Our Aims and objectives (Please request the full 2025 report from the office of Bridge Community Centre) Limited.

Our Charity purposes as set out in the objects contained in the company's Memorandum of Association are to generate support for the following objects:

We operate a Community Centre for the use of the residents of Merseyside without distinction of a Political, Religious, Sexual, Ethnic and other opinions, and specifically for the benefits of families, single parents, the elderly, the sick and the mentally ill, the carers, the unemployed, the refugees and asylum seekers, the victims of natural or manmade disasters, and for the promotion of reconciliation, mediation and respect of law and order and the prevention of crime.

Ensuring our work delivers our aims:

We regularly review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous years. The review looks at the success of each key activity and the benefits they have brought to those people we are set up to help.

The review also helps us ensure our aim, objectives and activities remain focused on our stated purposes. We refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustees / Directors consider how planned activities contribute to the aims and objectives they have set.

The focus of our work:

Over the past 12 months, we have continued to develop services and areas of work to respond to key local current and emerging needs. Our mission remains to develop a range of resources for the community through our facilities, outreach and virtual ways to connect, delivering recreational, social, supportive and developmental activities for all. As we reach the end of our yearly period, we are pleased to be able to report exceeding all of our objectives identified at the beginning of last year and have been able to extend our reach and impact across communities.

We have continued to grow in our profile and continue to work in partnership with many local organisations along with housing agencies also to support the many local tenants and residents in order to identify those missing links and to join up to ensure no person falls through the net.

We continue to be represented on the NHS providing our experiences of delivering health and wellbeing support to local people in an area of high need. We are also very much part of the Cheshire & Merseyside NHS. We also still sit on the Active Norris Green Partnership, with Counsellor representatives from Liverpool City Council as well as a wide variety of local businesses, VCS organisations. This was to explore and encourage partnerships that help communities to be more active but which also gives us opportunities to feedback local resident experiences, concern to potentially influence local decision makers.

How our activities deliver public benefit:

Our main activities and who we try to help are described in our full Annual Report, summarised below. All our charitable programme activities focus on the poor the vulnerable and the unemployed people of Merseyside and surrounding areas.

Community Engagement:

Food support & DWP & PIP along with other benefit related advice, housing related issues. We as a service provider currently sit on collaborative boards of local well known housing services across the city & the community. We are also so proud that we are also part of the NHS collaboration board.

Principal Funding Sources:

□ Our centre received vital funds during 2024 to 2025 from a variety of different funders to support us going forward with charitable programme activities, running costs and volunteers costs. We wish to thank all the donors, institutions and individuals for their kind and generous support, over the year thus enabling Bridge Community Centre Ltd to be established and become operational.

Investment Policy:

As in previous years, during the year 2024 -25 most of the charity's funds were spent on the repairs and maintenance of the building so there are no plans for long term investment.

Reserves Policy:

The Trustees / Directors have examined the charity's requirements for reserves in light of the main risks to the organisation and has established a policy whereby the unrestricted funds not committed by the charity should be 12 months of anticipated charitable activity expenditure.

The reserves would be needed to meet the charitable programme, repairs, rates volunteer expenses and heating of the community centre in order for activities to continue to take place in the building.

The long term strategy is to continue to build reserves through planned operating surpluses, the Trustees /Directors are well aware that it is unlikely that the target range can be reached for at least five years. In the short term the Trustees / Directors have also considered the extent to which existing activities and expenditure could be managed, should such circumstances arise.

Plans for Future Periods:

The charity plans to continue the charitable programme activities outlined above in the forthcoming years subject to satisfactory funding arrangements.

We continue to work on a number of schemes including the expansion of resident counselling, mental health and educational programme.

The charity will also continue to work with other individuals or institutions who have a vision for helping the disadvantaged people in Merseyside.

ON THE STATEMENT OF FINANCIAL ACTIVITIES AND BALANCE SHEET OF BRIDGE COMMUNITY CENTRE LIMITED
(Registered Charity - a Company Limited by Guarantee)**

Report of the Independent Examiner to the Trustees and Members of the BRIDGE COMMUNITY CENTRE

The Trustees are responsible for the preparation of the Accounts, they consider that the audit requirements of the Charities Act 1993 (the Act) do not apply. It is my responsibility to state, on the basis of procedure specified in the General Direction given by the Charity Commissioners under Section 43(7)(b) of the Act, whether particular matters have come to my attention.

My examination was carried out in accordance with the General Directions given by the Charities Commissioners. An examination includes a review of accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any comparison of the accounts presented with those records. It also includes consideration of any concerning any such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements to keep accounting records in accordance with Section 41 of the Act, and to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act, have not been met. or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
