 8 to 9 12 to 13 years old). This allows children to deepen their writing skills but also to be more exposed to French literature.

In total, the school now has around 150 pupils, eight teachers and up to three teacher assistants.

The teachers meet regularly to work on course content and exchange on teaching practices. Les Petits Caméléons' head teacher, Ms Pauline Montiel, meets regularly with all the teachers to discuss teaching practices, materials and the curriculum which is adapted to bilingual children. The teaching staff have five yearly meetings to discuss the preparation of the new school year as well as at the end of each term to discuss the term's achievements and issues as well as future plans.

Parents/teachers meetings are organised yearly. Les Petits Caméléons brings all of the community together during the school Christmas and summer fetes.

School's organisation

From an administrative point of view, the school is a charity and elected trustees take all decisions regarding the running of the school. The school also recruits the services of a Head Teacher. The trustees and the administrative staff are:

- Chair: Céline Ramond
- Deputy Chair: Audrey Wakim
- Treasurer: Jean-Charles Callu
- Deputy Treasurer: Loan Chamayou
- Secretary: Fabienne Ericher
- Deputy secretary: Aliénor Vellay
- Member: Hélène Grislin
- Member: Jérôme Boulanger
- Member: Anne Pajon
- Head teacher: Pauline Montiel

Les Petits Caméléons' charity recruits its trustees mostly among parents of pupils and school's teachers, but anyone can be appointed. New members may come forward at the general assembly meeting in July. Those obtaining a majority of charity members' votes are elected to become new trustees.

The committee of trustees meets one to three times per quarter depending on the level of activity, with peaks at the beginning and the end of the school year. All changes in the way the school operates are voted by the trustees during these meetings.

School's objectives and planned activities

The school's objectives are to achieve:

- High quality education
- Financial balance (no profit)
- Fair practice for all

Les Petits Caméléons

ÉCOLE DE FRANÇAIS

Training is continuously provided for teachers and effort will be put on improving the organisation of the school's resources. We had training for Safeguarding, First Aid has been provided to teachers and volunteers. Some teachers have also attended specialised training provided by a french organisation based in London helping french schools established outside France to get set-up and operate called "Le Parapluie FLAM".

Continuous review and improvement of Les Petits Caméléons' school's policies are carried out every year by the committee .

Contribution to the community

Les Petits Caméléons contribute to the community by offering a unique french education and french environment to french speaking pupils. The school delivers about 140 hours of teaching every year to a hundred and fifty pupils. In addition to the success of teaching French to pupils, Les Petits Caméléons bring together the french-speaking community twice a year at specific events.

The school has been steadily growing since its creation, with a dip due to the covid-19 pandemic, but it managed to grow again the level of enrolment in the past couple of years. Most pupils stay year after year in the school after joining. Les Petits Caméléons want to thank all the families for their support and the confidence they are showing in the charity.
