

CHADDERTON TOGETHER

SECRETARIES REPORT TO AGM OCTOBER 2024

Thanks to the considerable efforts of our management committee and the invaluable help from our volunteers the past twelve months has been very busy and successful year.

We have temporarily paused our Tea Dances. We held a very successful Quiz Night at St Herberts Community Hall. Our Christmas Grotto at Lydia's was a smash hit with the families who enjoyed the events. Chadderton Day, with its fabulous entertainment, was a great success and provided us with an opportunity to promote Chadderton Together, Foxdenton Park and the restoration of Foxdenton Hall.

Lydia's Tearoom continues to be a successful and much needed facility for Foxdenton Park. We were recently awarded, once again, a five-star food rating. Special tribute should be made to the tireless work and time given by the supervisors and volunteers who run Lydia's Tearoom on a day-to-day basis.

Our Stage One application for funding, in order to restore Foxdenton Hall to bring it back into community use, is almost ready for submission to the Heritage Lottery Fund.

Two surveyor's reports, commissioned for the Nile Mill Project, have been completed and we have received funding for this expenditure from the Architectural Heritage Fund.

The New Chadderton Partnership continues to publish questionnaires, hold public consultations and specialist workshops in order to produce a Neighbourhood Plan for the whole of Chadderton.

Our governance structure, training, EDI and other documentation is being upgraded as part of our commitment to the future.

Graham Taylor

Auditor's Report 2023-2024

It was reported that the annual accounts had been audited by Elaine Taylor who was able to confirm that they were in good order. They were an accurate reflection of the activity which had taken place during the past twelve months but need to consider creating more independent sources of income
