Charity's Objects

The object of the charity is to enhance the development and education of children under statutory school age by encouraging parents to understand and provide for the needs of children through community groups.

Activities and Review of the year

The charity's main activities during the year were the provision of care and education for pre-school children giving a broad range of learning activities for personal development and transition into school. It aims to further the professional development of the trained staff and welcomes parents and carers into the setting.

On 1 September 2016, all assets were transferred from Bishops Tachbrook Pre-School Nursery (charity number 1033016) to this CIO of the same name.

Recruitment of trustees

New trustees are appointed based on their character, experience and suitability for trusteeship of the charity.

Risk and Reserve Policy

The board has established a policy of maintaining sufficient unrestricted funds in case of contingencies. As at 31 August 2022, the charity's funds were £132,430 (2021 £136,060).

The trustees have assessed the major risks to which the charity is exposed and are satisfied that systems are in place to mitigate our exposure to the major risks.

Public Benefit

The Trustees have applied the guidance from The Charities Commission relating to the Public benefit. Public benefit is inherent in the objects of the charity.

Investment Policy

The investment policy is set by the board, taking account of the demand on funds. The overall policy is for low risk investment with maximum return.

Financial Review

The charity was impacted by the effects of the COVID-19 pandemic. The nursery had to close its doors from 20 March 2020 and didn't reopen until July 2020. It received Early Years Funding and reclaimed payroll costs under the Job Retention Scheme. In January to March 2021, they only opened to offer 15 hours per week but reopened fully in April 2021. During this year, the nursery received a grant of £12,500 from Coventry and Warwickshire Cooperative Development Agency for 'Not for Profit' Organisations affected by the pandemic. The trustees have reviewed and considered the financial impact of the charity and have concluded that they currently have sufficient reserves to enable the charity to continue as a going concern for the foreseeable future.
