The church hall is held by the Diocesan Trustees Registered in trust for the PCC. Held for the benefit of the Church of England in accordance with the trusts applicable to Church of England.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The PCC and incumbent are together responsible for the management of land and activities at St Germain's in accordance with the provisions of The Parochial Church Powers Measure (1956) as amended from time to time and The Church Representation Rules 2020 as amended by Amendments Resolutions in 2019, 2020 and 2021. These documents form the charity's constitution and are its registered governing document. St Germain's has standing orders in place which supplement its statutory constitution as appropriate.

The PCC is responsible for the financial administration of the Church and the care and maintenance of Church premises. It is responsible with the incumbent for maintaining the decoration of the vicarage to an appropriate standard with the Parsonages Board having responsibility for structural maintenance and repairs. Those on the electoral roll meet in general meeting once a year to elect the PCC and to receive statutory and other reports.

The members of the PCC are the minister in pastoral charge, two church wardens, three deanery synod representatives, a reader representative and up to twelve other members (from whom the secretary and treasurer are taken) of St Germain's Church nominated and elected by the members of St Germain's Church in Church Meeting. PCC members serve for three years, retire by rotation and are eligible for re-election.

There is no limit on the number of consecutive periods of service. The members of the PCC are the trustees of the registered charity during their period of service as members of PCC.

The PCC met 10 times during 2024. It is assisted in the administration of the Church and its property by committees. The Church Meeting (APCM) meet annually.

OBJECTIVES AND ACTIVITIES

Promoting in the ecclesiastical parish the whole mission of the church.

As a local congregation of the Church of England, St Germain's Church seeks to advance the Christian religion through its activities and the facilities offered to the community by its building, and described more specifically in its mission statement as the advancement of the Christian religion by the pronouncement of the Gospel of Jesus Christ.

The PCC is aware of the Charity Commission's guidance on public benefit in "The Advancement of Religion for the Public Benefit" and has regard to it in the administration of the Church.

The PCC believes that the Church provides benefit to the public by:

- providing resources and facilities for public worship, pastoral care and spiritual, moral and intellectual development, both for the congregation and for anyone else who wishes to benefit from what the Church offers.
- promoting Christian values and service by members of the congregation to the community, for the benefit of individuals and society as a whole.

FINANCIAL REVIEW

The Statement of Financial Activities shows total incoming resources for the year ended 31 December 2024 of £403,205 (2023: £621,281) and total resources expended of £390,670 (2023: £435,952), thereby realising an overall surplus for the year of £13,879 (2023: surplus of £190,154) after allowances for net gains/losses on investments. As a result, closing net assets have increased to a level of £510,730 (2023: £496,851).

Unrestricted Funds

Ideally the PCC would wish to have in hand an amount equal to at least three months' regular expenditure as "free" reserves, to meet future shortfalls in income or unexpected expense. The balance at 31 December 2024 represents sixteen months of budgeted expenditure for 2025.

Designated and Restricted Funds

There are a number of designated and restricted funds. These occur when monies have been provided for a specific purpose. These include the Jubilee Fund (to support those in extreme hardship), Wellbeing (to support those with mental health problems), Community Outreach Missioner (connecting people in the community into the life of the Church), Hall Refurbishment Fund (to support the refurbishment of the hall), Covid 19 Response Hub (to provide food for those in severe hardship due to the pandemic), Building Project Fund (to support the construction of a building linking the church to the hall), Mission Partners Fund (to support the work of mission partners), Charities Fund (to pay monies to selected charities), Heating System Fund (to support the provision of a new heating system for the Church).

Independent Examiners' Report to the PCC of St Germain's Edgbaston

This report on the financial statements of the PCC for the year ended 31 December 2024, which are set out on pages 4 to 12, is in respect of an examination carried out in accordance with s145 of the Charities Act 2011 ("The Act").

Respective responsibilities of the PCC and the examiner

As members of the PCC you are responsible for the preparation of the financial statements: you consider that the audit requirements of s144(2) of the 2011 Act do not apply and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under s145 of the 2011 Act
- follow the procedures laid down in the General Directions given by the Charity Commission under s145(5)(b) of the 2011 Act and
- state whether any particular matters have come to my attention.

Basis of this report

My examination was carried out in accordance with the General Directions given by the Charity Commission.

An examination includes a review of the accounting records kept by the PCC and a comparison of the financial statements with those records. It also includes considering any unusual items or disclosures in the financial statements and seeking explanations from you as trustees concerning such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the financial statements.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- That gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with s130 of the 2011 Act and
- to prepare financial statements which accord with the accounting records and comply with the requirements of the Act have not been met; or
- to which, in my opinion, attention should be drawn in order to enable a proper understanding of the financial statements to be reached.

THE PAROCHIAL CHURCH COUNCIL OF THE ECCLESIASTICAL PARISH OF ST GERMAINS EDGBASTON

Notes to the financial statements for the year ended 31 December 2024

Note 1 Accounting policies

The financial statements have been prepared in accordance with the Church Accounting regulations 2006 together with applicable accounting standards and the Charities SORP.

The financial statements have been prepared under the historic cost convention except for the valuation of investment assets, which are shown at market value.

Funds

General funds represent the funds of the PCC which are not subject to any restrictions regarding their use and are available for application on the general purposes of the PCC. Funds designated for a particular purpose by the PCC are also unrestricted. The accounts include all transactions, assets and liabilities for which the PCC is responsible in law. They do not include the accounts of church groups which are informal gatherings of church members.

Income from

Voluntary income and capital sources

Collections are recognised when received by or on behalf of the PCC.

Income tax recoverable on gift aid donations is recognised when income is recognised.

Grants and legacies to the PCC are accounted for as soon as the PCC is notified of its legal entitlement and the amount due.

Funds raised by fete, garden party and similar events are accounted for gross.

Other ordinary income

Rental income from the letting of church premises is recognised when the rental is due.

Income from investment

Dividends and interest are accounted for when receivable. Tax recoverable on such income is recognised in the same accounting year.

Net gains/(losses) on investments

Realised gains and losses are recognised when investments are sold.

Unrealised gains or losses are accounted for on revaluation of investments at 31 December.

Expenditure on

Grants

Grants and donations are accounted for when paid over, or when awarded, if that award creates a binding obligation on the PCC.

Activities directly relating to the work of the church

The diocesan common fund is accounted for when payable. Any common fund unpaid at 31 December is provided for in these accounts as an operational (though not a legal) liability and is shown as a creditor in the Balance Sheet.

Fixed Assets

Consecrated land and building and moveable church furnishings

Consecrated and beneficial property is excluded from the accounts by a s96(2)(a) of the Charities Act 2011.

No value is placed on moveable church furnishings held by the churchwardens on special trust for the PCC and which they require a faculty for disposal, since the PCC considers this to be inalienable property. All expenditure incurred during the year on consecrated or benefice buildings and moveable church furnishings, whether maintenance or improvement, is written off as expenditure in the SOFA and separately disclosed.

Other fixtures, fittings and office equipment

Equipment used within the church premises is depreciated on a straight line basis over 4 years. Individual items of equipment with a purchase price of £2,500 or less are written off when the asset is acquired.

Investments

Investments are valued at market value at 31 December.

Current assets

Amounts owing to the PCC at 31 December in respect of fees, rents or other are shown as debtors less provision for amounts that may prove uncollectable.

Short term deposits include cash held on deposit either with the CBF Church of England Funds or at the bank.

The Hudson bequest was left to the Church in 1976. The PCC are able to 'spend' income and capital as "they think fit". We utilise the income each year.

It has been the practice only to spend the capital on major capital items eg. Church repairs.
