STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity governing document is a Charitable Incorporated Organisation (CIO) – Foundation Constitution registered 7th January 2016. The Charity is governed by a board on which the trustees are represented. It meets regularly to review, plan activities and monitor the financial position.

OBJECTIVES AND ACTIVITIES

The objectives of the Organisation are first to advance the Christian faith in accordance with the statement of beliefs for the benefit in the United Kingdom and in such other parts of the world as the trustees may think fit from time to time. The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit before deciding what activities the charity should undertake.

ACHIEVEMENTS AND PERFORMANCE

The Organisation held successful meetings throughout the year in which individuals were educated on the principles and doctrines of the Christian faith. The church holds its services in a school's hall in Ponders End (Enfield), North London and also online via Zoom during the weekdays.

The following committees enabled us to work together to achieve our aims:

➤ ADMINISTRATION

Administration helps organise regular meetings at different congregational levels to observe our progress as a church in reaching set goals. The team ensures every member's concern is handled within the Word of God and any complaint made is correctly dealt. Our Administration team is also in charge of regular announcements about upcoming events and other programs which keep our congregation informed and updated to We ensure simplicity and transparency

The team manages the Church's financial resources – these are primarily from individuals' voluntary donations. The team is responsible for keeping records of voluntary donations through members to church and quarterly gives an account to Church to let them know our financial position. The administration team is also in charge of organising other church events and arranging transportation when the need arrives.

➤ EVANGELISM

The aim for the evangelism team is to plan for evangelism, encourage members to get involved in evangelical work and spread God's word with meaning in order to win new souls to the Kingdom of God. There are a range of ways in which this was achieved:

- Going into the local community giving out invites and Daily Devotional
- Holding events such as Praise Night, Super Sunday, Friends & Family services
- Home visits and telephone calls to check on members welfare
- Social media to announce and invite people to fellowship with us.

It is our modern operandi to reach out once a month to our neighbourhood and local communities and this was mostly successful. We were able to interact with members and encourage one another with the scriptures. Our evangelism has been effective as we are creating awareness of God's saving power and His love for mankind in these challenging times.

Another tool for evangelism is whereby we reach out to the local community by inviting them to our regular events such as Friends and Family services, annual summer barbeque and trips to the seafront. We also organised a 'Church in the Park' to reach out to our community. We were able to hold these events which was geared towards winning new members.

The team also views visitation as a primary means for us to encourage and support each other, most especially for irregular members to stay in fellowship, as well as giving benevolence to the elderly and members in need. They also made efforts to reach members who have stopped fellowshiping with us so that they will return and regularly fellowship with us again. The Church has an active Facebook page which gives information and reminders about upcoming events or news about the church. The church also has a website and a YouTube channel where the weekly sermons are posted online. This helps to spread awareness of the church as people in other parts of the world can watch the sermons and be impacted by them.

➤ **YOUTH COMMITTEE**

Our youth committee demonstrates passion for God's Word and is given adequate opportunities to demonstrate their God-given talents regularly by partaking in the church's activities. As is customary, our Youth Services are held four times during the year and is an engaging opportunity for the youth in the community to gain salvation. In these services, the youth take control and invite their friends and family to see them in service, as well as introducing others in the local community to Christ through these events. The Youth Choir is also a key part of the church; they are willing and eager to create time to practice for Youth Services and church performances. Every week, the Youth Choir performs a song during the weekly Sunday Services. Another key aspect of the Youth Committee is our annual Christmas Service. Each year, the youth perform a Christmas Nativity play and the Youth Choir sings a range of hymns. This engages the local community and helps create a friendly, festive spirit within the community. The Youth Committee also provide refreshments after an event or special church service when possible; this means once a church service is over, the congregation can gather and enjoy some time together over some tea and nibbles. As a result, a warm and welcoming environment is created where regular attendees and newcomers can mingle and get to know one another.

FINANCIAL REVIEW

The income of the charity this year was over £12,000.
