Aims and Objectives To relieve the suffering and distress of Bull Terriers in UK rescues which are in need by reason of sickness, maltreatment or poor circumstances. To promote humane behaviour towards animals, specifically Bull Terriers, by providing appropriate care, treatment and security for animals, specifically Bull Terriers, which are in need of care and attention by reason of sickness, maltreatment or ill usage and to educate the public in matters pertaining to the welfare of animals, specifically Bull Terriers and the prevention of cruelty and suffering among Bull Terriers.

Another successful year for West Country Bullie Walks.

Bullie Bash 12 was held at Holiday Resort Unity. Old friends met new friends travelling from all over the Country and also abroad with a great total being received. We had a live singer for the first time which went down well.

We have a great following with supporters and donations enabling us to continue helping Bull Terriers and Staffordshire Bull Terriers in UK rescues. We held auctions and received donations which enabled us to keep up the good work our members are doing so we can help the many rescues.

Membership has continued to increase and members are helping with home checks, rehoming and transporting dogs to new homes.

Our good reputation that we have built over the years continues which has helped donations come in from other parts of the country and has helped raise funds through the auctions we have put on and other virtual events on facebook.

Our main fundraising the walks, continue to bring in new members and form friendships from the many areas which the walks take place.

Thanks go to all the WCBW trustees, members and supporters who have help our continued success.
