2. STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity was established by a Constitution dated 10 November 2015 and registered with the Charity Commission on 10 November 2015 as a Charitable Incorporated Organisation governed by the proper law of England and Wales. The trustees of the Charity who are also the members have no liability for the Charity's debts.

The entire resources of the Charity have been unrestricted throughout the period and the trustees have complete discretion for the use of the funds in pursuance of the Charity's objectives.

The management of the Charity is conducted solely by the trustees.

The trustees' investment powers are unrestricted.

The number of trustees shall be a minimum of three. Future trustees shall be appointed by majority resolution by the existing trustees.

STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

Induction and Training

Should new trustees be appointed, a formal induction process will be conducted by the trustees. Other trustee training is undertaken as and when appropriate. All trustees are aware of their legal duties and obligations in respect of the management of the Charity, including in relation to the protection of its assets.

Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Internal Controls

The trustees have overall responsibility for ensuring that the Charity has appropriate systems of internal controls and for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements follow best practice and all applicable law regulation and guidance.

The trustees are also responsible for safeguarding the assets of the Charity and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

THREE MONKIES TRUST
REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 MARCH 2021

3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The objectives of the CIO are specifically restricted to such objects or purposes which are recognised as exclusively charitable under the law of England and Wales.

The trustees may use the income and the capital of the Charity in promoting the objects.

Grant Making Policy

The trustees' grant making policy will be to generally consider making donations by way of direct funding and grants to charitable organisations, recognised as such in their respective jurisdiction. The recipient projects must be seen as exclusively charitable under English law. The Charity has begun to put in place sound grant arrangements so that it can continue to properly select appropriate grantees and impose prudent terms on grants, including, as appropriate, monitoring and evaluation of the way in which funds are applied by grantees.

Statement of Public Benefit

The trustees are aware of the Charity Commission guidance on Public Benefit and confirm that they have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to it. They consider the information which follows in this annual report, about the Charity's aims, activities and achievements in the areas of interest that the Charity supports demonstrates the benefit to its beneficiaries and through them to the public, that arise from those activities.

4. ACHIEVEMENT AND PERFORMANCE

Charitable Activities

Charitable donations totalling £279,950 (2020: £143,116) were pledged during the year with a balance of £18,854 (2020: £13,500) outstanding at the year-end after discounting for long term commitments. The trustees' grant making policies are set out in section 3 of this report.

The accounting treatment in respect of grants is in line with that set out in the SORP (FRS 102).

5. FINANCIAL REVIEW

Incoming resources totalled £Nil (2020: £2,402,133).

During the year, no voluntary donations (2020: £2,018) were added to unrestricted funds of the charity and no contribution to the expendable endowment fund (2020: £2,400,000). A transfer of £200,000 (2020: £nil) was made from the expendable endowment fund to the general fund.

Governance costs of £5,016 (2020: £4,114) were incurred in the year. These costs relate to accountancy and sundry expenses incurred by the Charity during the year.

The balance of reserves at 31 March 2021 is £11,250,079 (2020: £9,395,876).

REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 MARCH 2021

FINANCIAL REVIEW (continued)

Investment Policy and Performance

The trustees have resolved to invest in open ended investment funds and zero coupon Government bonds. They consider this an appropriate strategy with regards to the risk exposure of the Charity together with the capital preservation and return.

Risk Management

A risk assessment has been undertaken which comprises:

- An annual review of the risks the Charity may face;
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Charity should those risks materialise.

This continuing process will identify risk areas to which the Charity is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

Reserves Policy

The trustees have no outstanding commitments or cash demands which are not adequately covered by existing resources. The net assets of the Charity are regarded as free reserves and the funds at 31 March 2021 will be retained to make grants in accordance with the Charity's charitable objects.

COVID-19

The Covid-19 pandemic has created significant operational pressures on all charities. The Charity is in the position of having sufficient assets with expenditure requirements which are within control of the Trustees. The pandemic, therefore, has not had a negative impact on the financial sustainability of the organisation and therefore, the Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.

6. PLANS FOR THE FUTURE

The trustees do not propose to deviate from the current objectives and activities of the Charity as detailed in section 3 of this report but will further develop and refine their strategies, policies and procedures in future.

**REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES
OF THREE MONKIES TRUST**

I report on the accounts of the trust for the year to 31 March 2021, which are set out on pages 6 to 13.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent Examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

THREE MONKIES TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES

Basis of accounting

Three Monkeys Trust ("the Charity" or "the CIO"), registered charity number 1164342 and registered company number CE005593, is based and administered in the United Kingdom. The registered address is 8a Belsize Court Garages, Belsize Lane, Hampstead, NW3 5AJ. The nature of the Charity's operations and principal activities are set out in the Trustees' Annual Report.

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with The Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("Charities SORP FRS 102") issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011 and UK Generally Accepted Practice. The Charity constitutes as a public benefit entity as defined by Charities SORP FRS 102.

The Charity has applied the provisions set out in FRS 102 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are presented in sterling which is the functional currency of the Charity.

Income

All income is recognised once the Charity has an entitlement to the income, it is probable that the income will be received and the amount of income receivable can be reliably measured.

Voluntary income and government grants derived from donations and grants are accounted for in the period in which the Charity is entitled to their receipt.

Investment income derived from interest on income bearing deposit accounts is recorded as and when received.

There is no investment income arising from the investments in zero coupon government bonds.

Expenditure

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the trustees to the expenditure.

Charitable activities comprise grants and donations made during the year and are expended through the SOFA when the offer is conveyed to the recipient.

Governance costs relate to the general running of the Charity, as opposed to the management functions inherent in generating funds, and are included in Charitable Activities.

Status of funds

The resources of the Charity are allocated between general and endowment funds. The trustees have complete discretion for their use in pursuance of their objectives.

THREE MONKIES TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. ACCOUNTING POLICIES (continued)

Fixed asset investments

Investments represent zero coupon government bonds and open ended investment funds and are included at closing mid-market value at the balance sheet date. Realised gains and losses on investments are recognised on disposal of investments and any gain or loss on revaluation is taken to the Statement of Financial Activities (SOFA). The determination of any gains and losses is calculated by reference to the value of such assets at the beginning of the accounting period.

Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts, when applicable, are shown within borrowings in current liabilities. Cash held by investment managers for investing is treated as part of the investment portfolio.

Provisions

Provisions are recognised when the Charity has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

Taxation

The Charity is not subject to any taxes on its charitable activities.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The Covid-19 pandemic has created significant operational and financial pressures on the global economy and businesses in general. Having considered the contingency plans in place, the support to businesses announced by the UK Government and having reviewed the level of funds held and the level of income and expenditure, together with the level of reserves for the Charity, the trustees consider the adoption of the going concern basis in preparing these financial statements is appropriate.

Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are recognised at transaction value, except where settlement is delayed, in which case the transaction is recognised at the present value of the settlement amount.
