Report of the trustees for the year ended 31 May 2022

The trustees present their annual report and financial statements of the charity for the year ended 31 May 2022. The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014.

The Mayor of Hillingdon's Charitable Trust is also known as the "Mayor of Hillingdon's Charity Appeal" with the relevant year on the end e.g. 2015/16, 2016/17 etc.

Structure, governance and management

The Trust is a registered charity, number 1164375, and is constituted under a Trust Deed dated 11 November 2015. The Trust was established by an initial donation by the London Borough of Hillingdon in 2015 of £5,000.

The Trust Deed provides for a minimum of 4 trustees. The trustees hold office for the following periods respectively – Chief Executive (3 years), Mayor of Hillingdon (for a period of office as Mayor or until decided by other Trustees), Leader of the Council, (3 years), Head of Finance (3 years).

The four Trustees will always consist of the Chief Executive of LB of Hillingdon, The Leader of the Council, the Director of Finance at the LB of Hillingdon and the current Mayor. Each year when a new Mayor becomes elected he/she is appointed a Trustee of the charity and the old Mayor resigns.

Councillor Becky Haggard-Kaikitis was appointed Trustee of the Mayor of Hillingdon's Charitable Trust following her election to the post of Mayor of Hillingdon at the Council's AGM on 12 May 2022. Councillor Roy Chamdal (past Mayor) resigned.

Objectives and activities for the public benefit

The objects of the charity are to benefit the residents of the London Borough of Hillingdon by supporting local charities and other institutions which contribute to improving their lives and well being, including health, education, alleviating poverty and community development.

The Trust receives income from donations, raffles and fund raising activities such as the Mayor's Quiz Nights or Themed Events. The beneficiaries will be decided each year at the start of the mayoral year at a meeting of the trustees when the trustees will discuss requests received. Beneficiaries will be charities and voluntary bodies. The purpose of the funding is to help improve the equipment, quality of life, care and support of the chosen charities/voluntary bodies.

The Trustees ask the charities or voluntary bodies to provide them with a wish list of items they need to purchase. The trustees will then decide on the items to be funded by the Mayor's Charitable Trust. The trustees will ensure the funds are used for the charitable purposes for which they have been given as the Mayor/Trustees visits the charities once items are purchased. The Trustees have had regard to the Charity Commission's guidance on public benefit.

During the Mayoral year 2021/22, the Mayor's Charitable Trust supported Domestic Abuse Survivors and Navratri Garba.

Domestic Abuse Survivors is a non-profit project which supports young people who are in the social care system in the borough. The project also hopes to provide an opportunity for young people to make positive memories which will last into adulthood, and a link to the charity's support if they need it in the future.

Navratri Garba mission is to selflessly serve those less fortunate and their key role is providing food to the vulnerable, lonely, homeless and those who cannot afford to buy healthy food.

For the future, the Mayor's Charity Appeal 2022/23 will be supporting: The Daniella Logun Foundation and The Magically Marvellous Picture House.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.
