Achievements and Performance

	SORP reference	
--	----------------	--

Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Collaboration between statutory organisations, night time economy venues has enabled the Weymouth Street Pastor's volunteers to help care, help and listen to individuals in Weymouth town centre on Friday and Saturday nights. 2021 was another difficult year due to the pandemic, There were no shifts for the first quarter of the year. We resumed patrols at the beginning of April but with a number of restrictions. Due to social-distancing we could only interact verbally, no handing out of lollies, or flip-flops. If there was a need to assist someone worse for wear we had all the necessary PPE. Throughout this calendar year the Weymouth Street Pastor Team of 21 volunteers (5 of whom are Trustees) undertook 30 patrols which equate to 433 volunteer hours. 225 bottles of water and 7 space blankets were given out to those in need. The Trustees can report that the initiative continues to have a marked impact in the town centre. The significant reduction in alcohol related incidents has attributed to the minimal anti-social behaviour statistic whilst the teams are on the streets. Additionally, the team dealt with 26 alcohol, 1 drug and 1 health and mental health issues during their patrols. Supporting the community included picking up 534 bottles, 65 glasses and sweeping up 46 smashed glass items thus removing hazards. 103 Pairs of flip-flops were handed out to women seen walking bare foot, thus reducing the risk of injury. To support the safety and care of vulnerable people the team also helped 25 unwell clients to get help, engaged with 1 'at risk' young people and gave general advice/pastoral care to 36 individuals and 53 rough sleepers. We also accompanied 3 persons to a place of safety.
--	------------------	---

		The Trustees receive regular favourable comments from the police, local community leaders, town manager retailers and ward councillors. The initiative will continue to play its part in the night time economy of Weymouth and holds regular reviews and is in discussion with the local pub watch group and police. It is recognised that Street Pastors' ministry makes a real difference in reducing anti-social behaviour by being a visible non-threatening presence on the streets of Weymouth. Collaboration between Weymouth Street Pastors and other statutory agencies and licensees continues to result in the town maintaining the purple flag accreditation for management of the night time economy. During 2021 a new initiative called 'Safe Space' was setup with assistance from the Council, paramedics and Security staff. They were based at St Marys church initially in the car park but then moved into St Marys Church. If any member of the public is unwell or needs basic medical assistance they can be dealt with without the need to call for an ambulance.
