The Trustees present their annual report together with the financial statements of the Lions Clubs International Multiple District 105 Foundation for the 1 July 2020 to 30 June 2021.

Objectives and activities

a. Grant-making policies

Projects and charities supported by the MD 105 Foundation are those supported by the Lions Clubs of Multiple District 105 and British Isles, some of the projects determined by Lions Clubs International Foundation, constituted in the United States of America. These projects and charities include aid schemes and community support at an international and national level. The scale and level of any donation to the Charity by an individual Lions Club is determined by the members of that Club.

b. Public benefit

The Foundation operates the public benefit both in the United Kingdom and Internationally either through direct grants or in partnership with other Charities. The Trustees confirm that they have complied with Section 4 of the Charities Act 2011 in having due regard for the Charity Commission's general guidance on public benefit.

Achievements and performance

a. Main achievements of the Charity

The MD 105 Youth Trust is included in the MD 105 Foundation and individual Lions clubs make a donation of £4.00 a member toward this fund.

There was expenditure of £4,000 to organise the following activities:

- a Young Ambassadors programme with entrants from across the United Kingdom
- supporting a Young Leaders in Service Programme.

The restrictions applied to meetings and travel due to the impact of COVID 19 resulted in the cancellation of the annual International Youth Camp and Youth Exchange Programme.

The Foundation supported the Lebanese Lions work in bringing relief to those affected by the August 2020 Beirut explosion with a donation of £10,000 to Lions Clubs International Foundation.

The Foundation supported the Croatian Lions work in bringing relief to those affected by the December 2020 Earthquake £12,500.

As reported last year the Foundation received a donation of £155,000 from Lions Clubs International Foundation to support Air Ambulance operations across the UK to ensure their PPE and other equipment was COVID ready. Financial review

a. Going concern

The trustees have reviewed the charity's forecasts and projects, and, in particular have considered the potential implications of the Coronavirus (COVID-19) pandemic. Whilst the eventual financial impact of the pandemic on the charity, and the overall economy remains uncertain, the trustees are confident that the charity will be able to remain operational throughout the pandemic.

With a reasonable expectation that the charity will have adequate resources to continue in operational existence for the foreseeable future, the charity continues to adopt the going concern basis in preparing its financial statements.

b. Reserves policy

The reserves of the Foundation are held in restricted funds or funds awaiting the Trustees decision for their disposal. The Trustees consider that the trust should build and maintain a reserve of £10,000 to cover the annual operating cost of the charity.

c. Financial review

The donated income of the Charity during this financial year was £32,757 (2020: £372,141) which consists of £32,757 of donations (2020: £364,173), and £Nil (2020: £7,968) from legacy income. As shown in the statement of financial activities, the overall loss for the year amounts to £148,818 (2020: £47,041 surplus). Total reserves at the end of the year amount to £417,987 (2020: £566,805) of which £301,099 (2020: £440,333) are restricted funds.

d. Risk management

The Trustees have examined the major strategic and operational risks which the trust faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to minimise these risks. As part of this process the Multiple District 105 The British Isles has appointed officers to ensure compliance with the legislation concerning the protection of vulnerable persons, Data protection and to maintain a review of its insurance policies.

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 30 JUNE 2021

Independent examiner's report to the Trustees of Lions Clubs International Multiple District 105 Foundation ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 30 June 2021.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the Charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work or for this report.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021**

1. General information

Lions Club International Multiple District 105 Foundation is an incorporated charitable organisation registered in England and Wales. The address of the registered office is given in the charity information on page 1 of these financial statements. The nature of the charity's operations and principal activities is the distribution of donations made to the Fund by member of Lions Clubs of District 105.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Lions Clubs International Multiple District 105 Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in sterling which is the functional currency and is rounded to the nearest £1.

2.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that with government support packages available and projected income and expenses, the charity will continue in operational existence with sufficient resources to be able to continue as a going concern.

2.3 Income

Donations from Member Lions Clubs of Clubs International are recorded as received from the source donors on a cash basis. Donations paid out are recorded on the basis of the irrevocable commitment of the requirement of the Trustees to make the payment. The Multiple District 105 does not have contractually binding agreements for the level of donations that it makes.

2.4 Expenditure

All expenditure is accounted for on an accruals basis. Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Governance costs include all costs involving the public accountability of the charity and its compliance with regulation and good practice.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2021**

2. Accounting policies (continued)

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.7 Liabilities and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.8 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgement

No key judgements (apart from those involving estimates as disclosed in the notes above) have been made in the process of applying the above accounting policies.
