TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees submit their annual report and the audited financial statements for the year ended 31 December 2024.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Charity's Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Structure, Governance and Management

The Telles Foundation (the 'Charity') was established on 7 May 2015, as a charitable company limited by guarantee. The Charity is governed by both its Articles and Memorandum of Association dated 7 May 2015 as amended by special resolutions the last of which was dated 23 October 2021 and by its Bye-Laws dated 7 May 2015 as amended by resolution the last of which was dated 16 September 2023. The Trustees obtain ongoing training as determined appropriate.

The names of all those who were the Charity's Trustees on the date the report was approved are listed on page 1.

The Trustees of the Charity are directors for company law purposes and are appointed in accordance with the Articles of Association of the Charity by the members. When new Trustees are appointed, they undergo an orientation to brief them on their legal obligations under Charity and company law, the Charity Commission guidance on public benefit; the content of the Memorandum and Articles of Association, the committee, and decision-making processes; and the Charity's grant making plans and recent financial performance of the Charity.

The Trustees of the Charity have delegated aspects of the day-to-day management and administration to the Management and Operations Committee (the **M&O Committee**), which is governed by its Terms of Reference. The Trustees have also delegated responsibility to the Technology Committee to build the Charity's existing knowledge of the technology workforce market and to help develop alliances with appropriate partners. Again, this committee is governed by its Terms of Reference. Administration services are provided to the Charity by Broadfield Law. As a result, the Charity did not employ any personnel. The Key Management Personnel of the Charity are therefore deemed to be the Trustees. None of the Trustees received remuneration or other benefit from their work with the Charity in their capacity as Trustees.

Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Charity maintains a Risk Register which identifies the key issues faced by the Charity and steps to mitigate those risks. Items that are listed as being of 'medium risk' of occurring on the Risk Register and which are monitored include: conflicts of interest; foreign exchange issues; data protection; and adverse publicity. The Charity also has in place an Anti-Money Laundering Policy, a Conflicts of Interests Policy, a Data Protection Policy and a Safeguarding Policy.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

Related parties

As explained in Note 17 to the accounts, the Charity:

- has provided grant funding to Sonho Grande Institute (**ISG**); Marina Medley De Sà (trustee) was - during the relevant financial year - one of the four board members of ISG and, as a result, this grant relationship meets the definition of a related party transaction. Until August 2024, Marina was also an associate of ISG.
- has provided grant funding to Instituto Social para Motivar, Apoiar e Reconhecer Talentos (**Ismart**); Claudio Moniz Barreto Garcia (trustee) was - during the relevant financial year - one of the four board members of Ismart and, as a result, this grant relationship meets the definition of a related party transaction. Claudio Moniz Barreto Garcia resigned as a board member of Ismart at the end of the financial year (2024).
- has provided grants to Instituto Apis (previously known as Instituto Telles), from August 2024 Marina Medley De Sà and Claudio Moniz Barreto Garcia were - during the relevant financial year – the only two associates of Instituto Apis (prior to that they were two of the three associated) – as a result, this grant relationship meets the definition of a related party transaction.

The Trustees have in place a Conflicts of Interests Policy, which governs the way in which potential, perceived and actual conflicts of interests are declared by the Trustee concerned and managed by the Board. As part of this, the Trustees declare conflicts of interests at Board meetings and also complete a Conflicts of Interest Declaration Form.

Objectives and activities

The Charity's objects are restricted specifically to the advancement and promotion for the public benefit of education for Brazilian students, regardless of where they are studying, particularly but not exclusively, by improving the quality of education of young people, propelling extraordinary talent and supporting tech education for employability, by such means as the Trustees may in their discretion think fit.

The focus of the Trustees during the reporting period was to continue the Charity's grant making activities in line with the Charity's Grant Making Policy.

The following values inform all of the Charity's activities:

- **Quality and high impact:** *We prioritize initiatives that greatly impact the lives of the people they benefit. We hope that these young people become agents of transformation in their communities.*
- **Pragmatism and focus:** *We promote and seek to bring the best practices for analysing project results, allowing for a more objective, consistent and sustainable assessment.*
- **Bringing new ideas to life:** *We are always looking for brilliant ideas both within and outside Brazil. We seek ideas that can scale and set out to solve the country's educational challenges.*
- **Alliances and partnerships for exponential impact:** *We team up with partners who are leaders in their areas of expertise and are willing to join forces to achieve more significant impacts.*

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

Achievements and performance

The Charity continued to build on its grant making relationship with ISG and Ismart, the Charity's two 'strategic grant recipients' identified by the Board.

During the year, the Charity's grant liability amounted to \$25,536,176 of which \$20,219,274 of grants were paid in the year and the remainder (\$5,316,904) being payable as at 31 December 2024. The first figure in each case below equals the grant paid in the year and grant instalments payable in future years and does not include previous instalments paid. All grants have been paid to registered institutions and not to private individuals.

- \$1,109,370 to Babson College, to fund the Babson Brazilian Scholars Program, which supports Brazilian students from financially disadvantaged backgrounds. \$413,484 was paid in 2024 and the remainder is to be paid in 2025, 2026 and 2027.
- \$200,000 to Generation: You Employed, Inc., an education not-for-profit. The purpose of this grant is to help Generation fund web developer programmes and the newly introduced Cloud Support Practitioner/AWS programme in key cities of Brazil. This grant was paid in full in 2024.
- \$7,259,611 to ISG, a not-for-profit organisation that works to improve the quality of Brazilian public education. The purpose of this grant is to support ISG's work relating to the development and feasibility of scalable initiatives with high impact on public education. This grant was paid in full in 2024.
- \$99,934 to Fundação Estudar, a private foundation, to support the Fundação Estudar Prep Programme offering support for low-income students applying to STEM courses in universities in the US. This grant was paid in full in 2024.
- \$101,420 to Fundação Estudar to support Fundação Estudar Tech Fellow in closing the gap between the tech industry and young leaders. 73 students have been supported since the beginning of this partnership with 47 being supported in 2024. This grant was paid in full 2024.
- \$265,132 to Fundação Estudar, to support Fundação Estudar leaders' (Líderes) studies which includes offering educational development and financial support to disadvantaged high potential young leaders. 720 students have been supported since the beginning of this partnership with 134 being supported in 2024. This grant was paid in full in 2024.
- \$9,979,005 to Ismart, a not-for-profit organisation, to support their aim to assure the development of young Ismart students into leadership positions within their professional careers. This grant was paid in full in 2024.
- \$137,382 to Inteli, a not-for-profit educational organisation, to provide scholarships to underprivileged Brazilian students between 2022 and 2025. The first and second instalments of this grant (totalling \$160,842) were paid in 2022 and 2023, the third instalment of \$75,294 was paid in 2024 and the remainder is due in 2025.
- \$18,823 to Inteli, to provide scholarships to an additional underprivileged Brazilian student between 2022 and 2024. The first and second instalments of this grant were paid in 2022 and 2023, and the third instalment of \$18,824 was paid in 2024.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

- \$199,471 to Inteli, to provide scholarships to underprivileged Brazilian students between 2023 and 2026. The first instalment of this grant (\$109,485) was paid in 2023, the second instalment of \$75,294 was paid in 2024 and the remainder is due in 2025 and 2026.
- \$313,327 to Inteli, to provide scholarships to underprivileged Brazilian students between 2024 and 2027. The first instalment of this grant (\$90,196) was paid in 2024, and the remainder is due in 2025, 2026 and 2027.
- \$492,143 to University College London (**UCL**) to establish a scholar program to support Brazilian students admitted in the academic year 2023-2024. This grant supports two students per year. The first and second instalments of this grant (totalling \$148,646) were paid in 2022 and 2023, the third instalment of \$169,066 was paid in 2024, and the remainder is due in 2025 and 2026.
- \$572,384 to UCL to establish a scholar program to support Brazilian students admitted in the academic year 2024-2025. The first instalment of \$10,124 was paid in 2023, the second instalment of \$124,126 was paid in 2024 and the remainder is due in 2025, 2026 and 2027.
- \$1,017 to UCL to support the costs of the 'IELTS' exam (full name being, IELTS for UKVI Academic) for up to two eligible Telles scholarship candidates at UCL. This grant was paid in 2024.
- \$2,000,000 to University of Illinois Foundation to support the collaboration with Insper Instituto de Ensino e Pesquisa on the creation and development of a highly innovative Bachelor of Computer Science in Brazil. Grant funding to University of Illinois Foundation has supported 152 students to date. The first and second instalments of this grant (totalling \$1,000,000) were paid in 2023 and 2024 and the remainder of \$1,500,000 is due in 2025, 2026 and 2027.
- \$73,650 to University of Notre Dame to support one Brazilian low-income student to undertake the Computer Science undergraduate course at the University for four years. The first and second instalments of this grant (totalling \$49,100) were paid in 2023 and 2024 and the remainder of \$49,100 is due in 2025 and 2026.
- \$40,000 to Latin American Leadership Foundation, a US non-profit institution, to support 40 low-income Brazilian students between 2023 and 2024 applying to Tech-related fields in top global universities. The first instalment of this grant (\$40,000) was paid in 2023 and the remainder of \$40,000 was paid in 2024.
- \$665,000 to Khan Academy, a US 501(c)(3) nonprofit organisation, enabling public schools in Brazil to access 'Khanmigo' (an AI-powered learning assistant for students and teachers developed by the Khan Academy). The first instalment was paid in 2024 (\$300,000) and the remainder is due in 2025.
- \$191,054 to Instituto Apis (known as Instituto Telles at the time the grant was made) to support four independent projects with the aim of advancing technical education, computer programming and tech challenges. The first instalment of \$449,950 was paid in 2023 and the remainder of \$191,054 was paid in 2024.
- \$291,262 to Instituto Apis to support the preparation and training of low-income high school graduates. This grant was paid in 2024.
- \$1,526,184 to Instituto Apis to continue the search for projects, develop methodologies, and seek specialised professionals who can provide insights regarding the projects and purposes of the organisation. This grant is all payable in 2025.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

All grant payments are made in US dollars and, therefore, the figures provided above do not take into account any refunds arising from foreign exchange fluctuations.

In making these grants the Trustees have had due regard to the Charity Commission's guidance on public benefit.

The monitoring of the success of these grants will be carried out in accordance with the rigorous monitoring and reporting obligations included in the Charity's Grant Terms and Conditions and in the Charity's template Grant Reporting Form. The Charity has also established a Grants Committee, which takes delegated responsibility on behalf of the Trustees for overseeing, monitoring and evaluating all grant making activities to ensure they are in accordance with the Charity's charitable objectives and consistent with the Board's grant making strategy.

We have set out below the Foundation's process to evaluate and monitor the impacts of its grant funding:

- a. Following approval by the Board and/or the Management and Operating Committee (as applicable) of a grant recipient's proposal, the Charity issues them with its standard form Grant Terms and Conditions and a Grant Offer Letter (the **Grant Agreement**). The Grant Agreement sets out the terms and conditions of the financial support to be granted by the Charity, including milestones and goals expected to be achieved by the organisation within the commitment period agreed by the parties. The Grant Agreement also imposes on grant recipients a number of requirements in relation to accounting, compliance and governance matters, as well as various reporting obligations, which the Charity uses to monitor the grant funded activities and impact achieved by the organisation.
- b. In addition to the monitoring provisions in the Grant Agreement, the Charity puts in place a monitoring programme with each organisation, which includes:
 - **Grant Report:** the delivery by the organisation of a grant report, which not only tracks the main aspects of the grantees, such as financial information, operational information (milestones, impact, public benefit, etc.), relevant changes or challenges that the organisation has been through during the period, etc, but also requires evidence and assurance that the grant provided by the Charity is being used for the purposes granted;
 - **Board Meeting:** once year a main Board Meeting of the Charity is held, at which the Trustees review all grants made by the Charity, as well as assessing whether there has been a proper use of the funds granted, and consideration the grant recipient's achievements and any lessons learned. If grant recipients do not meet the milestones determined and the impact expected, the Charity does not provide any further grants. In addition, the Grants Committee and the Management and Operations Committee hold their meetings between the Board Meetings.

Given the Charity makes grants to organisations with different missions and purposes, it has created specific KPIs to help measure and track the impact of its grant activities. These KPIs are separated into 3 different strands, namely: (i) Tech Education for Employability, (ii) Scholarship, and (iii) Public Education Initiatives.

The Charity has been tracking the impact of each grant recipient organisation according to the KPIs for each sector, as detailed below:

1. Tech Education for Employability;

a. The grant for this pillar was made to Instituto Apis and the indicators below measure the share of students placed in tech careers;

Generation: 65%

Ecole 42 SP: 77%

Ecole 42 RJ: 42%

TELLES FOUNDATION

(A company limited by guarantee)

**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024**

b. The average of income generated by the program for each student;
Generation: The average increase in family income resulting from the student's employment is x2.14. The income increases for graduates after employability ranged between 2-3x in 2024.
Ecole 42: The organisation does not measure the generated income yet.

c. The retention rate (number of students who finished the program and/or the number of students in the same company after 1 year).
Generation: 90%
Ecole 42 SP: 77%
Ecole 42 RJ: 92%

2. Scholarship ;
a. Student's academic performance;
Babson: Good (Grade Point Average of between 3.0 and 3.9)
UCL: Excellent (Grade Point Average of between 4 and 5)
Inteli: Excellent (Grade Point Average of between 8.51 and 10)

Grade's Ranking			
Ranking	GPA/10	GPA/5	GPA/4
Very poor	below 2.5	below 1	below 1
Poor	between 2.51 and 5	between 1.01 and 2	between 1.01 and
Average	between 5.01 and 7.5	between 2.01 and 3	between 2.0 and 2.9
Good	between 7.51 and 8.5	between 3.01 and 4	between 3.0 and 3.9
Excellent	between 8.51 and 10	between 4.01 and 5	4

b. Number of placed scholars right after receiving the scholarship (employability);
Babson: 100%
UCL: don't have any graduates yet
Inteli: don't have any graduates yet

c. Number of students who have a career path connected to the digital economy.
Babson: 54% (in Tech)
UCL: don't have any graduates yet
Inteli: don't have any graduates yet

3. Public Education (**Sonho Grande Institute**);
a. Number of attended beneficiaries/schools
Directly supports 6.6k schools

b. The academic improvement of each state/school attended by the project.
Improvement of 0.3 in the Basic Education Development Index (IDEB) for full-time high schools compared to regular schools (from 4.1 to 4.4)

After receiving and analysing all the Grant Reports by the organisation, the Charity gives feedback to each organisation and tracks the outcomes of each milestone until the end of the grant period (and if such milestones are not achieved, the grants are suspended).

TELLES FOUNDATION

(A company limited by guarantee)

**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024**

Financial review

The financial statements have been prepared for the year ended 31 December 2024. In line with FRS 102 the current year figures and the comparative figures have been presented in the Charity's functional currency which is USD (\$).

During the year the Charity raised \$NIL donations (2023: \$NIL), received grants of \$NIL (2023: \$48,000,000) and received investment income of \$583,512 (2023: \$141,305). The Charity expended funds of \$20,811,511 (2023: \$25,716,695) primarily on grants, legal, travel, events, administration and governance costs.

As a result, the funds carried forward at the year-end were \$8,948,985 (2023: \$28,705,184).

The Trustees have examined the future anticipated cash flows of the Charity and are satisfied that the Charity has sufficient resources to meet its continuing obligations.

Reserves policy & going concern

At the year end the Charity held unrestricted reserves of \$8,948,985 (2023: \$28,705,184), which represents the Charity's free resources available for grant making purposes in future years. The Charity does not hold a set level of reserves. All operational expenses are met under an arrangement with the Charity's funding partner. For the financial year 2025, a commitment has already been made by the funding partner and the approved budget is \$27,923 for operational expenses. Therefore, the Trustees do not consider there is a need for a formal reserves policy. However, the Charity's aim is to hold at least 6 months' worth of cash reserves to cover operational expenses at any one time. The Board considers that it has adequate financial reserves to continue to deliver on its plans and has a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future.

Plans for future periods

The Charity has continued to build on its grant making activities, including by making grants to new recipients such as The Khan Academy and plans to increase its income and grant expenditure in future periods.

Besides that, the Foundation intends to continue to expand its scholarship programs to provide more access to Brazilian low-income students and to support Instituto Apis in its efforts to create an innovative educational solutions hub to promote better learning outcomes for low-income students.

Approved by order of the members of the Board of Trustees and signed on their behalf by:

TELLES FOUNDATION
(A Company Limited by Guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees (who are also the Directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by order of the members of the Board of Trustees and signed on its behalf by:

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION

Opinion

We have audited the financial statements of Telles Foundation (the 'charitable company') for the year ended 31 December 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2024 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Strategic Report and the Directors' Report included within the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report included within the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Obtaining an understanding of the legal and regulatory frameworks that the entity operates in, focusing on those laws and regulations that had a direct effect on the financial statements;
- Enquiry of management to identify any instances of known or suspected instances of fraud;
- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Enquiry of management and those charged with governance about any instances of non-compliance with laws and regulations;
- Reviewing the control systems in place and testing the effectiveness of the controls;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness;
- Evaluating the business rationale of significant transactions outside the normal course of business;
- Reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

1. General information

Telles Foundation is an incorporated Charity and is registered with the Charity Commission (Charity Registered Number 1165054) and Registrar of Companies (Company Registration Number 09578830) in England and Wales.

In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per Member of the Charity.

The address of the registered office is given in the Administrative information on page 1 of these financial statements.

The nature of the Charity's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Telles Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in US dollars which is the functional currency of the Charity and rounded to the nearest dollar.

2.2 Going concern

The Trustees have reviewed the financial position of the Charity and are content that the accounts should be prepared using the going concern assumption. They have considered a period of at least 12 months from the date of this report, and consider that there are no material uncertainties over going concern for the foreseeable future.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities and Governance costs are costs incurred on the Charity's operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attached are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into dollars at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into dollars at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Financial Activities.

2.7 Investments

Current asset investments are short term highly liquid investments and are held at fair value using the closing quoted market price. These include cash on deposit and cash equivalents with a maturity of less than one year.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2024

2. Accounting policies (continued)

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Investments - investments are classified as basic financial instruments and are held at their fair value as detailed in Note 10.

Debtors – other debtors (including accrued income) are basic financial instruments and are debt instruments measured at amortised cost as detailed in Note 11.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Liabilities – accruals and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Notes 12 and 13.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2023

The Trustees' submit their annual report (incorporating the Strategic Report) and the audited financial statements for the year ended 31 December 2023.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Charity's Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Structure, Governance and Management

The Telles Foundation (the 'Charity') was established on 7 May 2015, as a charitable company limited by guarantee. The Charity is governed by both its Articles and Memorandum of Association dated 7 May 2015 as amended by special resolutions the last of which was dated 23 October 2021 and by its Bye-Laws dated 7 May 2015 as amended by resolution the last of which was dated 16 September 2023. The Trustees obtain ongoing training as determined appropriate.

The names of all those who were the Charity's Trustees on the date the report was approved are listed on page 1.

The Trustees of the Charity are Directors for company law purposes and are appointed in accordance with the Articles of Association of the Charity by the members. When new Trustees are appointed, they undergo an orientation to brief them on their legal obligations under Charity and company law, the Charity Commission guidance on public benefit; the content of the Memorandum and Articles of Association, the committee, and decision-making processes; and the Charity's grant making plans and recent financial performance of the Charity.

The Trustees of the Charity have delegated aspects of the day-to-day management and administration to the Management and Operations Committee (the **M&O Committee**), which is governed by its Terms of Reference. The Trustees have also delegated responsibility to the Technology Committee to build the Charity's existing knowledge of the technology workforce market and to help develop alliances with appropriate partners. Again, this committee is governed by its Terms of Reference. Administration services are provided to the Charity by BDB Pitmans LLP. As a result, the Charity did not employ any personnel. The Key Management Personnel of the Charity are therefore deemed to be the Trustees. None of the Trustees received remuneration or other benefit from their work with the Charity in their capacity as Trustees.

Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Charity maintains a Risk Register which identifies the key issues faced by the Charity and steps to mitigate those risks. The Charity also has in place an Anti-Money Laundering Policy, a Conflicts of Interests Policy, a Data Protection Policy and a Safeguarding Policy.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2023

Related parties

As explained in Note 17 to the accounts, the Charity:

- has provided grant funding to Sonho Grande Institute (**ISG**); Marina Medley De Sà and Claudio Moniz Barreto Garcia were - during the relevant financial year - two of the four board members of ISG and, as a result, this grant relationship meets the definition of a related party transaction.
- has provided grant funding to Instituto Social para Motivar, Apoiar e Reconhecer Talentos (**Ismart**); Claudio Moniz Barreto Garcia was - during the relevant financial year - one of the four board members of Ismart and, as a result, this grant relationship meets the definition of a related party transaction.
- has provided grants to Fundação Estudar, Marcel Herrmann Telles was - during the relevant financial year - one of the four board members and, as a result, this grant relationship meets the definition of a related party transaction.
- has provided grants to Instituto Telles, Marina Medley De Sà and Claudio Moniz Barreto Garcia were - during the relevant financial year – associates of Instituto Telles – as a result, this grant relationship meets the definition of a related party transaction.

The Trustees have in place a Conflicts of Interests Policy, which governs the way in which potential, perceived and actual conflicts of interests are declared by the Trustee concerned and managed by the Board. As part of this, the Trustees declare conflicts of interests at Board meetings and also complete a Conflicts of Interest Declaration Form.

Objectives and activities

The Charity's objects are restricted specifically to the advancement and promotion for the public benefit of education for Brazilian students, regardless of where they are studying, particularly but not exclusively, by improving the quality of education of young people, propelling extraordinary talent and supporting tech education for employability, by such means as the Trustees may in their discretion think fit.

The focus of the Trustees during the reporting period was to continue the Charity's grant making activities in line with the Charity's Grant Making Policy.

The following values inform all of the Charity's activities:

- **Quality and high impact:** *We prioritize initiatives that greatly impact the lives of the people they benefit. We hope that these young people become agents of transformation in their communities.*
- **Pragmatism and focus:** *We promote and seek to bring the best practices for analysing project results, allowing for a more objective, consistent and sustainable assessment.*
- **Bringing new ideas to life:** *We are always looking for brilliant ideas both within and outside Brazil. We seek ideas that can scale and set out to solve the country's educational challenges.*
- **Alliances and partnerships for exponential impact:** *We team up with partners who are leaders in their areas of expertise and are willing to join forces to achieve more significant impacts.*

The Charity launched a website <https://tellesfoundation.uk/> in 2022 to enable the general public and potential beneficiaries to gain a greater understanding of the Charity's work. The website has been developed during the relevant financial year.

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2023

Achievements and performance

The Charity continued to build on its grant making relationship with ISG and Ismart, the Charity's two 'strategic grant recipients' identified by the Board.

During the year the Charity entered into grant agreements amounting to \$25,625,759 (of which \$325,912 relates to grant refunds that have been committed, and \$21,448,777 was paid out in 2023 noting that some funding was committed to in 2021/22 and some funding will be paid out in future years) of grants to the following educational institutions:

- \$490,728 to Babson College, to fund the Babson Brazilian Scholars Program, which supports Brazilian students from financially disadvantaged backgrounds. \$452,648 was paid in 2023 and the remainder is to be paid in 2024 and 2025.
- \$200,000 to Generation: You Employed, Inc., an education not-for-profit. The purpose of this grant is to help Generation fund the expansion of existing training programmes in Brazil in Java, Mobile, .NET and Javascript Development and to deploy a new programme in technology (Cloud and Data). This grant was paid in 2023.
- \$9,024,333 to ISG, a not-for-profit organisation that works to improve the quality of Brazilian public education. The purpose of this grant is to support ISG's work relating to the development and feasibility of scalable initiatives with high impact on public education. This grant was paid in 2023.
- \$139,609 to Fundação Estudar, a private foundation, to support Fundação Estudar Tech Fellow in closing the gap between the tech industry and young leaders (all funds paid in 2023).
- \$390,000 to Fundação Estudar, to support Fundação Estudar leaders' (Líderes) studies which includes offering educational development and financial support to disadvantaged high potential young leaders (all funds paid in 2023).
- \$151,250 to École 42, a not-for-profit coding school. The purpose of this grant is to support École 42's mission to expand innovative learning for individuals who seek to be protagonists in the digital world. This was the remainder due of a grant committed to in 2022 (with \$343,137 paid in 2022).
- \$9,969,787 to Ismart, a not-for-profit organisation, to support their aim to assure the development of young Ismart students into leadership positions within their professional careers. This grant was paid in 2023.
- \$242,526 to Inteli, a not-for-profit educational organisation, to provide scholarships to underprivileged Brazilian students between 2022 and 2025. The first instalment of this grant (\$80,000) was paid in 2022, the second instalment of \$80,842 was paid in 2023 and the remainder is due in 2024.
- \$346,893 to Inteli, to provide scholarships to underprivileged Brazilian students between 2023 and 2026. The first instalment of this grant (\$109,485) was paid in 2023 and the remainder is due in 2024, 2025 and 2026.
- \$611,023 to University College London (UCL) to establish a scholar program to support Brazilian students admitted in the academic year 2023-2024. The first instalment of this grant \$30,702.50 was paid in 2022, the second instalment of \$117,944 was paid in 2023 and the remainder is due in 2024, 2025 and 2026.

TELLES FOUNDATION

(A company limited by guarantee)

**TRUSTEES' REPORT (incorporating the Strategic Report)
FOR THE YEAR ENDED 31 DECEMBER 2023**

- \$586,881 to UCL to establish a scholar program to support Brazilian students admitted in the academic year 2024-2025. The first instalment of \$10,124 was paid in 2023 and the remainder is due in 2024, 2025, 2026 and 2027.
- \$2,500,000 to University of Illinois Foundation to support the collaboration with Insper Instituto de Ensino e Pesquisa on the creation and development of a highly innovative Bachelor of Computer Science in Brazil. The first instalment of this grant (\$500,000) was paid in 2023 and the remainder is due in 2024, 2025, 2026 and 2027.
- \$54,167 to Instituto Telles, a private association, to initiate the development of a programme with Instituto Telemar which supports the integration of talented young, low-income Brazilians into the technology market (all funds paid in 2023).
- \$680,362 to Instituto Telles to support four independent projects with the aim of advancing technical education, computer programming and tech challenges. The first instalment of \$449,950 was paid in 2023 and the remainder is due in 2024.
- \$98,200 to University of Notre Dame to support one Brazilian low-income student to undertake the Computer Science undergraduate course at the University for four years. The first instalment of \$24,550 was paid in 2023 and the remainder is due in 2024, 2025 and 2026.
- \$80,000 to Latin American Leadership Foundation, a US non-profit institution, to support 40 low-income Brazilian students between 2023 and 2024 applying to Tech-related fields in top global universities. The first instalment of \$40,000 was paid in 2023 and the remainder is due in 2024.
- \$60,000 to SHM Foundation, a private association, to support the improvement of education and employment opportunities for young people (all funds paid in 2023).

In making these grants the Trustees have had due regard to the Charity Commission's guidance on public benefit.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2023

The monitoring of the success of these grants will be carried out in accordance with the rigorous monitoring and reporting obligations included in the Charity's Grant Terms and Conditions and in the Charity's template Grant Reporting Form. The Charity has also established a Grants Committee, which takes delegated responsibility on behalf of the Trustees for overseeing, monitoring and evaluating all grant making activities to ensure they are in accordance with the Charity's charitable objectives and consistent with the Board's grant making strategy.

We have set out below the Foundation's process to evaluate and monitor the impacts of its grant funding:

- a. Following approval by the Board and/or the Management and Operating Committee (as applicable) of a grant recipient's proposal, the Charity issues them with its standard form Grant Terms and Conditions and a Grant Offer Letter (the **Grant Agreement**). The Grant Agreement sets out the terms and conditions of the financial support to be granted by the Charity, including milestones and goals expected to be achieved by the organisation within the commitment period agreed by the parties. The Grant Agreement also imposes on grant recipients a number of requirements in relation to accounting, compliance and governance matters, as well as various reporting obligations, which the Charity uses to monitor the grant funded activities and impact achieved by the organisation.
- b. In addition to the monitoring provisions in the Grant Agreement, the Charity puts in place a monitoring programme with each organisation, which includes:
 - Meetings: a bi-monthly meeting, which aims to monitor and make sure that the achievements of each milestone defined in the Grant Agreement are being accomplished;
 - Grant Report: the delivery by the organisation of a grant report, which not only tracks the main aspects of the grantees, such as financial information, operational information (milestones, impact, public benefit, etc.), relevant changes or challenges that the organisation has been through during the period, etc, but also requires evidence and assurance that the grant provided by the Charity is being used for the purposes granted;
 - Board Meeting: once year a main Board Meeting of the Charity is held, at which the Trustees review all grants made by the Charity, as well as assessing whether there has been a proper use of the funds granted, and consideration the grant recipient's achievements and any lessons learned. If grant recipients do not meet the milestones determined and the impact expected, the Charity does not provide any further grants. In addition, the Grants Committee holds its meetings between the Board Meetings.

Given the Charity makes grants to organisations with different missions and purposes, it has created specific KPIs to help measure and track the impact of its grant activities. These KPIs are separated into 3 different strands, namely: (i) Tech Education for Employability, (ii) Scholarship, and (iii) Public Education Initiatives.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2023

The Charity has been tracking the impact of each grant recipient organisation according to the KPIs for each sector, as detailed below:

1. Tech Education for Employability;

a. Number of placed students in tech careers;

Generation: 67%

Ecole 42: 71%

b. The average of income generated by the program for each student;

Generation: average salary of R\$ 3.344,33 - 5x increase in salary after completing the program

Ecole 42: -The organization do not measure the generated income yet.

c. The retention rate (number of students who finished the program and/or the number of students in the same company after 1 year).

Generation: 90%

Ecole 42: 73%

2. Scholarship ;

a. Student's academic performance;

Babson: Good (GPA between 3 and 4)

UCL: Excellent (GPA between 4 and 5)

Inteli: Excellent (GPA between 4 and 5)

ISMART: Average (GPA between 2 and 3)

b. Number of placed scholars right after receiving the scholarship (employability);

Babson: 100%

UCL: don't have any graduates yet

Inteli: don't have any graduates yet

ISMART: 88%

c. Number of students who have a career path connected to the digital economy.

Babson: 69%

UCL: don't have any graduates yet

Inteli: don't have any graduates yet

ISMART: 57%

3. Public Education (Sonho Grande Institute);

a. Number of attended beneficiaries/schools

Directly supports 5.9 thousand schools

b. The academic improvement of each state/school attended by the project.

Improvement of 0.3 in the Basic Education Development Index (IDEB) for full-time high schools compared to regular schools (from 4.1 to 4.4).

After receiving and analysing all the Grant Reports by the organisation, the Charity gives feedbacks to each organisation and tracks the outcomes of each milestone until the end of the grant period (and if such milestones are not achieved, the grants are suspended).

TELLES FOUNDATION

(A company limited by guarantee)

**TRUSTEES' REPORT (incorporating the Strategic Report)
FOR THE YEAR ENDED 31 DECEMBER 2023**

Financial review

The financial statements have been prepared for the year ended 31 December 2023. In line with FRS 102 the current year figures and the comparative figures have been presented in the Charity's functional currency which is USD (\$).

During the year the Charity raised \$NIL donations (2022: \$Nil), received grants of \$48,000,000 (2022: \$20,000,000) and received investment income of \$141,305 (2022: \$30,921). The Charity expended funds of \$25,716,695 (2022: \$1,671,127) primarily on grants, legal, travel, events, administration and governance costs.

As a result, the Funds carried forward at the year-end were \$28,705,184 (2022: \$6,205,518).

The Trustees have examined the future anticipated cash flows of the Charity and are satisfied that the Charity has sufficient resources to meet its continuing obligations.

Reserves policy & going concern

At the year end the Charity held unrestricted reserves of \$28,705,184 (2022: \$6,205,518), which represents the Charity's free resources available for grant making purposes in future years. The Charity does not hold a set level of reserves. All operational expenses are met under an arrangement with the Charity's funding partner. Therefore, the Trustees do not consider there is a need for a formal reserves policy. However, the Charity's aim is to hold at least 6 months' worth of cash reserves to cover operational expenses at any one time. The Board considers that it has adequate financial reserves to continue to deliver on its plans and has a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future.

Plans for future periods

The Charity has continued to build on its grant making activities, including by making grants to new recipients such as The Khan Academy and plans to increase its income and grant expenditure in future periods.

Besides that, the Foundation intends to continue to expand its scholarship programs to provide more access to Brazilian low-income students.

TELLES FOUNDATION
(A Company Limited by Guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2023

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report including the Strategic Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION

Opinion

We have audited the financial statements of Telles Foundation (the 'charitable company') for the year ended 31 December 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2023 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Strategic Report and the Directors' Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report included within the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Obtaining an understanding of the legal and regulatory frameworks that the entity operates in, focusing on those laws and regulations that had a direct effect on the financial statements;
- Enquiry of management to identify any instances of known or suspected instances of fraud;
- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Enquiry of management and those charged with governance about any instances of non-compliance with laws and regulations;
- Reviewing the control systems in place and testing the effectiveness of the controls;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness;
- Evaluating the business rationale of significant transactions outside the normal course of business;
- Reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

TELLES FOUNDATION

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

1. General information

Telles Foundation is an incorporated Charity and is registered with the Charity Commission (Charity Registered Number 1165054) and Registrar of Companies (Company Registration Number 09578830) in England and Wales.

In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per Member of the Charity.

The address of the registered office is given in the Administrative information on page 1 of these financial statements.

The nature of the Charity's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Telles Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in US dollars which is the functional currency of the Charity and rounded to the nearest dollar.

2.2 Going concern

The Trustees have reviewed the financial position of the Charity and are content that the accounts should be prepared using the going concern assumption. They have considered a period of at least 12 months from the date of this report, and consider that there are no material uncertainties over going concern for the foreseeable future.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities and Governance costs are costs incurred on the Charity's operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attached are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into dollars at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into dollars at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Financial Activities.

2.7 Investments

Current asset investments are short term highly liquid investments and are held at fair value using the closing quoted market price. These include cash on deposit and cash equivalents with a maturity of less than one year.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023

2. Accounting policies (continued)

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Investments - investments are classified as basic financial instruments and are held at their fair value as detailed in Note 10.

Debtors – other debtors (including accrued income) are basic financial instruments and are debt instruments measured at amortised cost as detailed in Note 11.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Liabilities – accruals and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Notes 12 and 13.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2022

The Trustees' submit their annual report (incorporating the Strategic Report) and the audited financial statements for the year ended 31 December 2022.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Charity's Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Structure, Governance and Management

The Telles Foundation (the 'Charity') was established on 7 May 2015, as a charitable company limited by guarantee. The Charity is governed by both its Articles and Memorandum of Association dated 7 May 2015 as amended by special resolutions the last of which was dated 23 October 2021 and by its Bye-Laws dated 7 May 2015 as amended by resolution the last of which was dated 22 December 2020. The Trustees obtain ongoing training as determined appropriate.

The names of all those who were the Charity's Trustees on the date the report was approved are listed on page 1.

The Trustees of the Charity are directors for company law purposes and are appointed in accordance with the Articles of Association of the Charity by the members. When new Trustees are appointed, they undergo an orientation to brief them on their legal obligations under Charity and company law, the Charity Commission guidance on public benefit; the content of the Memorandum and Articles of Association, the committee and decision-making processes; and the Charity's grant making plans and recent financial performance of the Charity.

The Trustees of the Charity have delegated aspects of the day-to-day management and administration to the Management and Operations Committee (the **M&O Committee**), which is governed by its Terms of Reference. The Trustees have also delegated responsibility to the Technology Committee to build the Charity's existing knowledge of the technology workforce market and to help develop alliances with appropriate partners. Again, this committee is governed by its Terms of Reference. Administration services are provided to the Charity by BDB Pitmans LLP. As a result, the Charity did not employ any personnel. The Key Management Personnel of the Charity are therefore deemed to be the Trustees. None of the Trustees received remuneration or other benefit from their work with the Charity in their capacity as Trustees.

Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Charity maintains a Risk Register which identifies the key issues faced by the Charity and steps to mitigate those risks. The Charity also has in place an Anti-Money Laundering Policy, a Conflicts of Interests Policy, a Data Protection Policy and a Safeguarding Policy.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2022

Related parties

As explained in Note 15 to the accounts, the Charity:

- has provided grant funding to Sonho Grande Institute (ISG); Marina Medley De Sà was - during the relevant financial year - one of the four Board members of ISG and, as a result, this grant relationship meets the definition of a related party transaction;
- has provided grant funding to Instituto Social para Motivar, Apoiar e Reconhecer Talentos (Ismart); Marcel Herrmann Telles was - during the relevant financial year - one of the four Board members of Ismart and, as a result, this grant relationship meets the definition of a related party transaction. Marcel Herrmann Telles retired from the the board of Ismart and Claudio Moniz Barreto Garcia was appointed to the board of Ismart on 28 April 2022.
- has provided grants to Fundação Estudar, Marcel Herrmann Telles was - during the relevant financial year - one of the four Board members and, as a result, this grant relationship meets the definition of a related party transaction.

The Trustees have in place a Conflicts of Interests Policy, which governs the way in which potential, perceived and actual conflicts of interests are declared by the Trustee concerned and managed by the Board. As part of this, the Trustees declare conflicts of interests at Board meetings and also complete a Conflicts of Interest Declaration Form.

Objectives and activities

The Charity's objects are restricted specifically to the advancement and promotion for the public benefit of education for Brazilian students, regardless of where they are studying, particularly but not exclusively, by improving the quality of education of young people, propelling extraordinary talent and supporting tech education for employability, by such means as the Trustees may in their discretion think fit.

The focus of the Trustees during the reporting period was to continue the Charity's grant making activities in line with the Charity's Grant Making Policy.

The following values inform all of the Charity's activities:

- **Quality and high impact:** *We prioritize initiatives that greatly impact the lives of the people they benefit. We hope that these young people become agents of transformation in their communities.*
- **Pragmatism and focus:** *We promote and seek to bring the best practices for analysing project results, allowing for a more objective, consistent and sustainable assessment.*
- **Bringing new ideas to life:** *We are always looking for brilliant ideas both within and outside Brazil. We seek ideas that can scale and set out to solve the country's educational challenges.*
- **Alliances and partnerships for exponential impact:** *We team up with partners who are leaders in their areas of expertise and are willing to join forces to achieve more significant impacts.*

The Charity also launched a website <https://tellesfoundation.uk/> to enable the general public and potential beneficiaries to gain a greater understanding of the Charity's work. The website only recently launched and is still being developed.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2022

Achievements and performance

The Charity continued to build on its grant making relationship with ISG and Ismart, the Charity's two 'strategic grant recipients' identified by the Board.

The Charity brought forward grant liability commitments amounting to \$18,210,866, and during the year the Charity entered into grant agreements amounting to \$1,163,7057 (of which \$19,819,273 was paid out in 2022 noting that some funding was committed to in 2021 and some funding will be paid out in future years) to the following educational institutions:

- \$651,112 to Babson College, to fund the Babson Brazilian Scholars Program, which supports Brazilian students from financially disadvantaged backgrounds (with \$162,778 being paid in 2022).
- 80,000 to Generation: You Employed, Inc., an education not-for-profit. The purpose of this grant is to help Generation fund the expansion of the Junior Java Developer and Mobile Developer programmes in São Paulo, Campinas and Recife and deploying a new program (Net Developer) (all being paid in 2022).
- \$7,956,548 to ISG, a not-for-profit organisation that works to improve the quality of Brazilian public education. The purpose of this grant is to support ISG's work relating to the development and feasibility of scalable initiatives with high impact on public education. This grant was committed to in 2021 with \$1,047,191 being paid in 2021 and the remainder in 2022.
- \$399,261 to Fundação Estudar, a private foundation, to support Fundação Estudar leaders' (Líderes) studies which include offering educational development and financial support to disadvantaged high potential young leaders (all being paid in 2022).
- \$80,945 to Fundação Estudar, to support Fundação Estudar Tech Fellow in closing the gap between the tech industry and young leaders (all being paid in 2022).
- \$500,588 to École 42, a not-for-profit coding school. The purpose of this grant is to support École 42's mission to expand innovative learning for individuals who seek to be protagonists in the digital world (with \$350,411 being paid in 2022).
- \$10,040,395 to Ismart, a not-for-profit organisation, to support their aim to assure the development of young Ismart students into leadership positions within their professional careers. This grant was committed in 2021 and all paid in 2022.
- \$384,456 to Ineli, a not-for-profit educational organisation, to provide scholarships to underprivileged Brazilian students (with the first instalment of \$96,109 having been committed in 2021 and paid in 2022).
- \$10,012 to Associacao Cactus, a not-for-profit organisation, to support Marathon Tech to awaken interest in technology in young people through challenges in computational thinking and logic (all being paid in 2022).
- \$634,290 to University College London (UCL) to establish a scholar program to support Brazilian students (with \$31,429 being paid in 2022).

In making these grants the Trustees have had due regard to the Charity Commission's guidance on public benefit.

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2022

The monitoring of the success of these grants will be carried out in accordance with the rigorous monitoring and reporting obligations included in the Charity's Grant Terms and Conditions and in the Charity's template Grant Reporting Form. The Charity has also established a Grants Committee, which takes delegated responsibility on behalf of the Trustees for overseeing, monitoring and evaluating all grant making activities to ensure they are in accordance with the Charity's charitable objectives and consistent with the Board's grant making strategy.

We have set out below the Foundation's process to evaluate and monitor the impacts of its grant funding:

- Following approval by the Board and/or the Management and Operating Committee (as applicable) of a grant recipient's proposal, the Charity issues them with its standard form Grant Terms and Conditions and a Grant Offer Letter (the **Grant Agreement**). The Grant Agreement sets out the terms and conditions of the financial support to be granted by the Charity, including milestones and goals expected to be achieved by the organisation within the commitment period agreed by the parties. The Grant Agreement also imposes on grant recipients a number of requirements in relation to accounting, compliance and governance matters, as well as various reporting obligations, which the Charity uses to monitor the grant funded activities and impact achieved by the organisation.
- In addition to the monitoring provisions in the Grant Agreement, the Charity puts in place a monitoring programme with each organisation, which includes:
 - a. **Meetings**: a bi-monthly meeting, which aims to monitor and make sure that the achievements of each milestone defined in the Grant Agreement are being accomplished;
 - b. **Grant Report**: the delivery by the organisation of a grant report, which not only tracks the main aspects of the grantees, such as financial information, operational information (milestones, impact, public benefit, etc.), relevant changes or challenges that the organisation has been through during the period, etc, but also requires evidence and assurance that the grant provided by the Charity is being used for the purposes granted;
 - c. **Board Meeting**: once per year a main Board Meeting of the Charity is held, at which the Trustees review all grants made by the Charity, as well as assessing whether there has been a proper use of the funds granted, and consideration the grant recipient's achievements and any lessons learned. If grant recipients do not meet the milestones determined and the impact expected, the Charity does not provide any further grants. In addition, the Grants Committee holds its meetings between the Board Meetings.

Given the Charity makes grants to organisations with different missions and purposes, it has created specific KPIs to help measure and track the impact of its grant activities. These KPIs are separated into 3 different strands, namely: (i) Tech Education for Employability, (ii) Scholarship, and (iii) Public Education Initiatives.

The Charity has been tracking the impact of each grant recipient organisation according to the KPIs for each sector, as detailed below:

1. Tech Education for Employability (Generation, École 42 and Ecole 42 Rio de Janeiro)
 - a. Number of placed students in tech careers;
 - b. The average of income generated by the program for each student;
 - c. The retention rate (number of students who finished the program and/or the number of students in the same company after 1 year).
2. Scholarship (Babson, Ismart, UCL, and Fundação Estudar)
 - a. Student's academic performance;
 - b. Number of placed scholars right after receiving the scholarship;
 - c. Number of students who have a career path connected to the digital economy.
3. Public Education (Sonho Grande Institute, Maratona Tech)
 - a. Number of attended beneficiaries/schools.
 - b. The academic improvement of each state/school attended by the project;

TELLES FOUNDATION

(A company limited by guarantee)

TRUSTEES' REPORT (incorporating the Strategic Report) FOR THE YEAR ENDED 31 DECEMBER 2022

After receiving and analysing all the Grant Reports by the organisation, the Charity gives feedback to each organisation and tracks the outcomes of each milestone until the end of the grant period (and if such milestones are not achieved, the grants are suspended).

Financial review

The financial statements have been prepared for the year ended 31 December 2022. In line with FRS102 the current year figures and the comparative figures have been presented in the Charity's functional currency which is USD (\$).

During the year the Charity raised no donations (2021: \$Nil), received grants of \$20,000,000 (2021: \$Nil) and received investment income of \$30,921 (2021: \$2,835). The Charity expended funds of \$2,147,989 (2021: \$30,434,575) primarily on grants, legal, travel, events, administration and governance costs. In addition, refunds of \$476,862 were recognised on prior year commitments, resulting in total charitable activities expenditure in the period of \$1,671,127.

As a result, the Funds carried forward at the year-end were \$6,205,518 (2021: deficit of \$12,144,950).

The Trustees have examined the future anticipated cash flows of the Charity and are satisfied that the Charity has sufficient resources to meet its continuing obligations.

Reserves policy & going concern

At the year end the Charity held unrestricted reserves of \$6,205,518 (2021: deficit of \$12,144,950), which represents the Charity's free resources. The Charity does not hold a set level of reserves. All operational expenses are met under an arrangement with the Charity's funding partner. Therefore, the Trustees do not consider there is a need for a formal reserves policy. However, the Charity's aim is to hold at least 6 months' worth of cash reserves to cover operational expenses at any one time. The Board considers that it has adequate financial reserves to continue to deliver on its plans and has a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future.

Plans for future periods

The Charity has continued to build on its grant making activities, including by making grants to new recipients such as UCL and plans to increase its income and grant expenditure in future periods.

Besides that, the Foundation intends to expand its scholarship programs to provide more access to Brazilian low-income students.

The Trustees' Report has been prepared in accordance with the provisions applicable to entities subject to the small companies regime.

Approved by order of the members of the Board of Trustees and signed on their behalf by:

.....
Marina Medley De Sa
Trustee
Date: 29/09/2023

TELLES FOUNDATION

(A Company Limited by Guarantee)

**STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2022**

The Trustees (who are also the directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report including the Strategic Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by order of the members of the Board of Trustees and signed on its behalf by:

.....
Marina Medley De Sa
Trustee

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION

Opinion

We have audited the financial statements of Telles Foundation (the 'charitable company') for the year ended 31 December 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2022 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other matter

The financial statements of the charity for the year ended 31 December 2021 were unaudited, and therefore the corresponding figures for 2021 are unaudited.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report, which includes the Directors' Report and the Strategic Report prepared for the purposes of company law, for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Strategic Report and the Directors' Report included within the Trustees' Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic Report or the Directors' Report included within the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Obtaining an understanding of the legal and regulatory frameworks that the entity operates in, focusing on those laws and regulations that had a direct effect on the financial statements;
- Enquiry of management to identify any instances of known or suspected instances of fraud;
- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Enquiry of management and those charged with governance about any instances of non-compliance with laws and regulations;
- Reviewing the control systems in place and testing the effectiveness of the controls;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness;
- Evaluating the business rationale of significant transactions outside the normal course of business;
- Reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

1. General information

Telles Foundation is an incorporated Charity and is registered with the Charity Commission (Charity Registered Number 1165054) and Registrar of Companies (Company Registration Number 09578830) in England and Wales.

In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per Member of the Charity.

The address of the registered office is given in the Administrative information on page 1 of these financial statements.

The nature of the Charity's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Telles Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in US dollars which is the functional currency of the Charity and rounded to the nearest dollar.

2.2 Going concern

The Trustees have reviewed the financial position of the Charity and are content that the accounts should be prepared using the going concern assumption. They have considered a period of at least 12 months from the date of this report, and consider that there are no material uncertainties over going concern for the foreseeable future.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities and Governance costs are costs incurred on the Charity's operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attached are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into dollars at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into dollars at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Financial Activities.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2022

2. Accounting policies (continued)

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.9 Financial instruments

The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Debtors – other debtors (including accrued income) are basic financial instruments and are debt instruments measured at amortised cost.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Liabilities – accruals and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Notes 10 and 11.

2.10 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

TRUSTEES' REPORT AND FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

TELLES FOUNDATION
(A Company Limited by Guarantee)

TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees' submit their annual report and the unaudited financial statements for the year ended 31 December 2020.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Charity's Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Structure, Governance and Management

The Telles Foundation (the 'Charity') was established on 7 May 2015, as a charitable company limited by guarantee. The Charity is governed by both its Articles and Memorandum of Association dated 7 May 2015 as amended by special resolutions the last of which was dated 22 June 2019 and by its Bye-Laws dated 7 May 2015 as amended by special resolutions the last of which was dated 22 December 2020. The Trustees obtain ongoing training as determined appropriate.

The names of all those who were the Charity's Trustees on the date the report was approved are listed on page 1.

The Trustees of the Charity are directors for company law purposes and are appointed in accordance with the Articles of Association of the Charity by the members. When new Trustees are appointed they undergo an orientation to brief them on: their legal obligations under Charity and company law, the Charity Commission guidance on public benefit; the content of the Memorandum and Articles of Association, the committee and decision-making processes; and the Charity's grant making plans and recent financial performance of the Charity.

The Trustees of the Charity have delegated aspects of the day to day management and administration to the Management and Operations Committee (the **M&O Committee**), which is governed by its Terms of Reference. Administration services are provided to the Charity by BDB Pitmans LLP. As a result, the Charity did not employ any personnel. The Key Management Personnel of the Charity are therefore deemed to be the Trustees. None of the Trustees received remuneration or other benefit from their work with the Charity in their capacity as Trustees.

Risk management

The Trustees have a duty to identify and review the risks to which the Charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error. The Charity maintains a Risk Register which identifies the key issues faced by the Charity and steps to mitigate those risks. The Charity also has in place an Anti-Money Laundering Policy, a Conflicts of Interests Policy and a Safeguarding Policy.

COVID-19

COVID-19 has had no significant impact on the Charity's internal operations or finances. It has, however, affected the educational organisations supported by the Charity, some of whom are unable to facilitate face to face teaching in the same way as they did before the pandemic, which in turn has required those organisations to alter their staffing and on-line provisions, as well as their funding requirements. As a result it has been necessary in some cases (for example in relation to the Sonho Grande Institute (ISG) and the Instituto Social para Motivar, Apoiar e Reconhecer Talentos (Ismart) grants) for the Charity to adjust the size and timings of its grants (as set out in Note 12 of the accounts).

TELLES FOUNDATION
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2020

Related parties

As explained in Note 17 to the accounts, the Charity:

- has provided grant funding to ISG; Marina Medley De Sà was - during the relevant financial year - one of the four Board members of ISG and, as a result, this grant relationship meets the definition of a related party transaction.
- has provided grant funding to Ismart; Marcel Herrmann Telles was - during the relevant financial year - one of the four Board members of Ismart and, as a result, this grant relationship meets the definition of a related party transaction;
- accrued a \$20,000,000 grant (to which no restrictions or conditions were attached) from a related party of Marcel Telles.

The Trustees have in place a Conflicts of Interests Policy, which governs the way in which potential, perceived and actual conflicts of interests are declared by the Trustee concerned and managed by the Board. As part of this, the Trustees declare conflicts of interests at Board meetings and also complete a Conflicts of Interest Declaration Form.

Objectives and activities

The Charity's objects are restricted specifically to the advancement and promotion for the public benefit of education, particularly but not exclusively in Brazil and in areas of social and economic deprivation, by such means as the Trustees may in their discretion think fit.

The focus of the Trustees during the reporting period was to continue its grant making activities in line with the Charity's grant making policy taking into account the impact of the COVID-19 pandemic as mentioned above.

The Trustees have also focused on consolidating the Charity's governance and developing a strategic plan, including engaging external consultants in relation to the provision of strategic consultancy services to the Charity.

Achievements and performance

The Charity consolidated its grant making activities during the year ended 31 December 2020, including by continuing to make grants to ISG and Ismart, the two 'strategic grant recipients' identified by the Board, in relation to which the Charity intends to maintain long-term grant relationships.

During the year the Charity committed to make \$19,239,532 of grants (net of adjustments) to the following educational institutions:

- \$581,577 was granted to Wake Forest University, to provide scholarships to undergraduate students, who would not otherwise have access to that university education as it would have been beyond their means.
- \$891,235 was granted to Babson College, to fund the Babson Brazilian Scholars Program, which supports Brazilian students from financially disadvantaged backgrounds.
- \$41,611 was granted to Generation: You, Inc., an education not-for-profit. The grant is being used by the recipient to help fund the launch of the Junior Java Developer programme which involves training and placing 36 learners in partnership with Fundação Bradesco.

TELLES FOUNDATION
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 DECEMBER 2020

The Charity has been carefully monitoring the impact of the COVID-19 pandemic on its grant making activities. The main impact is that some grant recipients have had to reduce, delay and/or significantly alter their educational offering in light of the 'lockdown' restrictions. As a result the Charity, in agreement with the grant recipients, has amended (for example delayed) some of the Charity's grant payments.

Reserves policy & going concern

At the year end the Charity held unrestricted reserves of \$18,287,884 (2019: \$17,566,226) which represents the Charity's free resources. The Charity does not hold a set level of reserves. All operational expenses are met under an arrangement with the Charity's funding partner. Therefore, the trustees do not consider there is a need for a formal reserves policy. However, the Charity's aim is to hold at least 6 months' worth of cash reserves to cover operational expenses at any one time. The Board considers that it has adequate financial reserves to continue to deliver on its plans and has a reasonable expectation that the Charity will have adequate resources to continue in operational existence for the foreseeable future.

Plans for future periods

The Charity has started to develop its website and logo with the aim of publicly promoting its charitable grant making purposes and to engage more effectively with grant recipients. The Charity has continued to build on its grant making activities, including by making grants to new recipients such as Fundação Estudar and École 42 and plans to increase its income and grant expenditure in future periods.

The Charity will continue to monitor the impact that COVID-19 is having on its grant recipients and to review whether it is necessary to make any further adjustments to grant commitments.

TELLES FOUNDATION
(A Company Limited by Guarantee)

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 DECEMBER 2020

The Trustees (who are also the Directors of the Charity for the purposes of company law) are responsible for preparing the Trustees' Report including the Strategic Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In so far as the Trustees are aware:

- there is no relevant audit information of which the Charity's auditor is unaware; and
- the Trustees have taken all steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the auditor is aware of that information.

Approved by order of the Members of the Board of Trustees and signed on its behalf by:

.....
Marina Medley De Sa
Trustee
Date: July 2nd, 2021.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TELLES FOUNDATION

Opinion

We have audited the financial statements of Telles Foundation (the 'Charity') for the year ended 31 December 2020 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 December 2020 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Other Information

The Trustees are responsible for the other information. The other information comprises the information included in the Trustees' Report, other than the financial statements and our Auditors' Report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

TELLES FOUNDATION
(A Company Limited by Guarantee)

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Responsibilities of Trustees

As explained more fully in the Statement of Trustees' Responsibilities, the Trustees (who are also the Directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- Enquiry of management and those charged with governance around actual and potential litigation and claims;
- Performing audit work over the risk of management override of controls, including testing of journal entries and other adjustments for appropriateness, evaluating the business rationale of significant transactions outside the normal course of business and reviewing accounting estimates for bias;
- Reviewing minutes of meetings of those charged with governance;
- Reviewing financial statement disclosures and testing to supporting documentation to assess compliance with applicable laws and regulations.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF TELLES FOUNDATION (CONTINUED)

Use of our report

This report is made solely to the charitable company's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's Members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its Members, as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

1. General information

Telles Foundation is an incorporated Charity and is registered with the Charity Commission (Charity Registered Number 1165054) and Registrar of Companies (Company Registration Number 09578830) in England and Wales.

In the event of the Charity being wound up, the liability in respect of the guarantee is limited to £1 per Member of the Charity.

The address of the registered office is given in the Administrative information on page 1 of these financial statements.

The nature of the Charity's operations and principal activities are detailed in the Trustees Report.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Telles Foundation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in US dollars which is the functional currency of the Charity and rounded to the nearest dollar.

2.2 Going concern

The Trustees have reviewed the financial position of the Charity and are content that the accounts should be prepared using the going concern assumption. They have considered a period of at least 12 months from the date of this report, and consider that there are no material uncertainties over going concern for the foreseeable future, including considering the impact of COVID-19.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity.

Charitable activities and Governance costs are costs incurred on the Charity's operations, including support costs and costs relating to the governance of the Charity apportioned to charitable activities.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Foreign currencies

Monetary assets and liabilities denominated in foreign currencies are translated into dollars at rates of exchange ruling at the reporting date.

Transactions in foreign currencies are translated into dollars at the rate ruling on the date of the transaction.

Exchange gains and losses are recognised in the Statement of Financial Activities.

2.7 Investments

Fixed asset investments are a form of basic financial instrument and are initially recognised at fair value which is normally the transaction price excluding transaction costs. Subsequently, they are continuously measured at fair value with changes recognised in 'Net gains / (losses) on investments' in the Statement of Financial Activities. As investments are continuously revalued there are no realised gains or losses recorded. Investment income is accounted for in the period in which the charitable company is entitled to receipt.

Current asset investments are short term highly liquid investments and are held at fair value. These include cash on deposit and cash equivalents with a maturity of less than one year.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

TELLES FOUNDATION
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2020

2. Accounting policies (continued)

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

2.11 Financial instruments

The Charity only holds basic Financial Instruments. The financial assets and financial liabilities of the Charity are as follows:

Debtors – other debtors (including accrued income) are basic financial instruments and are debt instruments measured at amortised cost as detailed in Note 10.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Liabilities – accruals and other creditors will be classified as financial instruments, and are measured at amortised cost as detailed in Note 12.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
