Ensuring our work delivers our aims:

We regularly review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous years. The review looks at the success of each key activity and the benefits they have brought to those people we are set up to help.

The review also helps us ensure our aim, objectives and activities remain focused on our stated purposes. We refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustees / Directors consider how planned activities contribute to the aims and objectives they have set.

Principal Funding Sources:

Our centre received vital funds during 2021 to 2022 from a variety of different funders to support us going forward with charitable programme activities, running costs and volunteers costs. We wish to thank all the donors, institutions and individuals for their kind and generous support, over the year thus enabling Bridge Community Centre to be established and become operational.

Investment Policy:

During the year 2020 -21 most of the charity's funds were spent in the short term so there are no funds for long term investment.

Reserves Policy:

The Trustees / Directors have examined the charity's requirements for reserves in light of the main risks to the organisation and has established a policy whereby the unrestricted funds not committed by the charity should be 12 months of anticipated charitable activity expenditure.

The reserves would be needed to meet the charitable programme, rent, rates volunteer expenses and heating of the community centre in order for activities to continue to take place in the building.

The long term strategy is to start to build reserves through planned operating surpluses, the Trustees /Directors are well aware that it is unlikely that the target range can be reached for at least five years. In the short term the Trustees / Directors have also considered the extent to which existing activities and expenditure could be managed, should such circumstances arise.

Plans for Future Periods:

The charity plans to continue the charitable programme activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

We continue to work on a number of schemes including the expansion of resident counselling, mental health and educational programme.

The charity will also continue to work with other individuals or institutions who have a vision for helping the disadvantaged people in Merseyside.
