ACHIEVEMENTS AND PERFORMANCE

Charitable activities

The Kenilworth & District Agricultural Society (KADAS) is a charitable organisation with a proud heritage spanning more than 80 years. Founded to bring the rural community together, the Society continues to support local farmers in achieving the highest standards of husbandry while promoting public understanding of agriculture, food production, and countryside management. Based in Warwickshire, KADAS serves both rural and urban audiences, providing a vital link between the public and the agricultural sector.

The Society fulfils its objectives through a variety of initiatives, including annual crop and livestock competitions, support for local Young Farmers Clubs, and the Young Farmer of the Year competition, with the Kenilworth Show remaining its flagship event. Working closely with the Kenilworth & District Young Farmers, the Society actively involves young people in planning and delivering events, recognising their vital role in sustaining the industry and ensuring the Society's continued relevance. The Young Farmer of the Year Award once again celebrated individuals who demonstrated exceptional knowledge, innovation, and commitment, while a Young Farmers Club representative serving on the Society's Board this year elected as Vice Chairman ensures that the voice of youth remains central to decision-making.

After a hiatus in 2024, the 2025 Kenilworth Show marked a triumphant return, celebrating agriculture, community, and countryside life. The event proved highly engaging, educational, and enjoyable for visitors of all ages, receiving widespread praise from exhibitors, sponsors, and the public alike. Highlights included vibrant trade stands, popular main ring attractions, and the ever-busy Village Green, alongside the largest display of vintage and modern machinery seen for several years and a highly successful livestock parade in the main ring both of which drew considerable attention and admiration. These elements combined to create a lively and welcoming atmosphere, strengthened further by extensive media coverage and strong social media engagement, which significantly enhanced the Society's profile.

The success of the 2025 Show reflects the dedication of the Society's volunteers, partners, and young members, whose hard work ensured a professional, inclusive, and community-focused event. Building on this success, preparations for the 2026 Show are already well underway, with plans to enhance the visitor experience through a refreshed showground layout, an expanded Food Hall, and new interactive agricultural displays designed to engage, educate, and inspire. These additions will complement the Show's well-established equine, livestock, and countryside sections, its busy and entertaining main ring programme, and its many well-supported trade stands.

Throughout the year, the Society remained active and visible, hosting a diverse programme of events that united members, promoted best practice, and celebrated local farming and rural life. Highlights included the crop and livestock competitions, the annual awards presentation, and lectures from Nuffield Scholars, which showcased

the latest innovations and research shaping the future of agriculture. Building on previous successes, this year's competitions once again attracted strong participation across most classes, with judges commending the high standards of husbandry and stockmanship demonstrated by all entrants.

The Society also continues to support a range of local and national farming charities, recognising the essential work they do in sustaining the agricultural sector and supporting rural communities through challenging times.

The past year was also marked by renewal and fresh leadership. With a new Chair, President, and Vice-President taking office, alongside newly appointed Trustees, the Society has embraced new energy, ideas, and perspectives while remaining true to its long-standing traditions and core objectives. This refreshed leadership team is committed to exploring innovative ways to engage members, young farmers, and the wider community, ensuring the Society remains vibrant, relevant, and forward-thinking.

With this combination of experience, enthusiasm, and a clear vision for the future, the Trustees are confident that the Society is well-positioned to build on its achievements and continue delivering impactful, engaging, and inspiring initiatives for members, farmers, and the wider community in 2026 and beyond.

Independent examiner's report to the trustees of Kenilworth And District Agricultural Society ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 September 2025.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
