Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	The Friends of Nepal Ambulance has had significant issues given the Covid-19 pandemic. This has meant the suspension of medical elective activity. The primary aim of this year was to restart our electives so that our connection with Nepal could be re-established.
