TRUSTEES' ANNUAL REPORT FOR THE PERIOD 1 AUGUST 2024 TO 31 JULY 2025

The trustees present their report with the financial statements of the charity for the period 1 August 2024 to 31 July 2025

STRUCTURE, GOVERNANCE & MANAGEMENT

Governing Document

The charity is a Charitable Incorporated Organisation, governed by a Constitution, and is registered with the Charity Commission under charity number 1164642.

Organisational Structure

The trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits to fulfil this role. The charity trustees meet on a quarterly basis and are responsible for all decisions taken in relation to the overall control and strategic management of the charity. The operational management of the charity is delegated to sub committees. These sub committees meet on a weekly basis.

Recruitment, Appointment and Training of Trustees

The existing trustees are responsible for the appointment of new trustees. New trustees are brought into the organisation, when required, on the basis of eligibility, competence, specialist knowledge and skills. It is the policy of Al-Ihsaan Academy that each trustee during induction is given a copy of the constitution, the latest accounts, recent meeting minutes and guidance regarding the policies and procedures adopted by the charity.

Risk Management

Risks are assessed, identified, managed and constantly reviewed. A set of policies and procedures are developed to manage risks, which form the internal controls framework. The policies are set by the trustees and the implementations are delegated to the management team. The relevant policies and procedures are communicated to all staff and training is given where applicable. Periodic policy reviews are undertaken in order to ensure the internal controls framework remains relevant. The organisation has both employer liability and public liability insurance policies in place. All employees are put through appropriate Disclosure and Barring Service checks.

TRUSTEES' ANNUAL REPORT FOR THE PERIOD 1 AUGUST 2024 TO 31 JULY 2025

Public Benefit

The trustees of Al-Ihsaan Academy regularly review the services provided to ensure that there is relevant, targeted, local and public benefit. In carrying out this review the trustees ensure compliance to the Charity Commission's general guidance on public benefit and in particular its supplementary public guidance on the advancement of religion for the public benefit.

ACTIVITIES, ACHIEVEMENTS AND PERFORMANCE

The Academy offers a range of activities in pursuit of its objectives stated above for the public benefit. The activities detailed below provide benefit to those who attend the Academy's premises in person as well as the wider public locally and nationally. The Academy was able to expand on these activities with the purchase of the new premises, the former Ilford Preparatory School, which was acquired in September 2017.

Religious Services

The Academy is engaged in positive endeavours in trying to introduce the pristine message of Islam and to educate Muslims and non-Muslims alike on various aspects of the religion. The Academy's current activities and services include:

- **Daily Prayers:** The Academy facilitates the 5 daily prayers, Friday prayers and the two Eid Prayers for the public throughout the year.
- **Evening Madrasah (Islamic Educational classes)** - The Madrasah consists of approximately 330 children (both boys and girls) aged 5-13 who are taught a variety of subjects ranging from Qur'anic recitation, Aqeedah (Islamic Creed), Seerah & Taareekh (Islamic History), Fiqh (Jurisprudence), Akhlaaq (Good Character) etc.
- **Further Education (F.E.) Classes for youth aged 13 and over** - This course was specifically initiated to target those youth who may have left the evening Madrasah and find themselves to have a lot more free time. The aim of this course is to further their Islamic studies and focus on their tarbiyyah (moral and spiritual nurturing) enabling them to become better Muslims and in turn, become better citizens.
- **Hifdh (Qur'an memorisation) Class** - Al-Ihsaan Academy has a Hifdh class operating mornings and evenings. This class is designed to cater for each individual student according to his capabilities and potential, with an emphasis on the importance of Tajwīd (Qur'ānic Phonetics / Intonation) and rules of recitation. The syllabus has been prepared in a manner that will enable a student to memorise the entire Qur'ān (approximately over 6,000 verses) and retain it. Alongside the Hifdh, a lot of emphasis and training is given on spiritual and moral development, to ensure these children who will graduate as Huffadh (those who have memorised the entire Quran) will have the qualities and characteristics expected from a Hafidh.

The above classes cater for all types of children and have proven to be instrumental in safeguarding and enhancing the religious and moral well-being of those who attend.

Prize giving and completion ceremonies for the above are held every year. These events are open to the public and allow them to remain informed of the Academy's educational activities. The End of Year Prize Giving Jalsahs were conducted in July whilst the Mid-year Prize Giving Jalsahs were held in February.

TRUSTEES' ANNUAL REPORT FOR THE PERIOD 1 AUGUST 2024 TO 31 JULY 2025

- **Educational Trips** - Al-Ihsaan Academy occasionally holds educational and recreational trips to various places. Fun days are also organised to local parks, and other days are spent on in-house fun educational activities.

Adult Learning Classes - The Academy offers a range of classes for adults in college/university, full time employment or even retired individuals who wish to further their Islamic knowledge. These classes take place during term time only corresponding with the academic calendar. Our students currently benefit from such classes with the following choice of enrolment:

- **Tajweed classes** – These classes take place once a week. This class enables the students to learn the correct pronunciation of the Arabic letters with all its qualities and enables students to adorn their recitation of the Glorious Qur'an with all the necessary rules.
- **Essential Islamic Education Classes** – These classes are taught to adults in a welcoming classroom setting once a week. Topics range from Aqeedah (Islamic Creed), Seerah & Taareekh (Islamic History), Fiqh (Jurisprudence) and Hadith (traditions of Prophet Muhammad *may peace and blessings be upon him*).

This course is perfect for those individuals who are new to Islam, those who have not had the opportunity to study when young or even for those who want to refresh their core knowledge of Islam.

- **Advanced Islamic Education Classes** - A more in-depth study of Islamic education is imparted to students, once a week, and over a number of years.
- **Hifdh Refresher Classes**

The Hifdh Refresher classes are facilitated for those individuals who have previously memorised the Qur'an and wish to revise and refresh it. Class timings are flexible in order to work around the availabilities of the students.

There were twenty four members of staff engaged in delivering the educational activities described above.

- **Seasonal Programmes** - Occasionally, the Academy holds programmes for the community's benefit. These programmes provide an educational and inspirational boost and address many misconceptions regarding Islam. It also serves as a counselling session and promotes good morals & character.
- **Hajj Programme** - The sacred pilgrimage, is the fifth pillar of Islam. It is a journey that Muslims are required to undertake once in a lifetime subject to meeting certain necessary conditions. Many prospective pilgrims are rightly concerned and mindful to ensure they prepare and educate themselves properly before embarking on such an auspicious journey. To meet these concerns, Al-Ihsaan Academy runs an annual Hajj programme which provides comprehensive guidance to intending pilgrims. The programme discusses the essential rituals of Hajj and is followed by a question and answer session. Beneficial literature is also distributed at the end of the session.

- **Publication department** - Informative and inspirational literature is published and/or distributed from time to time in order to further the Academy's objectives. These take the form of leaflets which cover a wide range of topics and contemporary issues impacting the lives of Muslims. Other beneficial educative cards are also published to spread the beautiful teachings of Islam.

By the grace of Allah Ta'ala, and through the overwhelming support of our donors and well-wishers, the total amount has now been fully repaid.

The Trustees express their sincere gratitude for the continued support shown by our donors and humbly request your ongoing support towards Al-Ihsaan Academy's running costs, as well as its current and future projects.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD
1 AUGUST 2024 TO 31 JULY 2025**

1. Accounting policies

a) General Information

Al-Ihsaan Academy is a registered charity. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities are set out on page 2.

b) Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act, and UK Generally Accepted Practice as it applies from 1 January 2015.

The financial statements have been prepared to give a 'true and fair' view and have departed from Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include investment property at fair value. The financial statements are prepared in Pound Sterling (£) which is the functional currency of the charity. These financial statements have been prepared for the 12 months period from 1 August 2024 to 31 July 2025. Comparative numbers presented in these financial statements are for the period from 1 August 2023 to 31 July 2024.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

c) Fund accounting

Unrestricted funds are funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors which have been raised by the Charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. In case of Al-Ihsaan, the restricted funds represent donations in relation to purchase of the building net of depreciation charged on the building and fair value of in kind donation of a flat from a donor. The restricted asset represented by the restricted funds is the freehold building and restricted funds in respect of a lease hold flat donated by a donor during the period.

d) Going Concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements in arriving at this conclusion.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD
1 AUGUST 2024 TO 31 JULY 2025**

e) Judgements and key sources of estimation uncertainty

Accounting estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The key estimate/ judgement exercised in preparation of these financial statements is relating to useful life of the building acquired during the year.

f) Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Donations are recognised when the charity receives them.

Fees Income is recognised on due basis (accrual basis).

g) Expenditure

Liabilities are recognized where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty. All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where cost cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

h) Taxation

The charity is exempt from tax on its charitable activities.

i) Tangible fixed assets

Tangible fixed assets are stated at historical cost less accumulated depreciation and any accumulated impairment losses. Historical cost includes any expenditure that is directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Depreciation is charged so as to allocate the cost of assets less their residual value over their estimated useful lives as indicated below:

Freehold building – 2% per annum straight line

Equipment – 20% per annum straight line

Land is not being depreciated.

The assets residual values, useful lives and depreciation methods are reviewed annually.

j) Investment property

Investment property is shown at fair value. Any aggregate surplus or deficit arising from changes in the fair value is transferred to the statement of financial activities.

**NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD
1 AUGUST 2024 TO 31 JULY 2025**

k) Debtors

Prepayments are valued at the amount prepaid. Accrued income is measured at the amount due to be received.

l) Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of future funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognized at their settlement amount after allowing for any trade discounts due. Creditors also include fees received in advance.
