You **may choose** to include additional information, where relevant, about:

- ☐ policies and procedures adopted for the induction and training of trustees;
- ☐ the charity's organisational structure and any wider network with which the charity works;
- ☐ relationship with any related parties;
- ☐ trustees' consideration of major risks and the system and procedures to manage them.

For the public benefit to advance the education (including academic, social skills and ethical training) of young talents (under the age of 25) in Africa in such ways as the charity trustees think fit. We identify these young talents in Africa and mentor them to realise their potential and become effective leaders who contribute to their communities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

Our main focus is mentoring. We provide mentors for our students who inspire, guide and support them to make the right decisions for their future. Another major activity is organising summer camps for our students and providing opportunity for networking. Participation in all activities is free for selected students.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

Our volunteer staff continue to offer invaluable services to our charity free of charge. Some of our volunteers go a step to support students from their own resources and facilitate networking and organised outreach services for our students. The global pandemic had a significant impact on the support our mentor and volunteers could provide.

You **may choose** to include further statements, where relevant, about:

- ☐ policy on grantmaking;
- ☐ policy programme related investment;
- ☐ contribution made by volunteers.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

This year has been especially challenging for our mentorship programme because of the global pandemic. The lockdowns and restrictions in place in many countries and the pressure of work has meant that we had to suspend and scale back on our planned activities for the year. We decided to prioritise the wellbeing of our mentors, volunteers, and students. Our main achievement has been to continue to engage our students through online activities such as talks and information sessions.

Section E

Financial review

Brief statement of the charity's policy on reserves

The policy on our reserves is to keep in our bank account to earn interest.

Details of any funds materially in deficit

We did not incur any deficit during the year

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- ☐ the charity's principal sources of funds (including any fundraising);
- ☐ how expenditure has supported the key objectives of the charity;
- ☐ investment policy and objectives including any ethical investment policy adopted.

It has been a particularly challenging year due to the global pandemic. We did not fundraise. We had to scale back on many of our activities and not to add to the already difficult conditions our mentors and volunteers are dealing with during the pandemic.
