TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 31 DECEMBER 2023

The Trustees present their annual report and financial statements for the year ended 31 December 2023.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019).

Objectives and activities

The objects of the charity, as detailed in the Memorandum and Articles of Association, are to advance the Orthodox Jewish faith in Great Britain, to establish and support such institutions as will serve this object and to advance such other purposes as are recognised as charitable, as the trustees shall determine.

The trustees propose that the charity will achieve these objectives through the promotion of the Jewish religion, the provision of facilities to enable Jewish members of the public to practice the Jewish religion and to enable them to observe Orthodox Jewish religious dietary laws relating to kosher food.

The charitable objects and activities of the charitable company were established through the transfers of the two properties from an unincorporated charitable undertaking (Union of the Orthodox Hebrew Congregations - charitable number 249892) by way of gift to the charitable company as its corporate successor charity.

Public benefit

The trustees confirm that they have complied with the duty in section 2 (1) (b) of the Charities Act 2011 to have due regard to the Charity Commission's general guidance on public benefit, 'Charities and Public Benefit'.

Volunteers

The charity has not made significant use of volunteers other than the trustees.

Achievements and performance

The charity continued to utilise the properties it owns to assist in the promotion of the Jewish religion by providing facilities to enable Jewish members of the public to practice the Jewish religion and to enable them to observe the Orthodox Jewish religious dietary laws relating to kosher food.

Financial review

The results for the year show that there was income of £49,488 (2021: £47,899). The total net income for the year was £Nil (2021: £Nil).

Reserves Policy

The charity has been able to achieve its objectives as reserves have been maintained to enable it to do so. At 31st December 2022, the unrestricted reserves amounted to £1,220,000 (2021: £1,220,000).

Investment Policies

The trustees' investment policies are governed by the company's Memorandum and Articles of Association, which permits the trustees to invest in such assets as they see fit.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2023

1 Accounting policies

Charity information

UOHC Properties Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 325-327 Oldfield Lane North, Greenford, Middlesex, UB6 0FX.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006, FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102") and the Charities SORP "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (effective 1 January 2019). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, [modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value]. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Donated services or facilities are recognised when the company has control over the item, any conditions associated with the donated item have been met, the receipt of economic benefit from the use of the company of the item is probable and that economic benefit can be measured reliably. In accordance with the Charities SORP (FRS102), the general volunteer time of the Friends is not recognised and refer to the Trustees' report for more information about their contribution.

On receipt, donated professional services and donated facilities are recognised on the basis of the value of the gift to the company which is the amount the company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

1.5 Resources expended

Expenditure is recognised once there is a legal or constrictive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

1.6 Tangible fixed assets

Freehold property

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Basic financial assets

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.
