Charity Registration Number: 1164983

Registered Office: 324 Washway Road, Sale, M33 4RT.

Trustees

The Trustees and officers who served during the year and since the year end were as follows:

I Skrzypiec-Allen
D Dean
T Hack
W Price
S Green (resigned 19th October 2024)
R Blackburn (appointed 22nd May 2024)

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian faith and proclamation of the gospel of Jesus Christ.
- b) The advancement of education in accordance with Christian principles.
- c) Protection of health and the relief of poverty, distress and sickness.
- d) Advancement of Christian worship.
- e) Promote and fulfil such other charitable purposes beneficial to the community.

The main activity of the trust is the running of a Christian church in the Manchester area together with related community projects.

In planning the activities of the charity the trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trusts activities of education and prevention or relief of poverty and the religious activities are available to people in the North of England and elsewhere.

Achievements and Performance

In accordance with its objectives, financial support was given to a number of projects involved in the relief of hardship and suffering, both in the UK and abroad, including Europe and Africa. Educational projects in the UK, Europe and Africa were also supported as were community transformation initiatives in Trafford, in Greater Manchester, and other parts of the UK. We continue to employ someone to increase our community work in the local area. The CIO continues to work with five other local churches including Life Church and partnering with Christians Against Poverty (registered charity 1097217) to provide debt counselling free of charge to local residents. The CIO ceased to be the lead church in May 2025. All money received for the Debt Centre is now passed onto Life Church as the new lead church. The primary source of income for the CIO is from donations.

**REPORT OF THE TRUSTEES
for the year ended 31st March 2025**

Financial Review

The total income for the year was £69,272 and total expenditure on charitable activities amounted to £87,823. The balance on General Funds at the year end was £478,385 and on designated funds £111,400 and on restricted £14,719.

Reserves Policy

The trustees have continued the policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 2 and 3 months of expenditure. The trustees consider that this should be £25,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of the reserves available to the charity are in excess of the desired amount. The trustees have allowed a small reduction in reserves to allow for an expanded work in the local area whilst monitoring income and expenditure on a monthly basis.

Structure, Governance and Management**Governing Document**

Isaiah 58 Trust is registered as a Charitable Incorporated Organisation with the Charity Commission. It was formed under a Trust Deed registered on 23rd December 2015.

Appointment of Trustees

The trustees keep the composition of the board under review and will seek to appoint additional members with appropriate skills, expertise and Christian values, should the need arise. Interested parties are given details of the background of the charity in order to make them aware of current activities.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2025

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

The Isaiah 58 Trust meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

Income from Government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. In respect of the furlough grant; all conditions, with respect to the eligible costs being claimed, need to be met.

c) Donated Services and Facilities

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2025 (continued)

e) **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities includes the cost of running the activities of Kings Way Church and associated projects.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Tangible Fixed Assets**

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Asset Category	Annual Rate
Equipment (costing over £1,000)	25% per annum
Equipment (costing less than £1,000)	Written off in year of acquisition

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) **Pensions**

The Charity operates a defined contribution scheme, the assets of which are held outside the Charity. The contributions by the Charity in the year are detailed in note 7.

2. **Legal Status of the Charity**

Isaiah 58 Trust is a registered Charitable Incorporated Organisation and was formed under a Trust Deed registered on 23rd December 2015.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2024

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

The Isaiah 58 Trust meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

Income from Government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. In respect of the furlough grant; all conditions, with respect to the eligible costs being claimed, need to be met.

c) Donated Services and Facilities

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2024 (continued)

e) **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities includes the cost of running the activities of Kings Way Church and associated projects.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Tangible Fixed Assets**

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Asset Category	Annual Rate
Equipment (costing over £1,000)	25% per annum
Equipment (costing less than £1,000)	Written off in year of acquisition

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) **Pensions**

The Charity operates a defined contribution scheme, the assets of which are held outside the Charity. The contributions by the Charity in the year are detailed in note 7.

2. **Legal Status of the Charity**

Isaiah 58 Trust is a registered Charitable Incorporated Organisation and was formed under a Trust Deed registered on 23rd December 2015.

11. Loan

In previous years the Isaiah 58 Trust lent LifeChurch Manchester, a charitable company limited by guarantee and operating as a church, the sum of £550,000. The loan is secured by a second charge over that church's property. There are no fixed repayment terms but LifeChurch intend to commence repaying the loan as soon as funds are available and there is an understanding that if the Isaiah 58 Trust requires repayment of the loan (in full or in part) all attempts will be made for repayment. No interest is due on the loan as the Isaiah 58 Trust have free use of part of the building for its own church activities. During previous years the sum of £20,000 was repaid on the loan. During this year the sum of £170,000 was repaid, leaving a balance outstanding of £360,000.

In prior years £130,000 of the building fund was lent to LifeChurch Manchester and formed part of the £550,000 loan (see above). The £130,000 has therefore been transferred from the building Fund to the Building Fund Loan and is held in the form of a loan to LifeChurch Manchester. In previous years £20,000 was repaid on this loan and therefore a corresponding £20,000 was released back to the general reserves.

The Financial Statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and complies with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (Second Edition) and the Financial Reporting Standard FRS 102.

Reference and Administration Details

The charity's name is Isaiah 58 Trust and also operates under the name of Kings Way Church.

Charity Registration Number: 1164983

Registered Office: 324 Washway Road, Sale, M33 4RT.

Trustees

The Trustees and officers who served during the year and since the year end were as follows:

I Skrzypiec-Allen
D Dean
T Hack
W Price
S Green

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian faith and proclamation of the gospel of Jesus Christ.
- b) The advancement of education in accordance with Christian principles.
- c) Protection of health and the relief of poverty, distress and sickness.
- d) Advancement of Christian worship.
- e) Promote and fulfil such other charitable purposes beneficial to the community.

The main activity of the trust is the running of a Christian church in the Manchester area together with related community projects.

In planning the activities of the charity the trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trusts activities of education and prevention or relief of poverty and the religious activities are available to people in the North of England and elsewhere.

Achievements and Performance

In accordance with its objectives, financial support was given to a number of projects involved in the relief of hardship and suffering, both in the UK and abroad, including Europe and Africa. Educational projects in the UK, Europe and Africa were also supported as were community transformation initiatives in Trafford, in Greater Manchester, and other parts of the UK. We employed someone to increase our community work in the local area. This will initially be on a 2 year contract. The CIO continues to work with five other local churches including Life Church and partnering with Christians Against Poverty (registered charity 1097217) to provide debt counselling free of charge to local residents. We have secured funds to expand our work by opening a Job Club to help residents back into work. The CIO is the lead organisation and holds the finances for the centre. The primary source of income for the CIO is from donations.

REPORT OF THE TRUSTEES
for the year ended 31st March 2023

Financial Review

The total income for the year was £59,729 and total expenditure on charitable activities amounted to £76,866. The balance on General Funds at the year end was £497,804 and on designated funds £111,400 and on restricted £23,031.

Reserves Policy

The trustees have continued the policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 2 and 3 months of expenditure. The trustees consider that this should be £25,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of the reserves available to the charity are in excess of the desired amount. The trustees have continued to maintain the reserves at this level by monitoring income and expenditure on a monthly basis, and only making donations from surplus funds. Additional reserves of £8,500 are needed for the Debt Centre to continue to function for 3–4 months in case of loss of income. These are held in restricted funds.

Structure, Governance and Management**Governing Document**

Isaiah 58 Trust is registered as a Charitable Incorporated Organisation with the Charity Commission. It was formed under a Trust Deed registered on 23rd December 2015.

Appointment of Trustees

The trustees keep the composition of the board under review and will seek to appoint additional members with appropriate skills, expertise and Christian values, should the need arise. Interested parties are given details of the background of the charity in order to make them aware of current activities.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2023

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

The Isaiah 58 Trust meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b) Income Recognition Policies

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

The Financial Statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and complies with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (Second Edition) and the Financial Reporting Standard FRS 102.

Reference and Administration Details

The charity's name is Isaiah 58 Trust and also operates under the name of Kings Way Church.

Charity Registration Number: 1164983

Registered Office: 324 Washway Road, Sale, M33 4RT.

Trustees

The Trustees and officers who served during the year and since the year end were as follows:

I Skrzypiec-Allen
D Dean
T Hack
W Price
S Green

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian faith and proclamation of the gospel of Jesus Christ.
- b) The advancement of education in accordance with Christian principles.
- c) Protection of health and the relief of poverty, distress and sickness.
- d) Advancement of Christian worship.
- e) Promote and fulfil such other charitable purposes beneficial to the community.

The main activity of the trust is the running of a Christian church in the Manchester area together with related community projects.

In planning the activities of the charity the trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trusts activities of education and prevention or relief of poverty and the religious activities are available to people in the North of England and elsewhere.

Achievements and Performance

In accordance with its objectives, financial support was given to a number of projects involved in the relief of hardship and suffering, both in the UK and abroad, including Europe and Africa. Educational projects in the UK, Europe and Africa were also supported as have community transformation initiatives in Trafford, in Greater Manchester, and other parts of the UK. The CIO continues to work with seven other local churches including Life Church and partnering with Christians Against Poverty (registered charity 1097217) to provide debt counselling free of charge to local residents. COVID restrictions led us on-line working for both the church and Debt Centre. In future we expect to keep a hybrid on-line and in person mode of service delivery. We have secured funds to expand our work by opening a Job Club to help residents back into work. The CIO is the lead organisation and holds the finances for the centre. The primary source of income for the CIO is from donations.

**REPORT OF THE TRUSTEES
for the year ended 31st March 2022**

Financial Review

The total income for the year was £60,118 and total expenditure on charitable activities amounted to £51,920. The balance on General Funds at the year end was £507,024 and on designated funds £111,900 and on restricted £30,448.

Reserves Policy

The trustees have continued the policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 2 and 3 months of expenditure. The trustees consider that this should be £25,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of the reserves available to the charity are in excess of the desired amount. The trustees have continued to maintain the reserves at this level by monitoring income and expenditure on a monthly basis, and only making donations from surplus funds. Additional reserves of £8,500 are needed for the Debt Centre to continue to function for 3–4 months in case of loss of income. These are held in restricted funds.

Structure, Governance and Management**Governing Document**

Isaiah 58 Trust is registered as a Charitable Incorporated Organisation with the Charity Commission. It was formed under a Trust Deed registered on 23rd December 2015.

Appointment of Trustees

The trustees keep the composition of the board under review and will seek to appoint additional members with appropriate skills, expertise and Christian values, should the need arise. Interested parties are given details of the background of the charitable company in order to make them aware of current activities.

a) Basis of Preparation

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. The Trustees are pleased to present their annual report and financial statements of the charity for the year ended 31st March 2021.

The Financial Statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and complies with the Charity's governing document, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice (Second Edition) and the Financial Reporting Standard FRS 102.

Reference and Administration Details

The charity's name is Isaiah 58 Trust and also operates under the name of Kings Way Church.

Charity Registration Number: 1164983

Registered Office: 324 Washway Road, Sale, M33 4RT.

Trustees

The Trustees and officers who served during the year and since the year end were as follows:

I Skrzypiec-Allen
D Dean
T Hack
W Price
S Green

Objectives and Activities

The main objects of the charity are:

- a) The advancement of the Christian faith and proclamation of the gospel of Jesus Christ.
- b) The advancement of education in accordance with Christian principles.
- c) Protection of health and the relief of poverty, distress and sickness.
- d) Advancement of Christian worship.
- e) Promote and fulfil such other charitable purposes beneficial to the community.

The main activity of the trust is the running of a Christian church in the Manchester area together with related community projects.

In planning the activities of the charity the trustees have considered the Charity Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion.

The trusts activities of education and prevention or relief of poverty and the religious activities are available to people in the North of England and elsewhere.

Achievements and Performance

In accordance with its objectives, financial support was given to a number of projects involved in the relief of hardship and suffering, both in the UK and abroad, including Europe and Africa. Educational projects in the UK, Europe and Africa were also supported as have community transformation initiatives in Trafford, in Greater Manchester, and other parts of the UK. The CIO continues to work with seven other local churches including Life Church and partnering with Christians Against Poverty (registered charity 1097217) to provide debt counselling free of charge to local residents. COVID restrictions led us to develop on-line working for both the church and Debt Centre. In future we expect to keep a hybrid on-line and in person mode of service delivery. Steps are being taken to secure funds for ongoing work in the area of debt relief. The CIO is the lead organisation and holds the finances for the centre. The primary source of income for the CIO is from donations.

**REPORT OF THE TRUSTEES
for the year ended 31st March 2021**

Financial Review

The total income for the year was £61,254 and total expenditure on charitable activities amounted to £39,058. The balance on General Funds at the year end was £504,157 and on designated funds £111,900 and on restricted £25,117.

Reserves Policy

The trustees have continued the policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 2 and 3 months of expenditure. The trustees consider that this should be £25,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. The present level of the reserves available to the charity are in excess of the desired amount. The trustees have continued to maintain the reserves at this level by monitoring income and expenditure on a monthly basis, and only making donations from surplus funds. Additional reserves of £8,000 are needed for the Debt Centre to continue to function for 3–4 months in case of loss of income. These are held in restricted funds.

Structure, Governance and Management**Governing Document**

Isaiah 58 Trust is registered as a Charitable Incorporated Organisation with the Charity Commission. It was formed under a Trust Deed registered on 23rd December 2015.

Appointment of Trustees

The trustees keep the composition of the board under review and will seek to appoint additional members with appropriate skills, expertise and Christian values, should the need arise. Interested parties are given details of the background of the charitable company in order to make them aware of current activities.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2021

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The financial statements have been prepared in accordance with the second edition of the Charities Statement of Recommended Practice issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Public Benefit Entity

The Isaiah 58 Trust meets the definition of a public benefit entity as defined by FRS 102.

Going Concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

b) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

Income from Government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. In respect of the furlough grant; all conditions, with respect to the eligible costs being claimed, need to be met.

c) Donated Services and Facilities

In accordance with the Charities SORP (FRS 102) the general time of volunteers is not recognised in the accounts.

d) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

NOTES TO THE ACCOUNTS
for the year ended 31st March 2021 (continued)

e) **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

f) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Expenditure on Charitable activities includes the cost of running the activities of Kings Way Church and associated projects.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) **Tangible Fixed Assets**

Individual fixed assets costing £1,000 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Asset Category	Annual Rate
Equipment (costing over £1,000)	25% per annum
Equipment (costing less than £1,000)	Written off in year of acquisition

h) **Debtors**

Trade and other debtors are recognised at the settlement amounts due after any trade discount offered. Prepayments are valued at the amount prepaid after taking account of any trade discounts due.

i) **Cash at Bank and in Hand**

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) **Creditors and Provisions**

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

k) **Pensions**

The Charity operates a defined contribution scheme, the assets of which are held outside the Charity. The contributions by the Charity in the year are detailed in note 7.

2. **Legal Status of the Charity**

Isaiah 58 Trust is a registered Charitable Incorporated Organisation and was formed under a Trust Deed registered on 23rd December 2015.

Buildings Fund Loan

In prior year's £130,000 of the building fund was lent to LifeChurch Manchester and formed part of the £550,000 loan (see above). The £130,000 has therefore been transferred from the building Fund to the Building Fund Loan and is held in the form of a loan to LifeChurch Manchester. Last year £20,000 was repaid on this loan and therefore a corresponding £20,000 was released back to the general reserves.

Deborah Arise
