Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects of the CIO are:

- For the public benefit to advance the education of children in the subjects of the Bulgarian language and the history, geography and culture of Bulgaria.
- To promote social inclusion for the public benefit of people in the Bulgarian community who are socially excluded on the grounds of their ethnic origin.
- To promote Bulgarian culture and heritage by providing opportunities for people to participate in traditional Bulgarian folk dance classes
- Such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

□ For the public benefit to advance the education of children in the subjects of the Bulgarian language and the history, geography and culture of Bulgaria

1. Bulgarian schools

The children in the community are a top priority for our Foundation. It is our responsibility as parents to keep the Bulgarian language and traditions alive and to hand them over to future generations.

Currently the BBF"St George" maintains three Sunday schools (Gloucester, Bristol and Newcastle) where more than 120 children learn about Bulgarian language, history and tradition.

The Bulgarian schools were founded with lots of love and dedication more than 7 years ago. Under the guidance of the BBF"St George" the schools achieved excellent results and were recognised as a members of the Association of the Bulgarian schools abroad.

Under the guidance of BBF"St George", the teaching teams in Bristol, Gloucester and Newcastle successfully, established contact and exchanged information with similar schools in Great Britain, Europe and around the world.

The schools work with children divided in the following groups:

1. Preparatory group (children under the age of 5 and such whose first language is not Bulgarian)
2. Children from Year 1 to Year 4
3. Children from Year 5 to Year 8 (new group, which required provision of teacher specialists in history and geography of Bulgaria)

The children are grouped according to their knowledge and abilities, not according to age.

The children study Bulgarian language and Literature, as well as History and Geography of Bulgaria; Bulgarian folklore traditions). Specialised books for children living abroad are used in the education process from the approved curriculum of the Bulgarian Ministry of Education and Science.

The annual fee is minimal, and the collected funds cover the rent of the premises, as well as the teachers' payments. At the end of the first academic year, thanks to the activity of the Foundation, through fundraising activities funds were raised to support the development of the school, which allowed us to reduce the annual tuition by £60 per child and to offer a discount for a second child at the same school. A third child from the same family receives free education.

The textbooks, as well as all other materials and equipment are free for the children.

2. Bulgarian School Mobile library

The mobile library was founded and is maintained by Mrs Ivelina Spasova-Dimitrova, a parent at Bulgarian school 'Hristo Botev'. The library boasts a collection of Bulgarian books for children and adults, donated by Bulgarians living in Great Britain and Bulgaria. At present the library is open only during the school working hours but we hope to have our own building in the future.

□ To promote social inclusion for the public benefit of people in the Bulgarian community who are socially excluded on the grounds of their ethnic origin.

Building life in a new culture brings about a variety of challenges for immigrants. Like many other recent immigrants, Bulgarians face language and cultural adjustment challenges and struggle with the dilemma of total assimilation and preservation of their own cultural heritage which is too often the root cause of tensions between family and or other community members. Bulgarian children and particularly those who are second generation Immigrants face additional challenges due to the absence of or presence of fragmented memories about Bulgarian culture. Identity confusion and a disconnection from Bulgarian cultural heritage present risks for the development of these children. We address these challenges by creating opportunities for generations of Bulgarian immigrants and their families to socialize and reconnect with their cultural heritage. The gatherings also help younger members of the Bulgarian community to fill the gaps that may already exist in their memories of Bulgarian language, culture and tradition. The encouragement of stable identity facilitates the integration in the UK society and culture. We organise and govern a Sunday school where young children learn Bulgarian language and history. We have a mobile library with collection of books in Bulgarian language to help them learn about Bulgarian literature. We run Bulgarian Folk dance classes for children and adults in several different places throughout South West of England.

□ To promote Bulgarian culture and heritage by providing opportunities for people to participate in traditional Bulgarian folk dance classes

Bulgarian school for folklore dance

1. Bulgarian group for folklore dances ‘Bulgarka’ in Gloucester

The group is founded and led by Mrs. Gergana Ivanova – an experienced dancer and choreographer. This group was the result of the interest of lots of people to learn Bulgarian folklore dances in their free time. The aim of the group is to preserve and popularise our folklore dance and songs through teaching people of all ages. It is Mrs. Ivanova's love for the Bulgarian national dance and folklore treasure that drives her in her desire to hand over her knowledge to those ones who enter the hall and succumb to the magic of dancing. Depending on their abilities the dancers can attend classes in different levels (beginners and advanced). The first performance of Folklore group ‘Bulgarian Lady’ was at the concert for the first anniversary of the founding of the Foundation.

2. Children’s Dance School at Bulgarian school ‘Hristo Botev’, Gloucester

The future dancers of Folklore group ‘Bulgarka’ are being taught at the Children’s Dance School. The dancing curriculum covers a set of dances, songs, games, as well as familiarising the children with different national customs and traditions. The methodology of teaching in the different groups is adapted to the age and abilities of the children.

We have been granted a single grant by the Bulgarian Ministry of Education and Science as part of the project ‘Mother tongue and culture abroad to buy national folkloire costumes for the dancers.

- Such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

Charitable causes

1. Fundraising in support of group of volunteers helping elderly people during COVID-19 pandemic lockdown

We have raised £220 to support the team of volunteers.

Team of volunteers of the Municipality of Burgas, have regularly delivered food and prescription medicines to the elderly and people in need during lockdown. Hot lines were active for orders of food and regular prescription medications. The service was set up in support of elderly, lonely and sick people who did not have family to help them. The team helped by delivering food and medications to those people.

2. Fundraising for hospital in Bulgaria to buy COVID-19 Tests.

We have raised £200 for buying COVID-19 tests.

Testing people for corona virus is important to help both diagnose individuals and understand how widely the virus is spread. Knowing who is infected and where, can allow the Bulgarian Health Service to plan and more effectively cope with intensive care demands. Testing can also help inform decisions to tighten or ease social distancing measures.

3. Fundraising in support of the Bulgarian Food Bank

We have raised £120 for this cause.

The Food bank needs volunteers who have several hours a week to distribute food, creating database, providing administrative support as well as sorting and organizing donated food.

4. Plittville School Coronavirus Crisis food

We have raised £500 for the Pittville school Coronavirus Crisis food parcels.

Pittville school in Cheltenham was delivering packed lunches to pupils amid the Coronavirus lockdown. The staff, from Pittville Secondary School, in Cheltenham, started helping those on free school meals "in the interim". About 30 lunches have been delivered a day. Staff started preparing packed lunches and delivering on Day one of the crisis, the Headteacher and many other teachers are involved in this charitable process.

Contribution made by volunteers

A major driving force of the BBF” St George” are our volunteers who give up their free time for popularising Bulgarian heritage culture and keeping the Bulgarian spirit alive. They organise theme events around every holiday – Christmas, Easter, Baba Marta, Bulgarian Liberation Day. All members give the best they can.
We have 25 regular volunteers.

Summary of the main achievements of the charity during the year

We have created opportunities for generations of Bulgarian immigrants and their families:

1. We have organised several social gatherings for generations of Bulgarian immigrants and their families to socialize and reconnect with their cultural heritage. This also helped younger members of the Bulgarian community to fill the gaps that may already exist in their memories of Bulgarian language, culture and tradition. The encouragement of stable identity facilitates the integration in the UK society and culture.
2. We organise and govern a Sunday schools where young children learn Bulgarian language and history.
3. We have a mobile library with collection of books in Bulgarian language to help them learn about Bulgarian literature.
4. We run Bulgarian Folk dance classes for children and adults in many different places throughout South West of England.

Most of all we have achieved the respect and support from our Bulgarian community which can be seen from some of the comments about our work from our supporters:

“The Bulgarian-British Foundation is a wonderful charity that works very hard to keep the Bulgarian spirit alive in the young community as well as bringing together and supporting the Bulgarian community as a whole” Iva Vrabtcheva

“BBF creates wonderful opportunities for the community to socialise and learn with special care for children and their parents and strives to deliver high standards to all activities that it organises.” Raia Androvska

“They are very kind, nice and reliable foundation.” Daniela Petkova

“So proud of St George foundation! Well done!” Zornica Miladinova

Respective responsibilities of trustees and examiner	The charity's trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act)) and that an independent examination is needed. It is my responsibility to • examine the accounts (under section 43 of the Act), • to follow the procedures laid down in the General Directions given by the Charity Commission (under section 43(7)(b) of the Act), and • to state whether particular matters have come to my attention.		
Basis of independent examiner's statement	My examination was carried out in accordance with General Directions given by the Charity Commissioners. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.		
Independent examiner's statement	In the course of my examination, no matter has come to my attention (other than that disclosed below *) 1. which gives me reasonable cause to believe that in, any material respect, the trustees have not met the requirements to ensure that: • proper accounting records are kept (in accordance with section 41 of the Act); and • accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act; or 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached. <i>* Please delete the words in the brackets if they do not apply.</i>
