St. James Deeping Signal Box Group

Trustees' Report

The trustees present the annual report together with the financial statements of the charity for the year ended 31 December 2024.

Reference and Administrative Details

Trustees	Stuart Hall (Chair) Richard Brader Lynda Hall
Principal Office	149 Station Road Deeping St James Peterborough Lincolnshire PE6 8RH
Charity Registration Number	1164467

St. James Deeping Signal Box Group

Trustees' Report

St. James Deeping Signal Box Group was established and registered with the Charity Commission in November 2015 and is governed by a trust deed dated the same date. Its charity number is 1164467 and it is registered as a Charitable Incorporated Organisation.

Objects

The object of the charity is to rebuild the local signal box in Deeping St James to how a working signal box used to operate in the mid-1900's, as well as to give talks about the railway and local heritage.

Trustees

The trustees who served the charity during the period were as detailed on Page 1.

New trustees are recruited from a group who have shown a keen interest in the work of the charity and have abilities required on the governing body. Training is provided to keep trustees up to date with new legislation etc. as required.

Public Benefit

The trustees have given due regard to the guidance published by the Charity Commission on public benefit.

The trustees consider that the full details of the public benefit have been disclosed within the activities, achievements and performance sections below.

Achievements and performance

Highlights

Firstly our apologies for the delay in submitting our annual report to you. Unfortunately The St James Deeping Signal Box charity is dormant at the moment as we are struggling to get the support we need to see the project through. With only 3 trustees (as a result of death and illness and home relocation) we just cannot maintain the level of enthusiasm and experience needed to move forward.

St. James Deeping Signal Box Group

Trustees' Report

Highlights Continued

We are having last effort to push forward and revive the project, but if this is not possible, we are in negotiations with another railway heritage group, The Nene Valley Railway, located in Peterborough who would like to take on the rebuild of the box as part of an extension to one of their projects. Although sadly this would not be in the location of the original hoped for rebuild.

Our finances have received no income this year, but we have paid out for the necessary expenses.

We hope you understand our position and the disappointment we feel at not being able to successfully complete the project.

We will of course keep you informed of any future developments.

We confirm that the above report is a true and fair representation of the charity's work for the financial year 01/01/2024 to 31/12/2024.

The annual report was approved by the trustees of the charity on 01/12/25 and signed on its behalf by:

Mr S Hall

Chairman

Mrs L Hall

Secretary

Notes to the Financial Statements for the Year Ended 31 December 2024

1 Accounting policies

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

Basis of preparation

St. James Deeping Signal Box Group meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Judgement and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that effect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Income and endowments

Voluntary income including donations, gifts, legacies and grants that provide core funding or are of a general nature is recognised when the charity has entitlement to the income, it is probable that the income will be received and the amount can be measured with sufficient reliability.

Donations and legacies

Donations and legacies are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

St. James Deeping Signal Box Group

Notes to the Financial Statements for the Year Ended 31 December 2024

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources.

Raising funds costs

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities costs

Charitable activities include the cost of the activities defined by the charity's aims for the benefit of the persons detailed in the charity's objectives.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets are recorded at cost.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.
