ACTION FOR DEMENTIA

REPORT OF THE TRUSTEES (CONTINUED)

For the year ended 31st March 2023

STRUCTURE, GOVERNANCE AND MANAGEMENT

Organisational status

Action for Dementia was registered as a charitable incorporated organisation (CIO) on 11th November 2015 under the provisions of the Charities Act (Charity number: 1164348) and is governed by a trust deed dated 3rd July 2014.

Organisational structure

The Board currently consists of four trustees and is responsible for key policy decisions and the effective governance of the organisation overall. The day to day running of the charity is undertaken by the trustee, J G Cotton. The Board meets three times a year to discuss the direction and progression of the charity, especially projects and how they are benefitting the community. All projects and events are organised and taken into the community by volunteers who report back to J G Cotton as the trustee running the operation on a regular basis.

Recruitment and appointment of new board members

Trustees are appointed to reflect the skills required to support the Board and its range of activities. The trustees themselves appoint new trustees to the Board either through volunteers or people they have met while working in the community. Such recruitment is based on their individual skills and empathy for the subject the Board provides appointees with a full orientation on the services provided, the decision-making processes of the charity and the roles and responsibilities of a trustee, including their legal obligations under applicable laws.

Risk management

The trustees have examined the major strategic, business and operational risks which the charity faces and confirm that systems have been established to ensure that regular reports are produced and that necessary steps can be taken to address any issues arising.

OBJECTIVES AND ACTIVITIES

The principal activities of the charity are:

- to raise awareness of the impact of dementia on affected patients and their families and carers.
- to improve the care and quality of life for people living with dementia and those who care for them.
- to facilitate improved care through enabling better and more specialised training for carers working with dementia.
- to work alongside other charities and organisations to support the improvement of existing services or projects and to develop new sustainable services and projects.
- to support research into dementia related care and development of treatment/care standards.

These services are offered on a charitable basis by the provision of grants, money items or services.

Public benefit

In setting out the charity's objectives and planning of activities the trustees have given careful consideration to the Charity Commission's general guidance and section 17(5) of the Charities Act 2011. The trustees are confident that the charity offers services of real and practical use to the local population and therefore complies with the responsibility placed on all charities under the Charities Act 2011 to demonstrate a public benefit.

For the year ended 31st March 2022

ACHIEVEMENTS AND PERFORMANCE

Since its founding in November 2015 the charity's aim was to raise awareness of dementia and surrounding issues and to build trust and credibility within the community. The charity was very pro-active in these aims and provided information on the services, organisations, groups and projects available to those suffering from all stages of the condition.

FUTURE PLANS

It was the intention of the trustees to close the charity due to a lack of funding but following a change in some of the trustee board, the decision has been withdrawn and the charity will now continue to operate.

FINANCIAL REVIEW

The attached statement of financial activities shows how funds were raised and applied during the year.

During the year ended 31st March 2023 incoming resources amounted to £601 (2022: £1,552). Resources expended amounted to £1,208 (2022: £2,561). The net result for the year was a deficit of £607 (2022: £1,009).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are free reserves of the charity, at levels which equate to an excess of its projected needs for the forthcoming year, thereby providing sufficient funds to cover management, administration and support costs and enable the ongoing development of projects. The trustees believe the net asset position is sufficient to satisfy such requirements although these levels of free reserves are reviewed on a regular basis.

Risk assessment

The trustees review the major risks faced by the charity during their regular meetings and confirm there are systems in place to mitigate them. Internal risks are minimised by the segregation of duties and procedures for authorisation of all transactions.

Acknowledgements

The trustees would like to express thanks to all the charity's volunteers who have provided invaluable resources during this period of activity.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

Under charity law, the trustees are responsible for preparing the Report of the Trustees and the financial statements for each financial year which show a true and fair view of the state of affairs of the charity and of the excess of income over expenditure for that period.

In preparing these financial statements, generally accepted accounting practice entails that the trustees:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether the recommendations of the Statement of Recommended Practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- state whether the financial statements comply with the trust deed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue its activities.

The trustees are required to act in accordance with the trust deed of the charity, within the framework of trust law. They are responsible for keeping proper accounting records, sufficient to disclose at any time, with reasonable accuracy, the financial position of the charity at that time, and to enable them to ensure that, where any statements of accounts are prepared by them under the Charities Act 2011 and the applicable Charity (Accounts and Reports) Regulations, those statements of accounts comply with the requirements of regulations under those provisions.

The trustees also have a general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the charity and to prevent and detect fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website.

ACTION FOR DEMENTIA

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 31st March 2023

1. ACCOUNTING POLICIES

Statutory information

Action for Dementia is a charitable incorporated organisation (CIO) registered with the Charity Commission in England. The registered charity number and address can be found in the Report of the Trustees on page 1.

Basis of preparation

The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) issued on 16th July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and United Kingdom Generally Accepted Practice as it applies from 1st January 2015.

The financial statements have been prepared to give a 'true and fair view' and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) issued on 16th July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

Action for Dementia meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

Cash flow

The charity is exempt from the requirement to prepare a cash flow statement as it qualifies as a small entity.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income from donations, legacies, fundraising and similar incoming resources are included in the period in which they are receivable.

Any income received for specific purpose is accounted for as restricted funds when receivable.

1. ACCOUNTING POLICIES (Continued)

Expenditure

Expenditure is accounted for on an accruals basis (inclusive of attributable value added tax which cannot be recovered) and has been classified under the principal categories related to the cost.

Costs allocated to activities in the furtherance of the charity's objects are those directly associated with achieving the charity's goals. Support costs are those incurred in connection with the management of the company's assets, organisational administration and compliance with constitutional and statutory requirements. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in the furtherance of the general activities of the charity. Surplus funds can be allocated to restricted projects if the trustees believe they are required.

Restricted funds are funds subject to specific restriction imposed by the donors for the purpose of any appeal in which the funds are raised and can only be used for particular purpose within the objects of the charity.

Fixed assets

Depreciation is provided at the following rates in order to write off each asset over its estimated useful life:

Website	20% on cost
Fixtures, fittings and office equipment	20% on cost

Taxation

The company is a registered charity and is therefore exempt from Income Tax and Corporation Tax under the provisions of Section 505(1) of the Income and Corporation Taxes Act 1988.
