Structure, Governance and Management

Governing Document

The organisation is a Charitable Incorporated Organisation (CIO), registered as a charity on 1st December 2014. The charity was established with a constitution who's only voting members are its charity trustees. In the event of the charity being wound up the trustees have no liability to settle its debts and liabilities.

Recruitment and Appointment of the Trustees

Under the requirements of the Constitution, except for the initial Trustees, every Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the Trustees.

There shall be a minimum of three and a maximum of twelve Trustees.

Any person retiring as a Trustee is eligible for reappointment.

All members of the Trustees give their time voluntarily and received no benefits from the charity.

Organisational Structure

Gateway Church Northumberland has up to 12 Charity Trustees who are responsible for ensuring all legal requirements of the charity are met. The strategic and spiritual direction and pastoral oversight of Gateway Church Northumberland are the responsibility of the Church Elders.

Responsibilities of the Trustees

The Trustees prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the Trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;

- prepare the financial statements on the going concern basis unless it is not appropriate to assume that the charity will continue on that basis.

The Trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the CIO and to enable them to ensure that the financial statements comply with the Companies Act 1985. The Trustees are also responsible for safeguarding the assets of the CIO and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Members of the Trustees

Members of the Trustees, who served during the year and up to the date of this report are set out on page 3. As the CIO's Trustees, we certify that:

- as far as we are aware, there is no relevant audit information of which the charity's auditors are unaware; and
- we have taken all the steps that we ought to have taken in order to make ourselves aware of any relevant audit information and to establish that the charity's auditors are aware of that information.

Our Aims and Objectives

Purposes and Aims

Our charity's purposes as set out in the objects contained in the CIO's constitution:

- the advancement of the Christian Religion in the United Kingdom and overseas in accordance with the statement of faith produced by the Evangelical Alliance
- to relieve people who are in charitable need because of:
 - sickness or poor health
 - age
 - financial hardship or
 - some other reason by any proper means as the trustees think fit and including (where appropriate but not by way of limitation) the provision of advice, the promotions of good practices to combat such conditions and the provision of resources to alleviate or prevent need.

Ensuring our work delivers our aims

Each year we review our objects and activities to ensure that what we are doing meets the objects of the charity. In reviewing the year, it helps us focus on what we need to do in the coming year in order to further our aims.

The focus of our work

The work of Gateway Church Northumberland is always to "Love God, Love Each Other and Serve the Community." We seek to ensure we achieve these by meeting together to worship God both in a weekly large gathering and during the week in small groups, through meeting up for coffee in friendship groups, holding social events and by helping out members of our community when it is needed, whether they are part of Gateway Community Church or not.

How our activities deliver public benefit

Who used and benefited from Gateway Church Northumberland?

Gateway Church Northumberland gathers people of all ages, from a wide variety of backgrounds and nationalities, from twenty miles in all directions and is open for anyone to come along to any of our meetings, events, and activities. Sunday meetings have regularly been attended by 40+ people. We gather families and singles, people with a wide range of health issues, those in financial need and those who have the ability to help support people in their own community and beyond. People from the church help out at the local charities, work with Gateway into Life, give practical help to their neighbours and raise money for local, national, and international charities.

The last 12 months ~ from the Chair

It seems to me that this has been a year of allowing God to deepen us in the foundations of our faith, with, we trust, individuals growing in their relationship with Him. In all our activities though, our heart is still to see God glorified and His Kingdom increased. Our emphasis continues to be on building relationships rather than putting on meetings. We put on record, year after year, that God continues to remain faithful and continues to bless us. We are so grateful to Him. We believe, God, who has provided our needs thus far, and as always has far exceeded them, will continue to do so in all the areas of the church's work. Our commitment is to prayer, particularly seen in the Wednesday morning prayer meeting, in the meeting together before the Sunday meeting to pray and in the fortnightly prayer meeting in Amble. We believe that God will use us, along with others, as a body of believers to further His purposes in Northumberland and beyond.

Our numbers have remained constant this year, although there have been some comings and goings. However, we must remind ourselves that growth is not measured in terms of numbers.

Sundays continue to be a day when we have been aware of His presence and we again acknowledge the outstanding work put in by Joss and Gill. We must not take this for granted. Gill has ably and sensitively led us in worship, and she has been ably supported by the worship team. We continue to be thankful to those who manage the sound desk and words for the screen and, also those who set up the chairs and tables. Washer uppers and driers have been indispensable in their service.

The arrival of an influx of younger people from the neighbourhood has been a challenge and a blessing. This has, and remains to be, a great opportunity to share and demonstrate the love of Jesus. It has been a learning process for us all, particularly for the elders, and the adjustments to the meeting, in breaking the worship into 2 shorter parts, has been, I believe, of benefit to the whole body. As the family grows, we have to make adjustments, but still ensure that Jesus is central, and that all are cared for.

There are 4 teams that prepare the Sunday lunch, who are ably assisted by others. Wonderful food, great family commitment to us as a church and the meals and fellowship add so much to us in our church family life. We continue to be amazed at how well the cooks cope with numbers,

particularly as there are those who arrive having not signed up for the meal. Our gratefulness for their commitment is often under expressed but we do remain unbelievably thankful for all that they do. The eating together is essential for binding us together as a body of believers.

The preaching continues to be shared out between the elders. Over the last year, at Gateway, we have journeyed our way through 1 John, studied in detail the book of Acts, and are commencing our focus on 'What did Jesus say about '. In addition, we have had our Easter and Christmas emphases, alongside our joint Christmas service with St James'. Our prayer continues to be that we would be doers of the Word, and not hearers only.

The children have continued to benefit considerably from Susan's leadership and dedication over the year, and we just want to thank her for her commitment. Our prayer is that she also may know God's blessing in all that she does along with all those who support the work. There has been a fully committed team of teachers and helpers this year. I am sure that the parents echo my thanks to those who work with the children. One or two have stepped up to support the teachers, but additional teachers would always be welcomed. We continue to have communion every 2 weeks with many being involved in leading us to the Lord's table.

In terms of midweek, the elders continue to meet on Thursdays and have one meeting a month with the wider leadership team to pray for all aspects of the church's work. The elders continue to be supported by Regions Beyond through regular contact with other leaders across the country and world and through our ongoing relationship with Ray Lowe. There is a regional hub for northern church leaders which adds that extra support. Dave is involved with the North East Gospel Partnership, which involves leaders from evangelical churches across our region.

Our Easter Sunday morning service on Alnmouth beach was enjoyed by all, as, undoubtedly, was the cooked breakfast afterwards. Our church weekend was again a highlight of the year, with a real sense of family togetherness and more importantly, a real sense of the presence of God. Ray Lowe's preaching, as ever, was so encouraging as he brought together a conclusion to our study of the book of Acts. We have said it before, but we so much appreciated Joss and Gill's hospitality. It seems that this year, incredibly so, that there was more available over the 2 days, yet still time to relax and enjoy each other's company.

The discipleship groups continue, and these meetings cannot be overemphasised. Good relationships are being maintained and a good grounding in the scriptures has taken place. Prayer continues to be part of the group's life, and we as a church will die if we are not committed to prayer.

Brian's Big Breakfast continues to be highly successful and appreciated by all who attend. It is just so good to meet around the area, blessing local cafes or golf clubs and using the opportunity to invite friends along to the meal as well.

Outside of the regular church activities, there have been other activities. The Badminton group continues with additional members and there has been an increase in activity from the Gateway Bikers.

We continue to have strong links with Freedom Church in Waddington, where Joss and Gill have steady input into the leadership team. Also, the youth had an encouraging time at New Day where they met up with those from Freedom Church. Alongside these, the church had a positive day at Durham, joining with other Regions Beyond churches from the North.

Joss and Gill have continued to develop their close relationship with Letsema and Pete West, a Regions Beyond leader in Lesotho. The personal support of Letsema from many members of the church has been great to see. In addition to Letsema, the church supports financially seven Regions Beyond churches in Lesotho and Free State in South Africa. We trust to hear much more of God's work over there.

There continues to be a tremendous amount of unseen pastoral work done, many lifts offered to those without cars and all this loving service is genuinely appreciated.

Finally, can I thank my fellow trustees for their invaluable work, handling the financial and administrative side of the church and would highlight our need for a fresh input from any others who would like to consider the role of a trustee.

We are one body and we all have our part to play and all of us must continue to have our focus on Jesus and our hearts filled with compassion for those who, as yet, do not know Him.

Contribution of Volunteers

Gateway Church Northumberland is run by volunteers as we have no paid workers. Everything we do is reliant on these volunteers: cooking Sunday lunch, setting out tables and chairs, setting up the PA, playing in the band, washing up, preaching God's word, visiting people, giving lifts to appointments, transporting people to events, gardening for community members, setting up Zoom meetings, delivering food parcels and much more. Everyone can and does do something to help out, whatever their age, ability, or gender.

Carrying out our Plans for the future

As we continue through 2025 and into 2026, we will continue to Love God, Love Each Other and Serve our Communities and Desperately Expecting God to Breakthrough into our lives and into the lives of the people around us. We will continue to learn to be relaxed in God, be reliant on God and be ready for God. We will continue to meet on Sunday afternoons at Shilbottle Community Hall. Through the week we will continue to support each other as part of God's family through the Discipleship Groups, the use of WhatsApp and in person where appropriate. We will continue to support each other practically, where possible, and also reach out into our communities to demonstrate God's love to all. The Big Breakfasts which happen monthly in various locations continue.

As we go on through the next year and beyond, we expect the discipleship groups to continue to grow and that new groups will be formed as we seek to find the best way to organise the groups. We would like to run more ALPHA courses and hope to run a Marriage Course to offer time for couples to strengthen their marriages.

We expect the links between ourselves and Freedom Church in Waddington to continue to strengthen and for us to support the leadership there as they establish their church and the

people that are part of them. We are also continuing to see our relationship with other leaders across the Regions Beyond group of churches deepen and strengthen, receiving and giving support to each other. In particular we will be maintaining and building our relationship with Ray Lowe as an apostolic input into the church. Dave will also continue to develop relationships with leaders from evangelical churches from the North East.

Our support of prison ministry will continue both financially, through Junction42, and with people being involved in a variety of ways, including through voluntary work and those employed by NEPACS. We will continue to support “Gateway into Life” including providing some of the trustees. We will also continue to support Christian work - in particular supporting the Glorious Tabernacle church in Lesotho along with the other Regions Beyond churches in Lesotho and the group of churches we belong to, Regions Beyond – which is part of Newfrontiers.

We also continue aim to use the Gateway Bikers, Gateway Badminton, Gateway Golfers, further church walks and other social events to build relationships with people in our communities.

We continue to aspire to use at least 50% of our income to help others.

Financial review

Overview

We began the financial year (April 1st 2024) with £53840 in the bank and ended the financial year (31st March 2025) with £67249 in the bank, giving us a profit on the year of £12258. This was due to an increase of generous giving over the year, an increase in our Gift Aid income and not reaching our target of giving 50% of donated income away.

Our income from donations from church members has increased on the previous year, more members are continuing to give through the bank. Our Gift Aid payment from HMRC also increased to £8813!!

Our outgoings have also increased slightly over the last year. This is partly due to the increase in living costs. We also had our Church Weekend, our normal outgoings for licences and subscriptions with thirtyone:eight (formally CCPAS), Worship Tools (online song projection facility) and CCLI plus the monthly subscription for the children’s work along with our licences for Zoom and online streaming permissions.

We set out with the intention of trying to give 50% of our donation income away. 50% would have been £23056; we gave away £15967, 34% of our income, which was more than last year. This was to the charities we are committed to giving to and to members of the church in need of support. Donations are made regularly to Regions Beyond Churches, the Bible Network, Gateway into Life, Contagious Charity and Junction42. We have also given donations to the Royal British Legion (wreath for Remembrance Day), members of the church and Letsema Thejane (Church Leader in Lesotho).

The recommendation is that we continue to try to give at least 50% of donated income away, but that we also aim to keep 6 months out goings in reserve ~ i.e. £23500 with the current rate of monthly outgoings (for 2024-25) and the extras we are committed to. In the current financial year, we are expecting income to stay about the same and expenditure to continue to increase due to rising living costs.

Principal Funding Sources

Gateway Church Northumberland's only funding source is the donations of the church members.

Reserves Policy

The Trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds held by the charity should be at least 6 months of the expenditure. Budgeted expenditure for 2025-26 is £53970 and therefore the target is £26985 in the general funds. The reserves are needed to meet the day-to-day expenditure requirements of the charity, and the Trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. At the end of 2024-25, the general funds had £67249 easily giving us our 6-month buffer going forward. The strategy is to continue to maintain a 6-month buffer whilst aiming to give away at least 50% of our donated income, which includes the Gift Aid claim from HMRC.

Auditors

Lucid Accounting Ltd have been appointed as the charitable company's auditors during the year.

This report has been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities (issued in March 2005) and in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small entities.

Give details in this box of any material changes that have been made.

1.3 Changes to previous accounts

No changes have been made to accounts for previous years.

Give details in this box of any material changes that have been made.

Note 2**Accounting policies**

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.
