Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)

We are governed by a constitution.

How the charity is constituted
(eg. trust, association, company)

We are a CIO (Charitable Incorporated Organisation).

Trustee selection methods
(eg. appointed by, elected by)

Our constitution confirms that new trustees may be nominated and appointed by current Trustees.

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

We continue to operate with a small group of trustees (two former parents of Pre-School children and our two Pre-School Managers), though we hope that new members may join our committee and take on a trustee role in the near future.

Safeguarding - All Trustees are subject to a DBS check and are required to understand their safeguarding responsibilities (as outlined in Keeping Children Safe in Education 2023). We undertake regular safeguarding training and have this as a rolling agenda item at our committee meetings.

Training and Induction - Trustees meet regularly and work collaboratively on all aspects of the role. Induction and training routinely take place during regular committee meetings. We also access external training when required for example from The Education People or National College.

Wider Networks The Pre-School has been the lead setting of a local collaboration of similar settings until the end of the academic year 2023 and we continue to work with a number of external professionals, including Early Years Inclusion Advisors, the Local Inclusion Forum Team (consisting of Specialist Teachers, Health Visitors and Social Services representatives), a Sufficiency Officer etc. Pre-School staff continue to work collaboratively with staff from the Anthony Roper Primary School, for example to support student transitions.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

As outlined in our governing document (constitution):
The charity works for the public benefit having as its objective the development and education of children and young people, in particular by:

- (1) promoting their care and safety,
- (2) promoting their education and promoting parental involvement,
- (3) promoting their health and wellbeing,
- (4) providing services to support them and their families and carers.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In relation to these objectives, the charity's main activity is to deliver the Early Year Foundation Stage to children aged 2-5, within our inclusive setting.

We do this by employing experienced, well qualified and highly competent Pre-School Managers and a team of talented Early Years Educators, who together provide opportunities for all children to learn, develop, stay safe and healthy. Our work being expertly supported by our work of our Admin Assistant.

We are guided by the needs and interests of our children and continue to deploy a key person approach to ensure the progress and well-being of individual children is carefully monitored.

We provide our staff with regular training and maintain a stimulating learning environment.

We listen to the views of children, parents and staff and use feedback to inform our improvement work.

We accurately assess our children and develop positive relationships with our stakeholders.

We value all children as individuals, we celebrate diversity, and we help the children in our care to be happy and healthy.

We have policies and procedures in place for all aspects of our work including safeguarding, child protection and health and safety.

In all of our work we (the trustees) have regard to the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

We are not involved in grant making or social investments.

We remain grateful to the efforts of our staff and parents in generating fundraising income, where possible.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

In terms of our main achievements this academic year (September 2022 to July 2023):

- We are pleased to have completed a further academic year during which Covid had a less significant impact on our community.
- We continue to employ a talented team of Early Educators who are in turn lead by extremely experienced and knowledgeable managers. Our staff are our most valuable asset, and we remain unfortunate to have retained a well-trained team of able and enthusiastic practitioners.
- We have delivered high quality education to the children attending our setting and working proactively with our parent/carer stakeholders we are committed to evaluating and wherever possible improving provision.
- We are proud to have gained the Education for Sustainable Development Award this year, being judged as 'excellent' in all areas. This recognises the significant focus of our setting on the environment and on re-using and re-cycling.
- We are pleased to have been able to remain financially stable. This has not been the case for a number of local similar settings who have since ceased to exist. In 2022-23 like many settings we experienced a number of external factors that increased our outgoings, while, at the same time, we saw the number of children on our roll fall, in the main as a result of fewer parents electing to access early years education, beyond funded hours. This provided the setting with a period of challenge. Fortunately, as a result of the efforts of all members of our team and in particular as a result of the work completed by our treasurer and our administrator, we were able to navigate this challenging period. Working proactively with our external Sufficiency Officer, subsequently, we have planned and delivered a number of new approaches to help protect the setting financially going forward, despite the ongoing challenges to early years settings nationally.

Section E

Financial review

Brief statement of the charity's policy on reserves

Our policy is to hold the equivalent of a (short) term's funds as a reserve to enable us to manage cash flow during the autumn terms, when income is lower and to enable us to pay our staff, should the Pre-School need to close for a period due to unforeseen circumstances, such as building damage. We are currently working to build up our reserves following this year's financial challenges.

Details of any funds materially in deficit

No funds are materially in deficit currently.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The charity's main sources of funds are fees collected from children (mainly aged 2 years) and income received from KCC for those children aged 3 and above who are entitled to funded sessions. We receive a smaller amount of funding for children identified as Free for Two (FF2). We receive some funding via fundraising.

Recognition of income	These are included in the Statement of Financial Activities (SoFA) when: - the charity becomes entitled to the resources; - it is more likely than not that the trustees will receive the resources; and - the monetary value can be measured with sufficient reliability.	Yes	No	N/a
		☒	☐	☐
Offsetting	There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.	Yes	No	N/a

		☒	☐	☐
Legacies	In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SoFA when receipt is probable, that is, when there has been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	Yes	No	N/a
		☐	☐	☒
Government grants	The charity has received government grants in the reporting period	Yes	No	N/a
		☒	☐	☐

Yes	No	N/a
		☐	☐	☒
Contractual income and performance related grants	This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.	Yes	No	N/a

		☐	☐	☒
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'income from other trading activities' with the corresponding stock recognised in the balance sheet. I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/08/2021.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
